

# LORE **OLYMPUS**

CREATED BY RACHEL SMYTHE  
EDITED BY BRE BOSWELL

## **EPISODE 266: ALL THE KING'S HORSES**

I can't believe we're  
attempting this tonight.

What are you crying  
about? The on-call pay  
is so good.

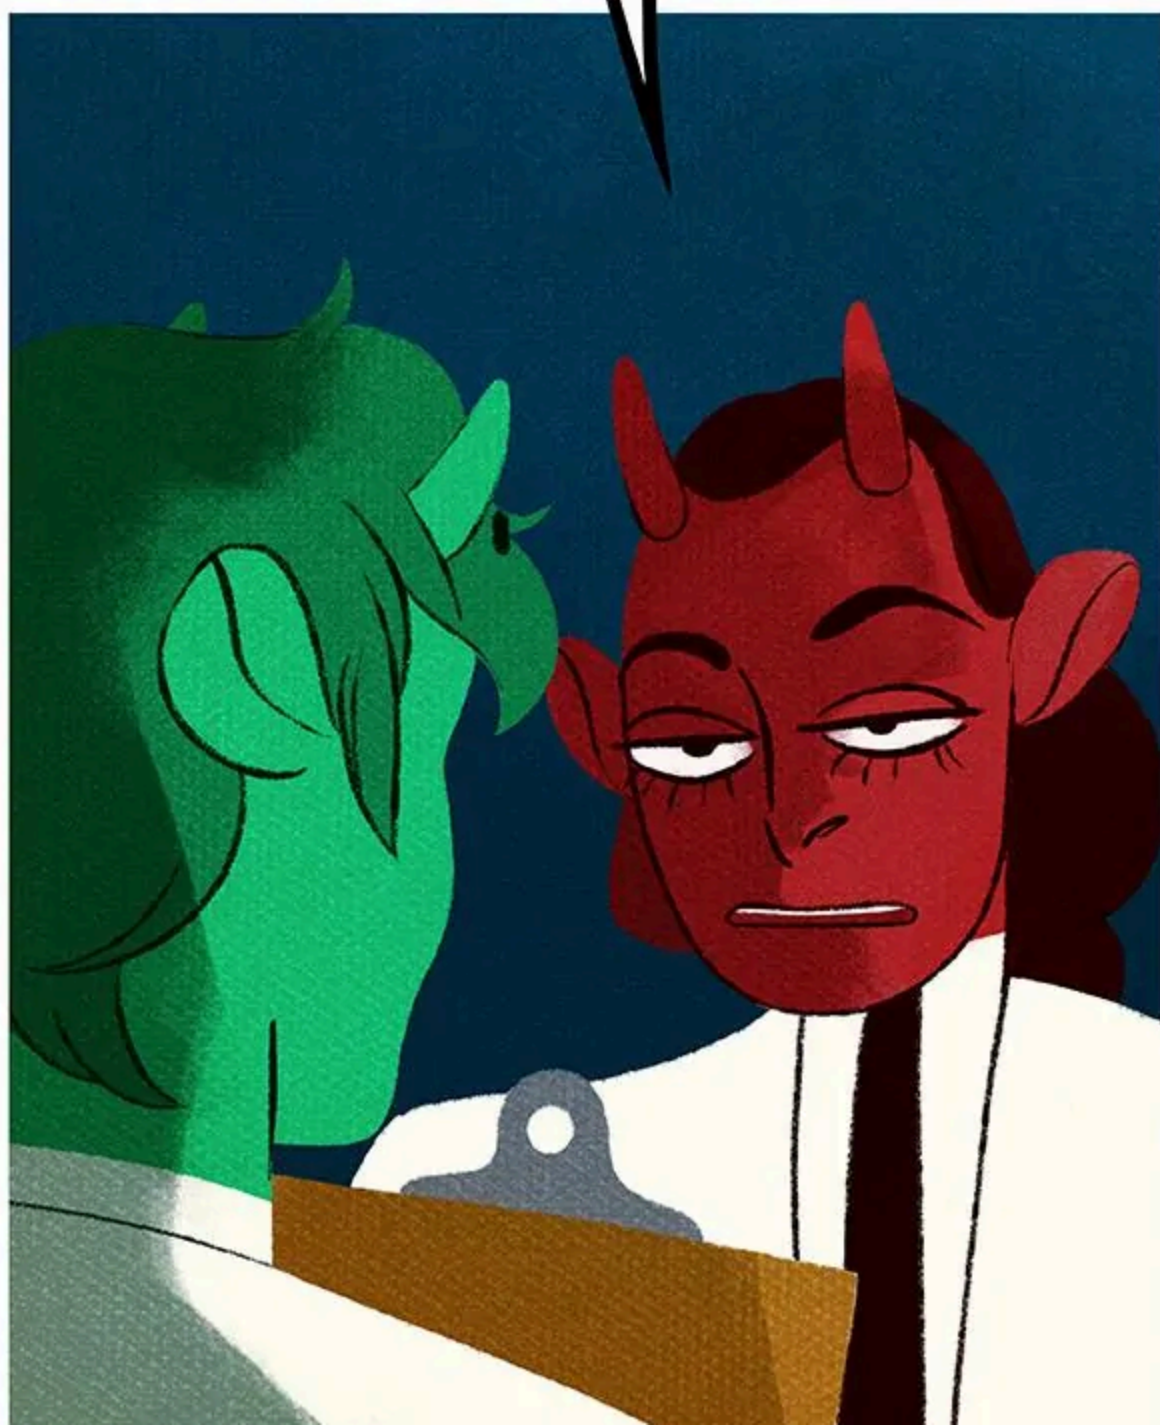

I know, but they're still  
repairing the damage from  
last time.

Can you stop eating  
and go take their  
blood samples?

Are you really  
okay with this?

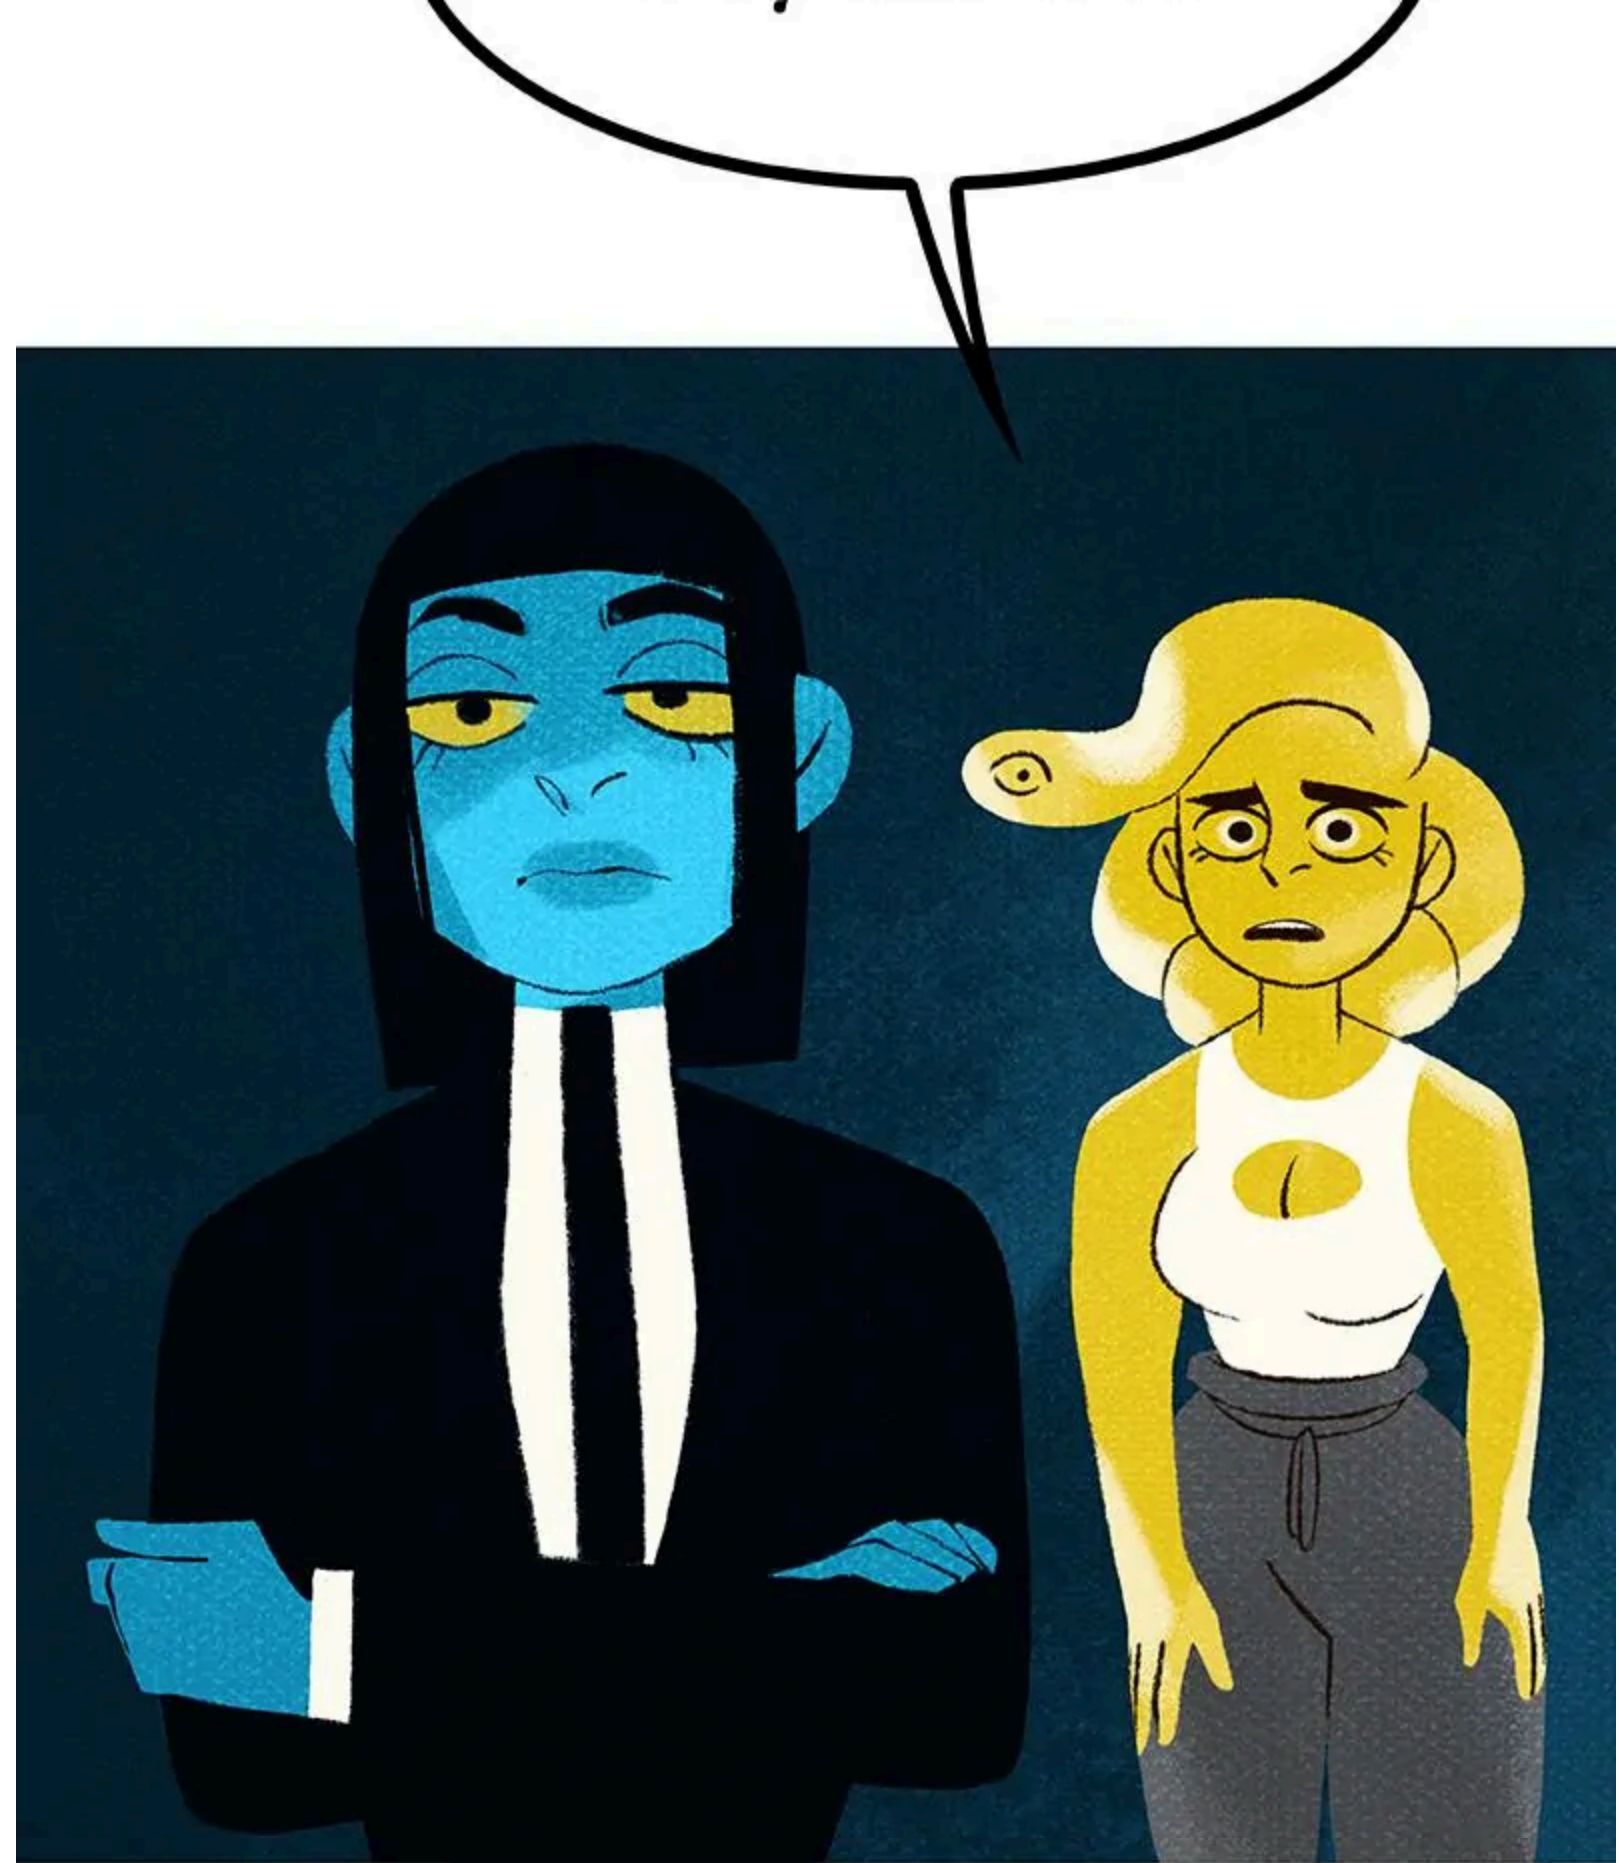

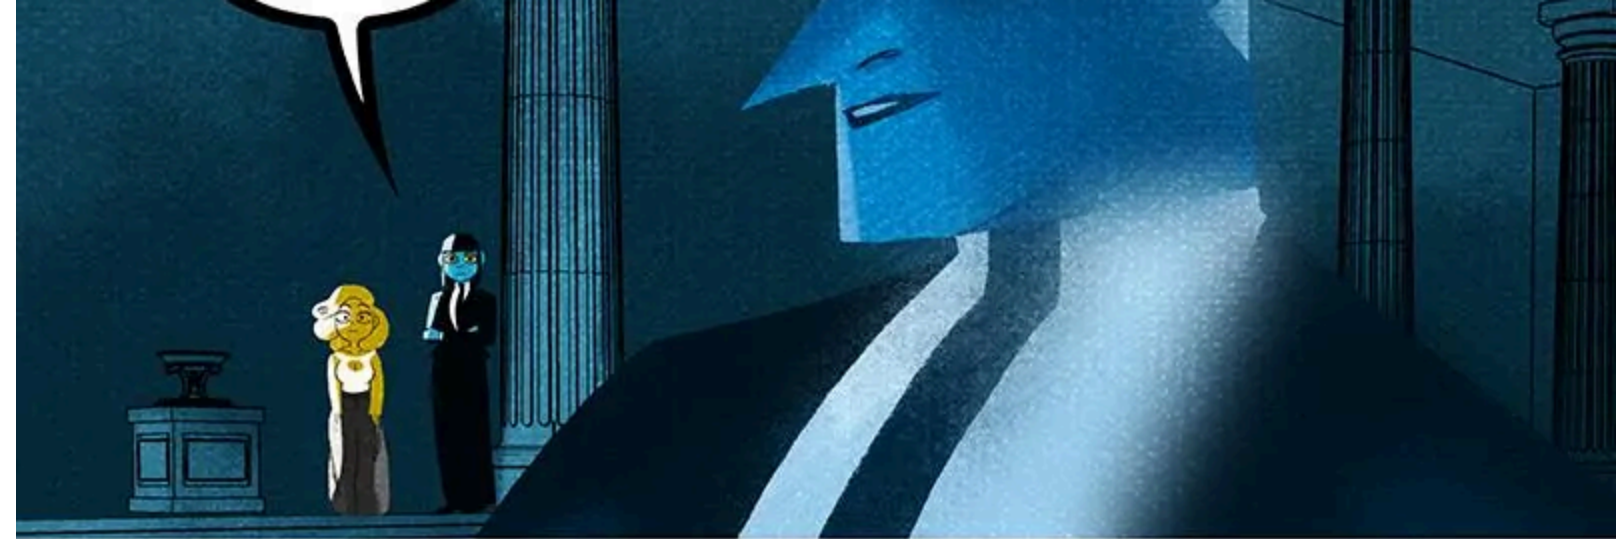

Is anyone  
okay with this?

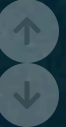

Not really, but we're simply  
running out of time.

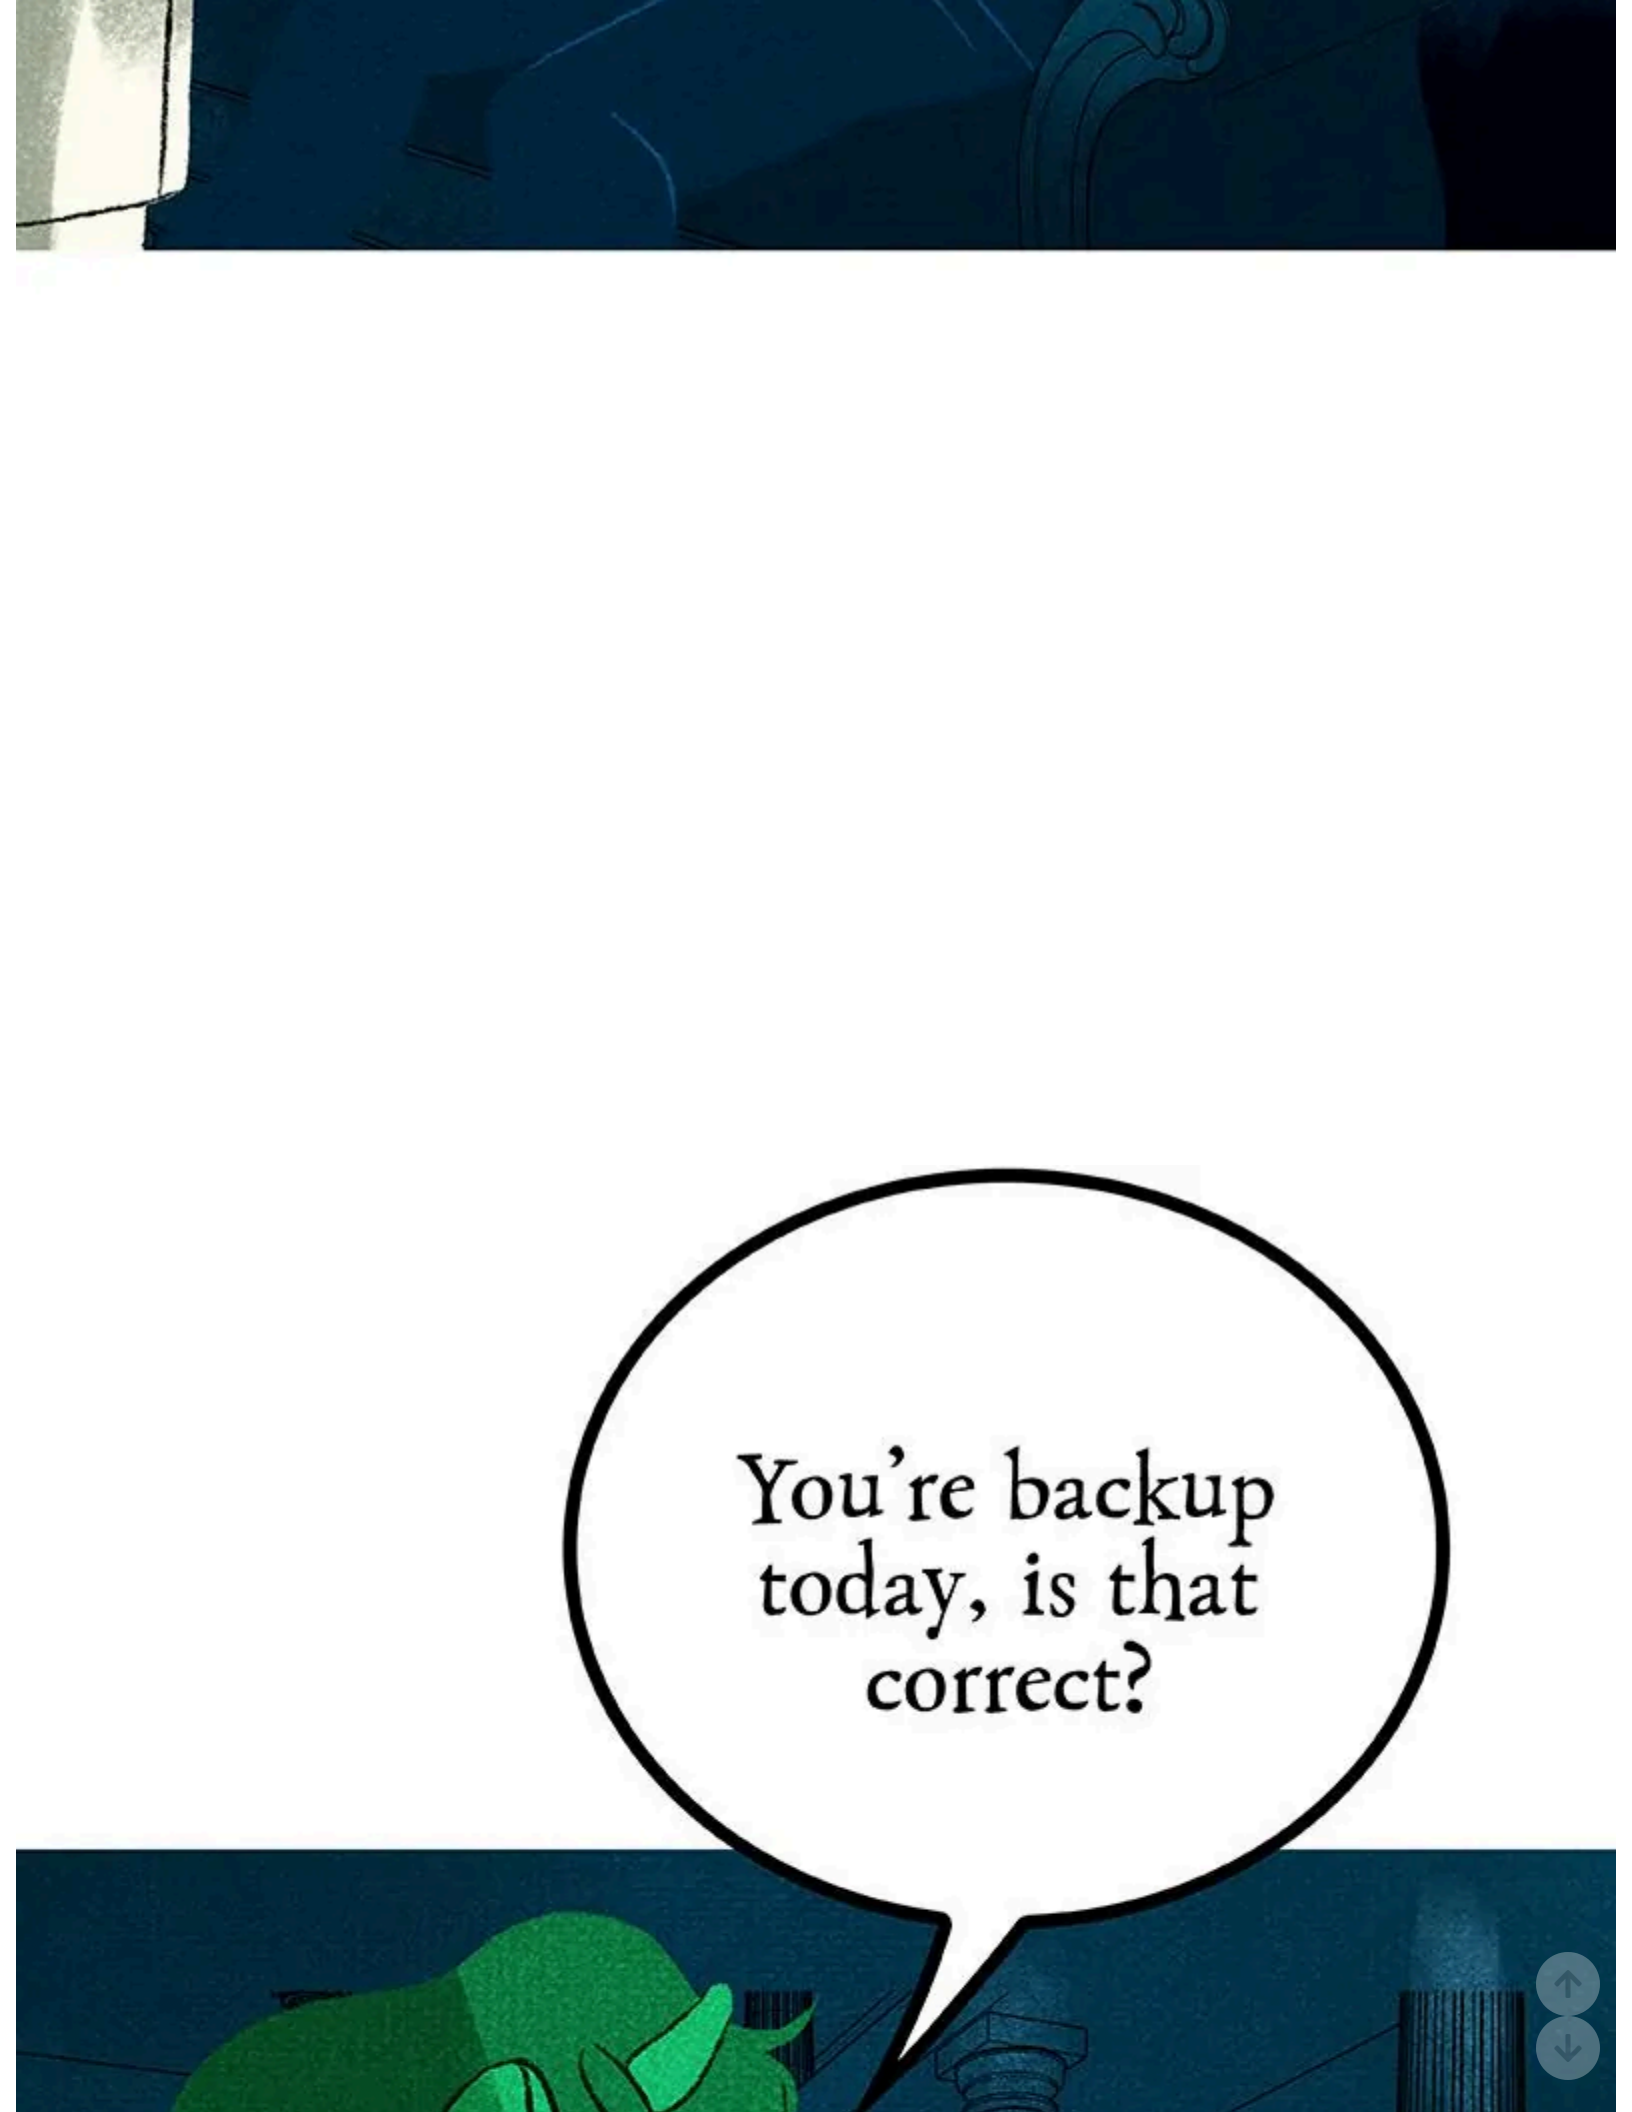

Still, something  
about this doesn't  
feel right.

You're backup  
today, is that  
correct?

Yes, if anything  
goes wrong, I'll  
join the sleep

Join the sleep  
dive.

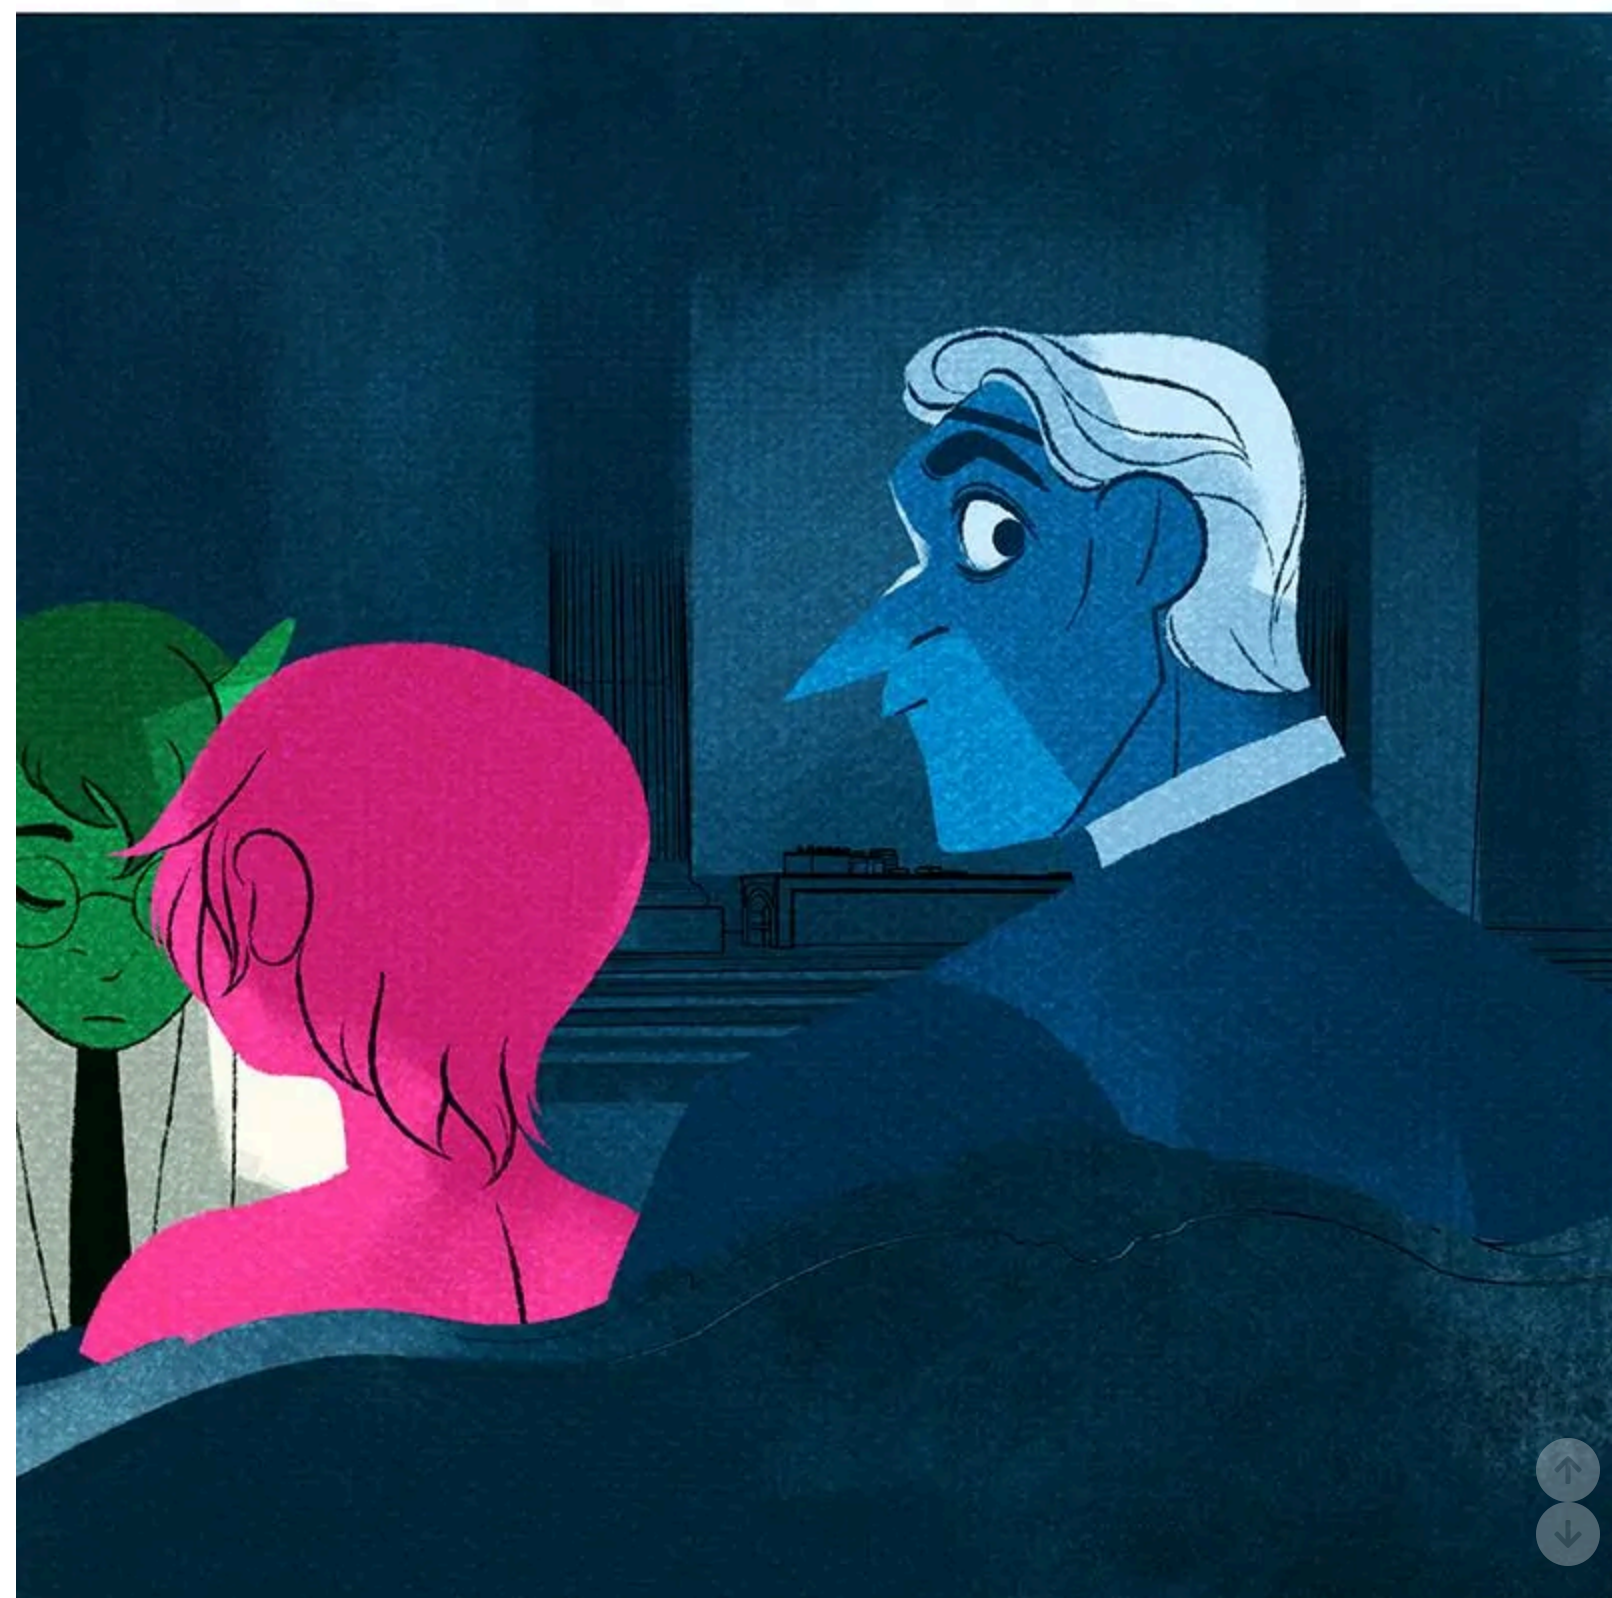

Then I'll need  
a sample from  
you as well.

Make way, coming  
through.

Are you ready?

As ready as I'll  
ever be.

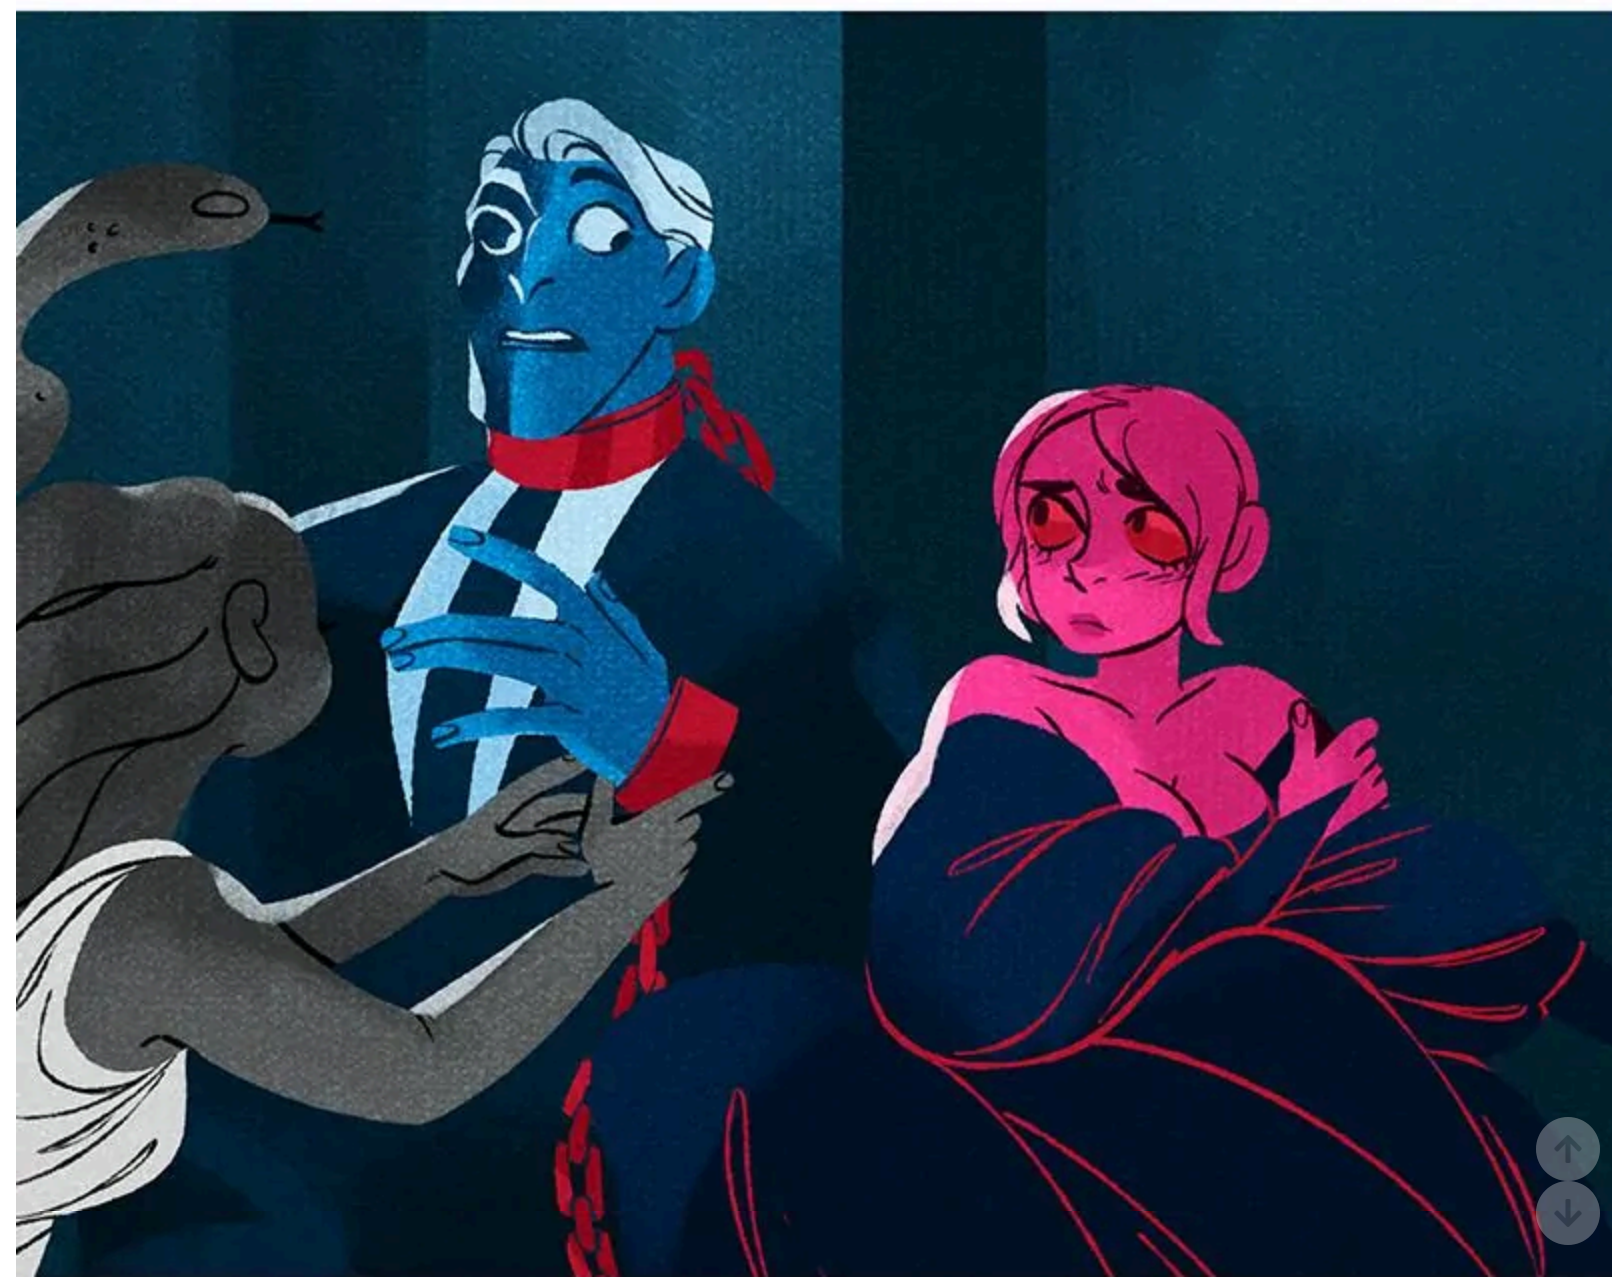

It's just a  
precaution.

Page 1 of 1

Are you sure I can't talk  
you out of this?

Of course not

Of course not.

Look, I'm only  
going to say  
this once.

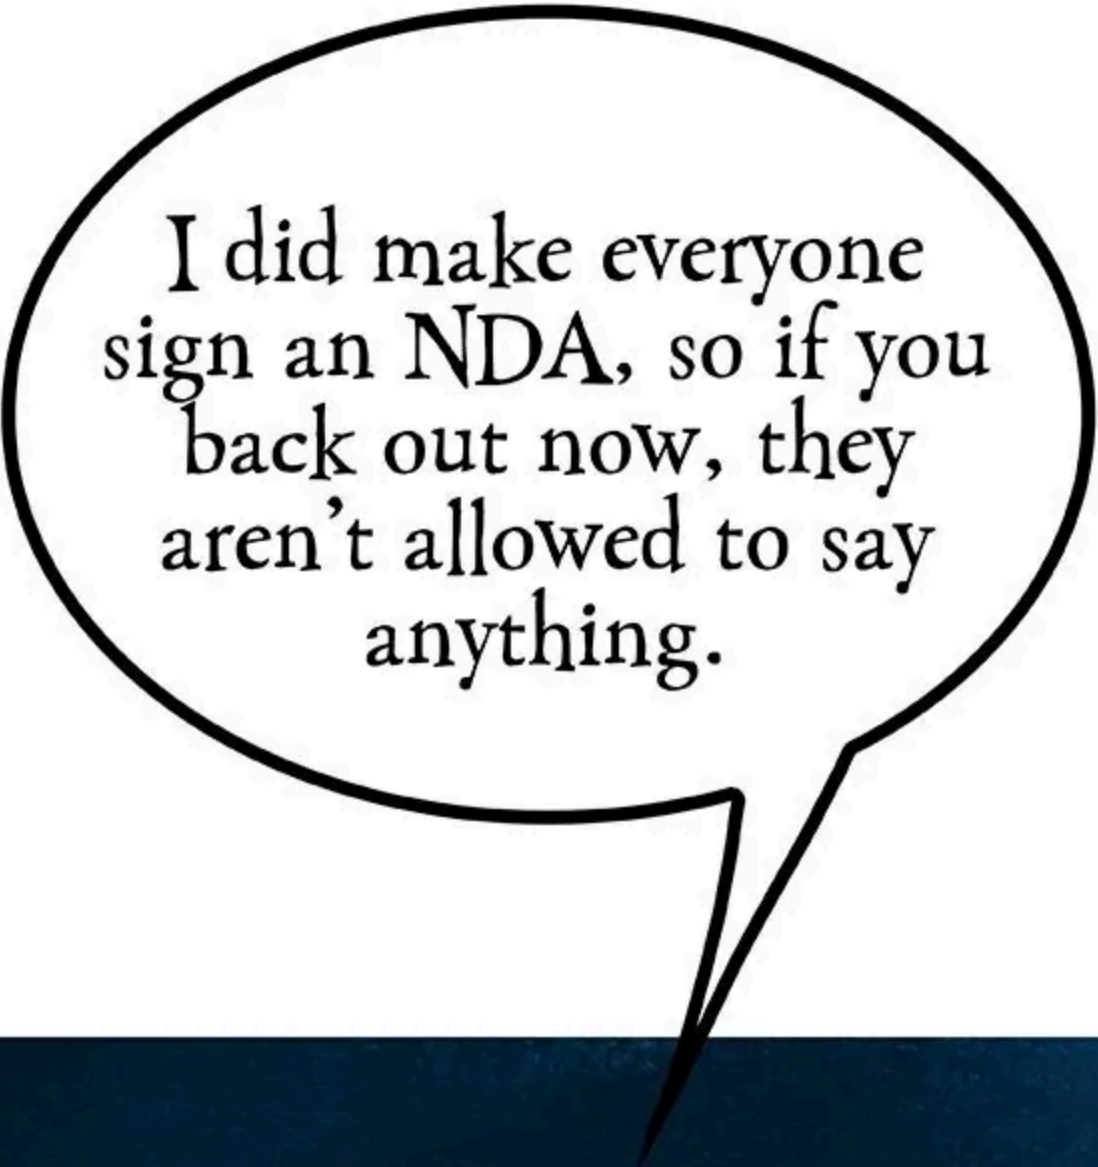

I've known you since  
you were a dot, and I

love you.

I can see you want to do this to help everyone, but I want you to know that nobody here expects you to do this.

I did make everyone  
sign an NDA, so if you  
back out now, they  
aren't allowed to say  
anything.

I love you, too.

Oh!

You're here!

Can I possibly talk  
*you* out of this?

For the last time, I've  
got this.

Alright then

Might then.

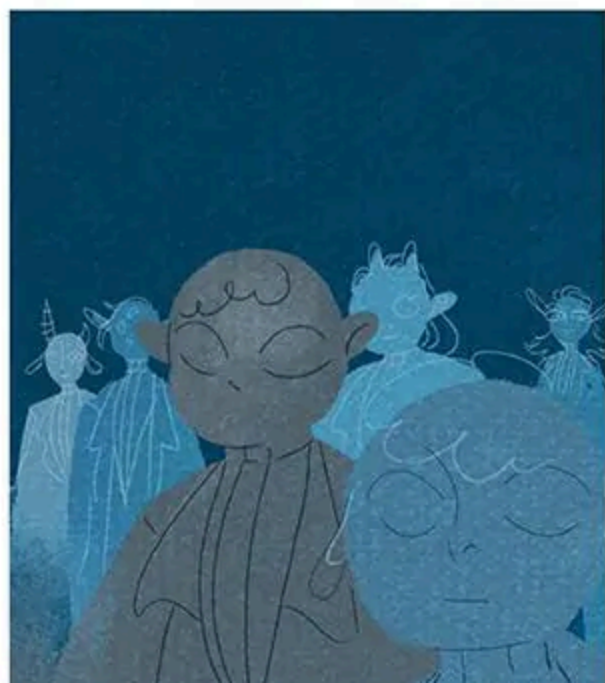

Can I get your  
attention, everyone!

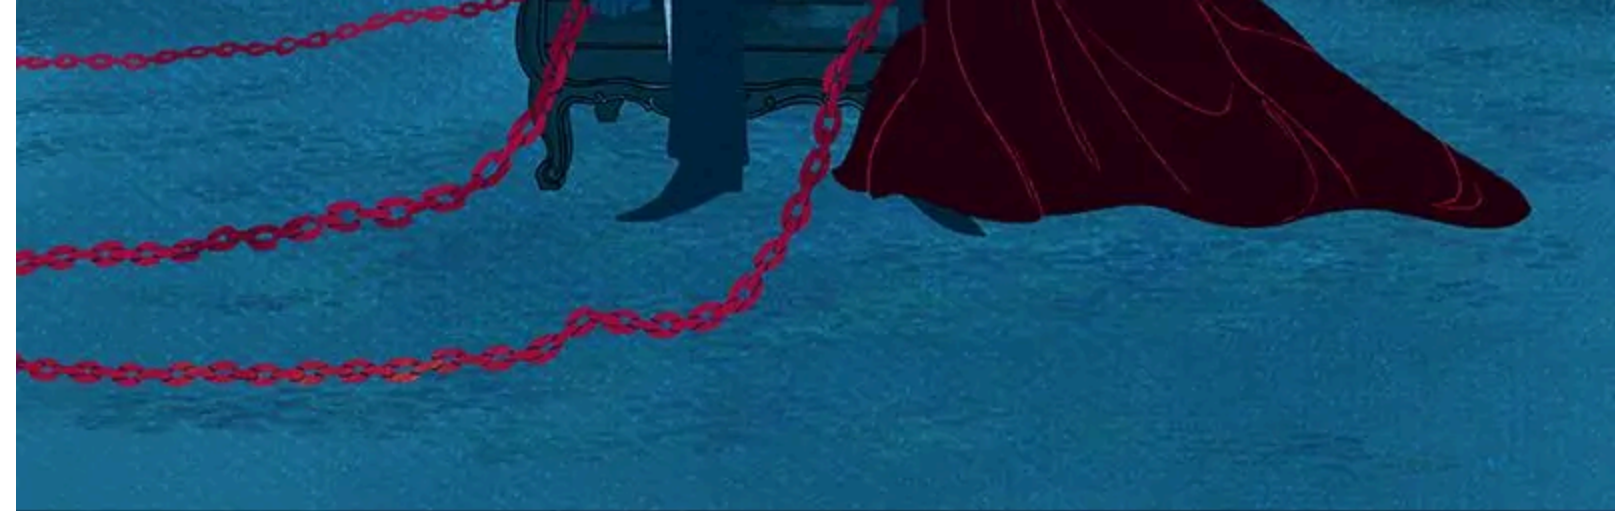

It's time for us to begin.

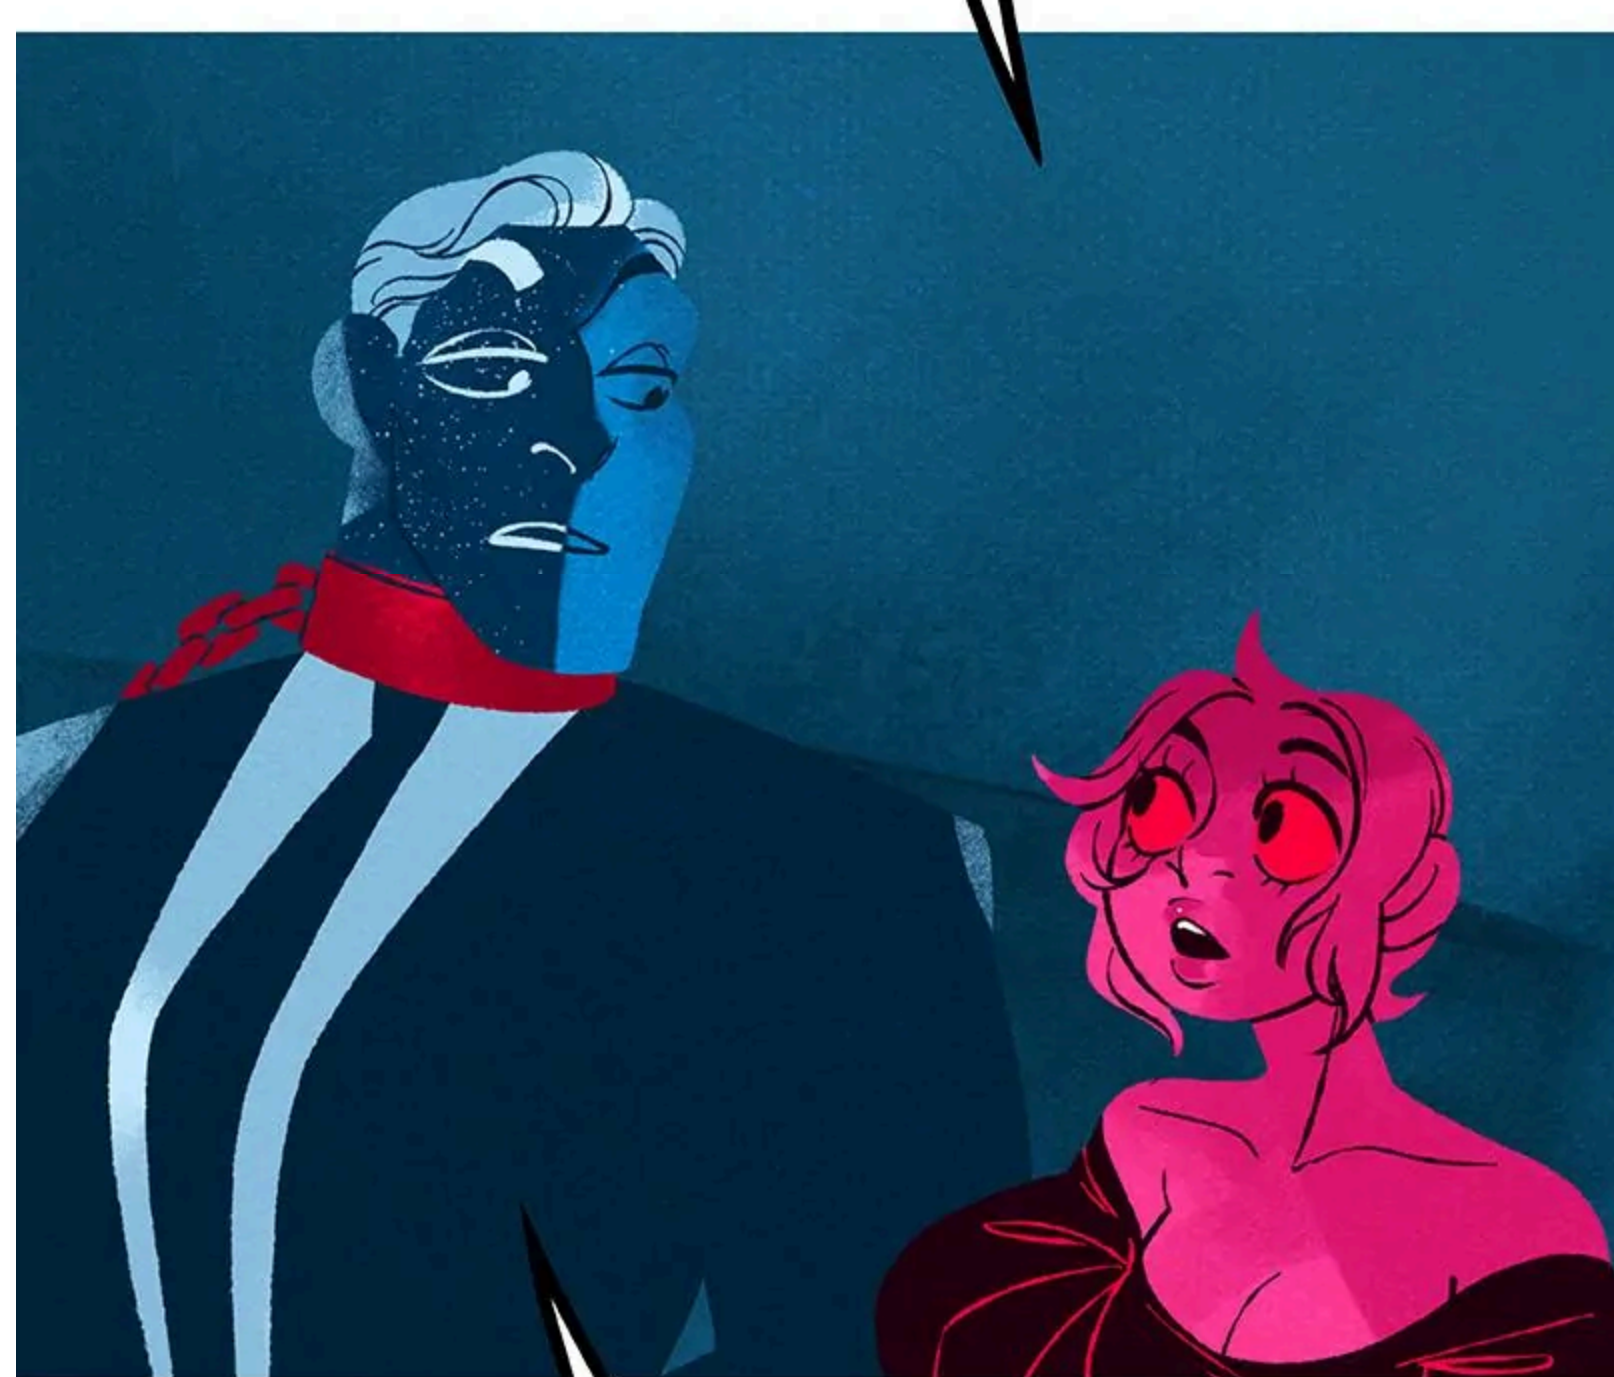

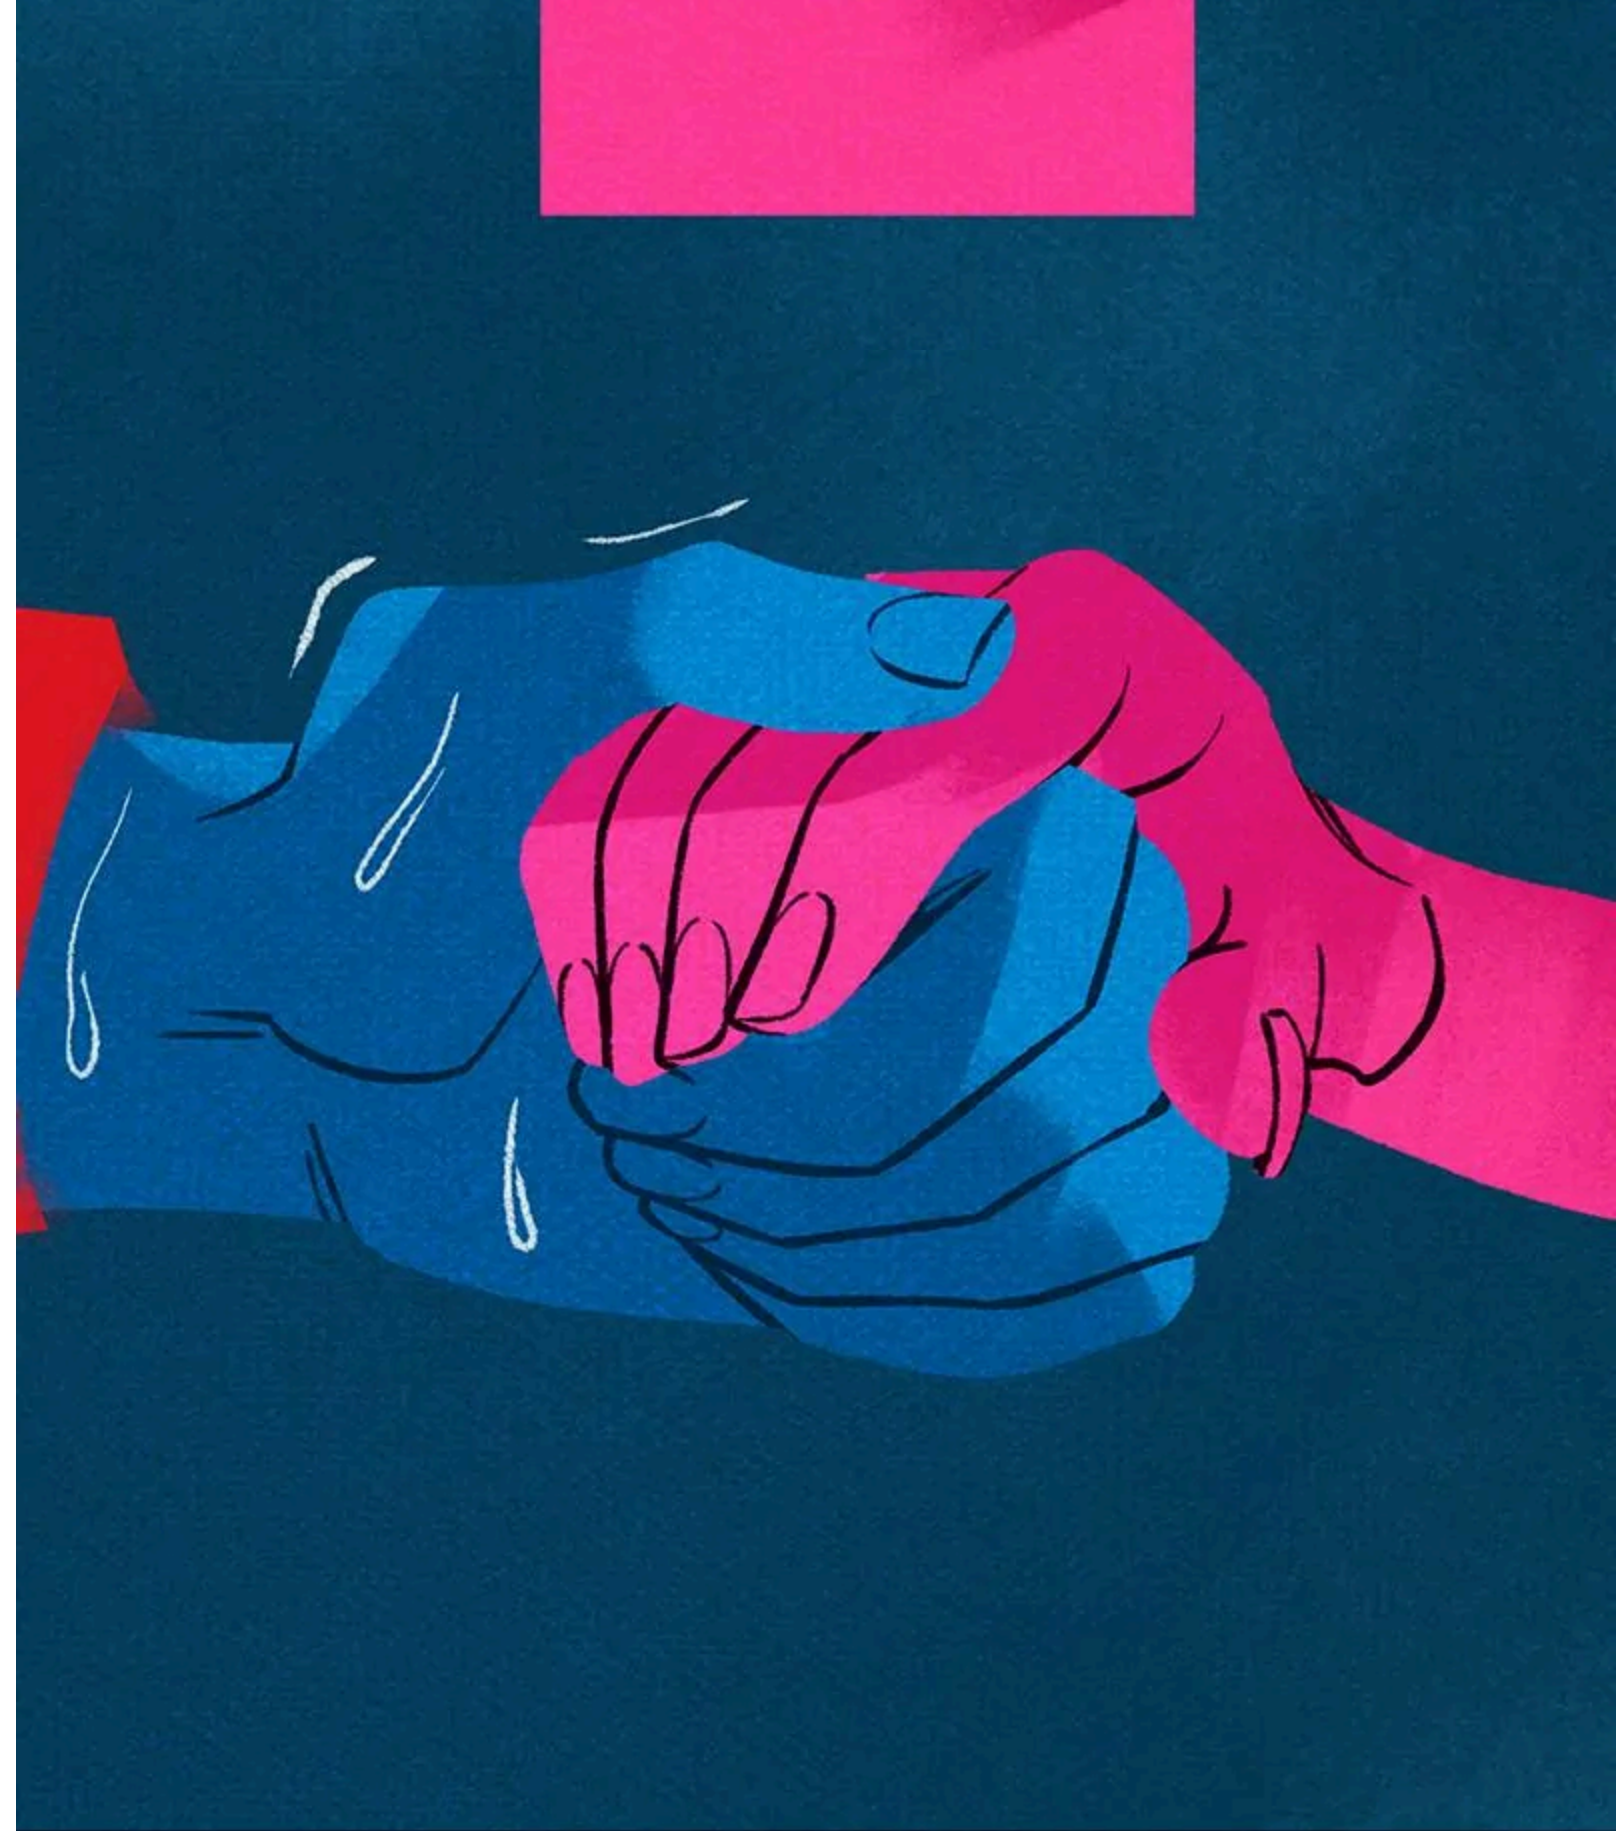

How are you feeling?

I'm starting to  
feel the sedative,  
that's for sure.

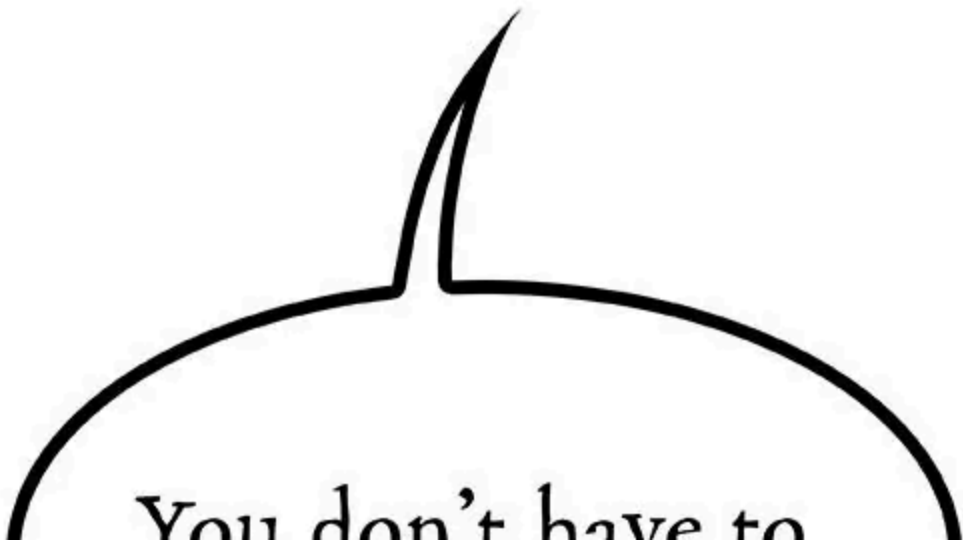

Hades...

You don't have to

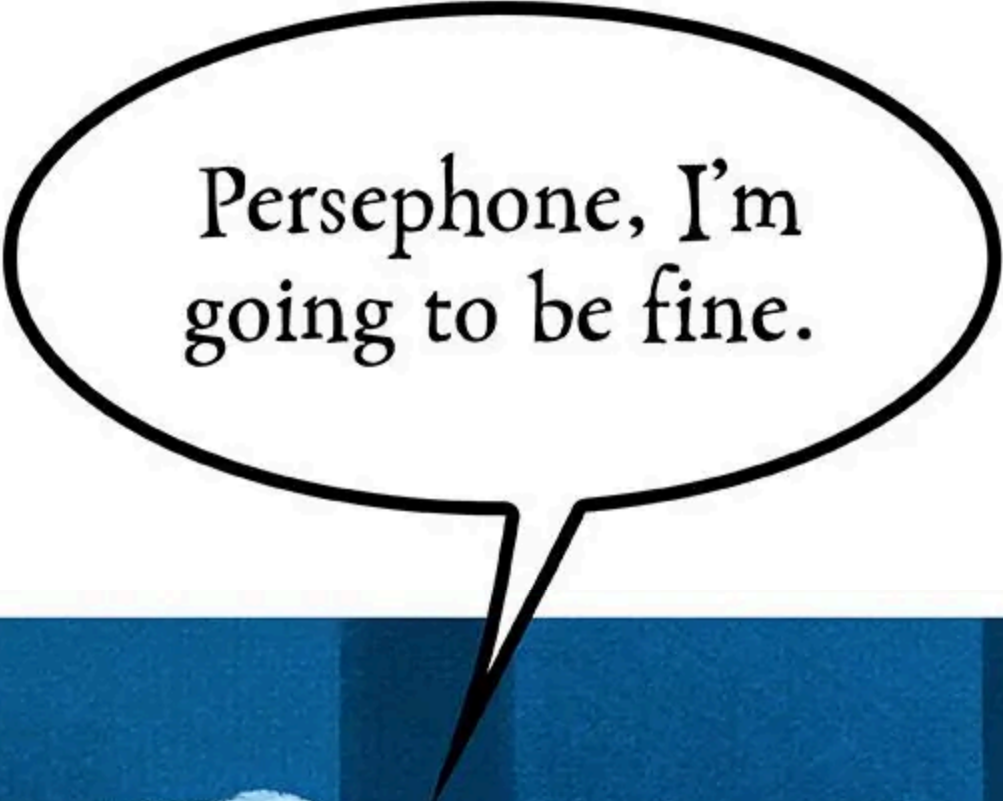

You don't have to  
do this.

Just like Hecate  
said,

we can call the whole  
thing off.

*We can go home.*

Persephone, I'm  
going to be fine.

Are you ready?

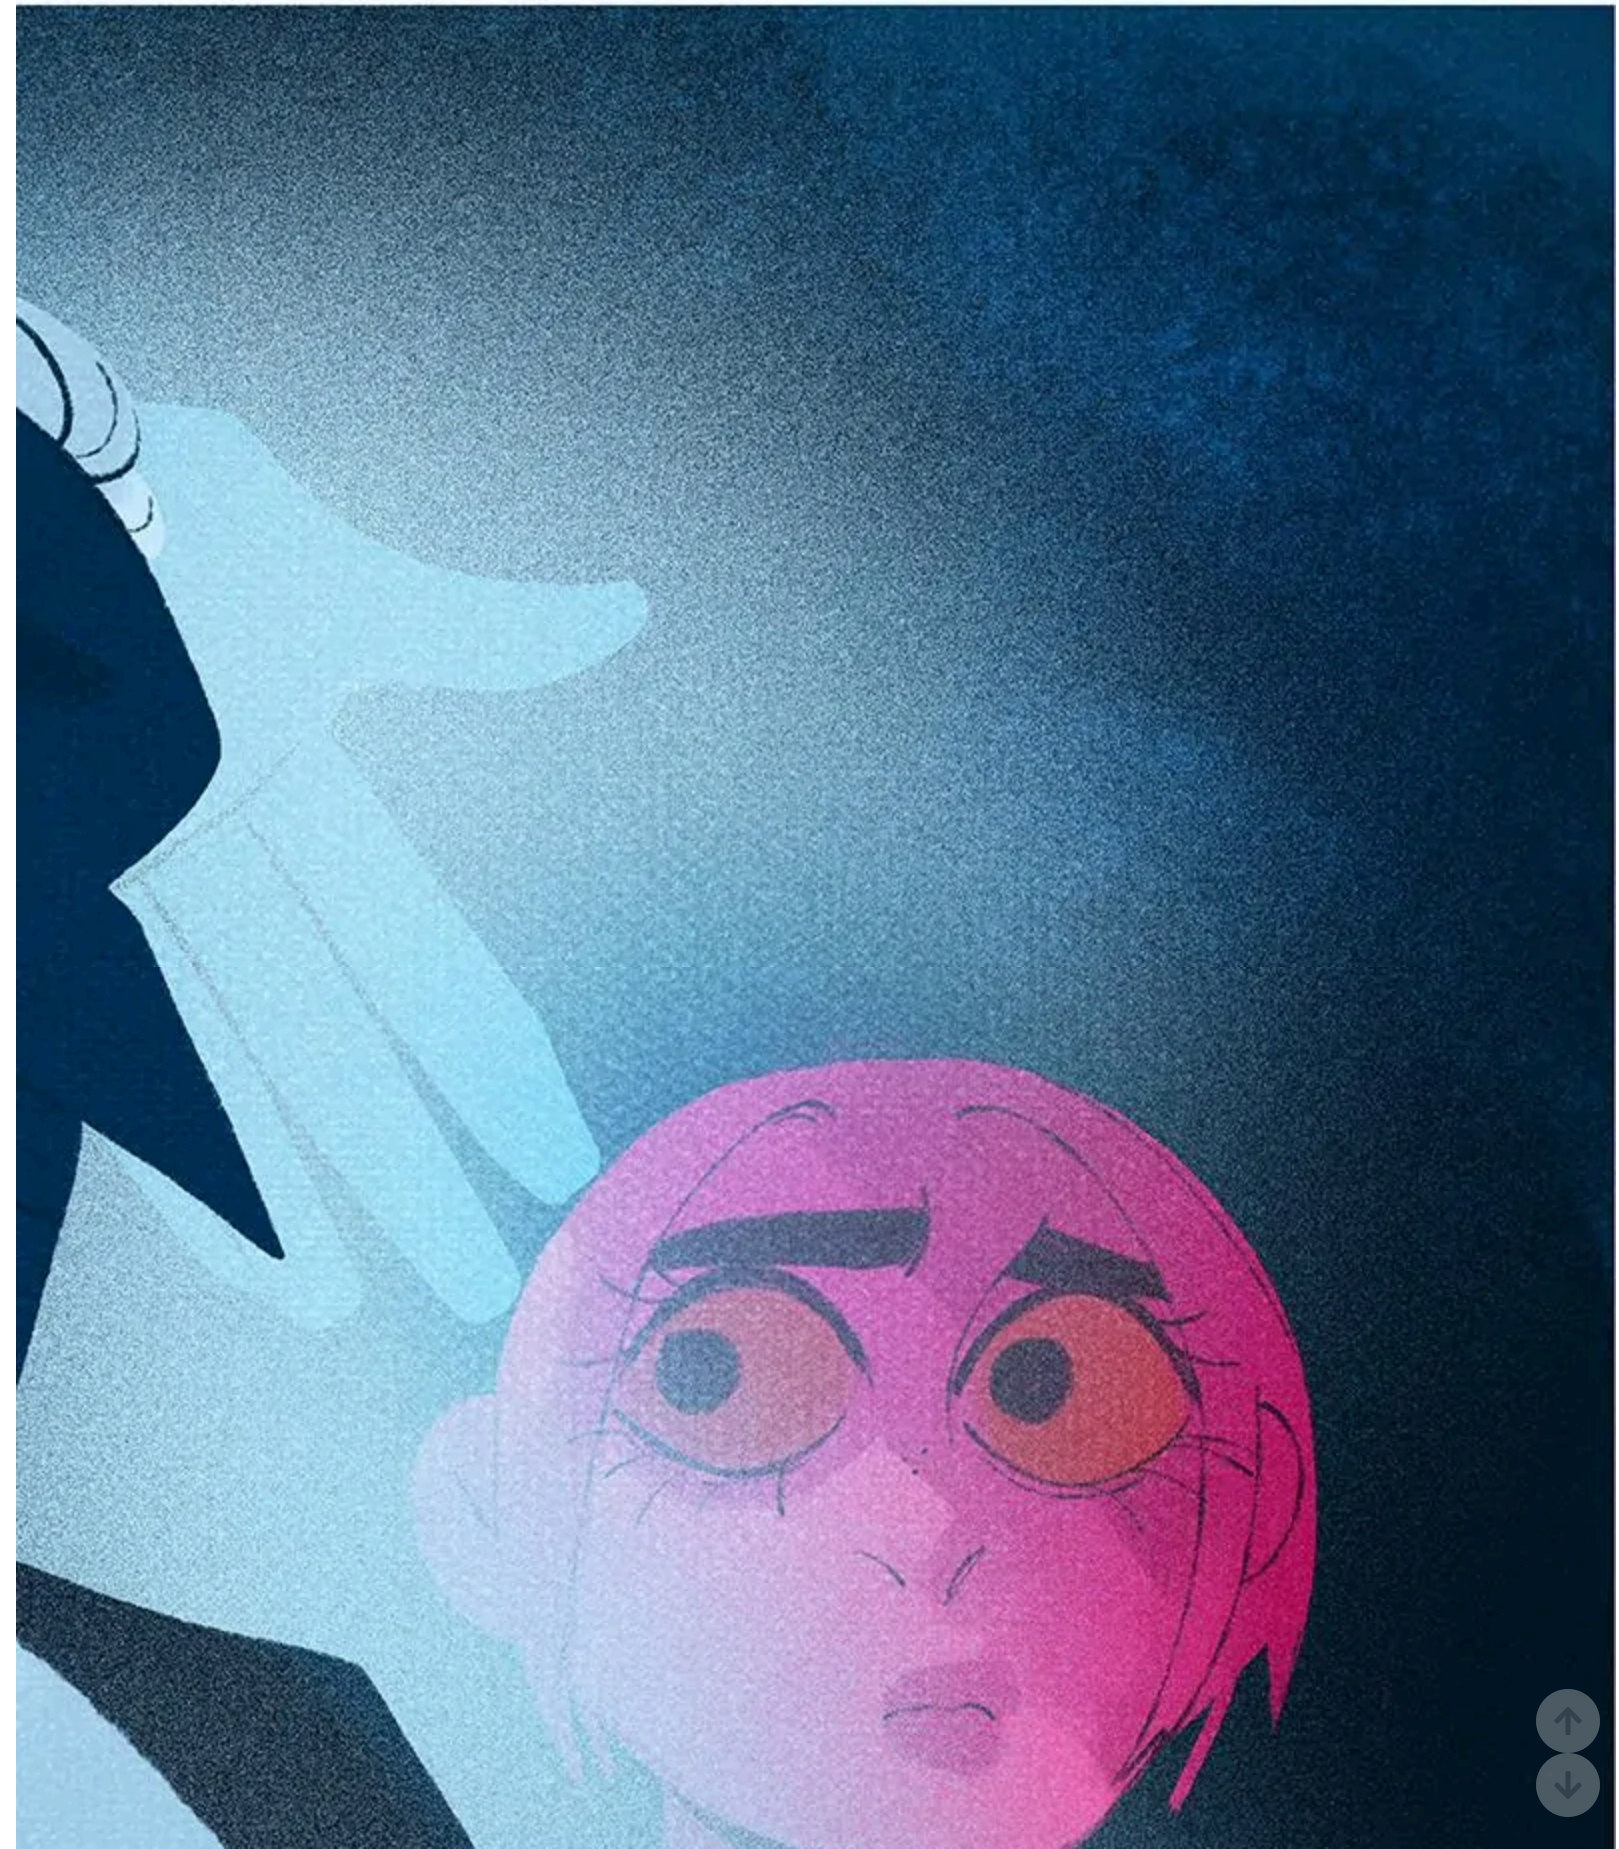

Yes, go ahead.

*Aaand we're  
running down*

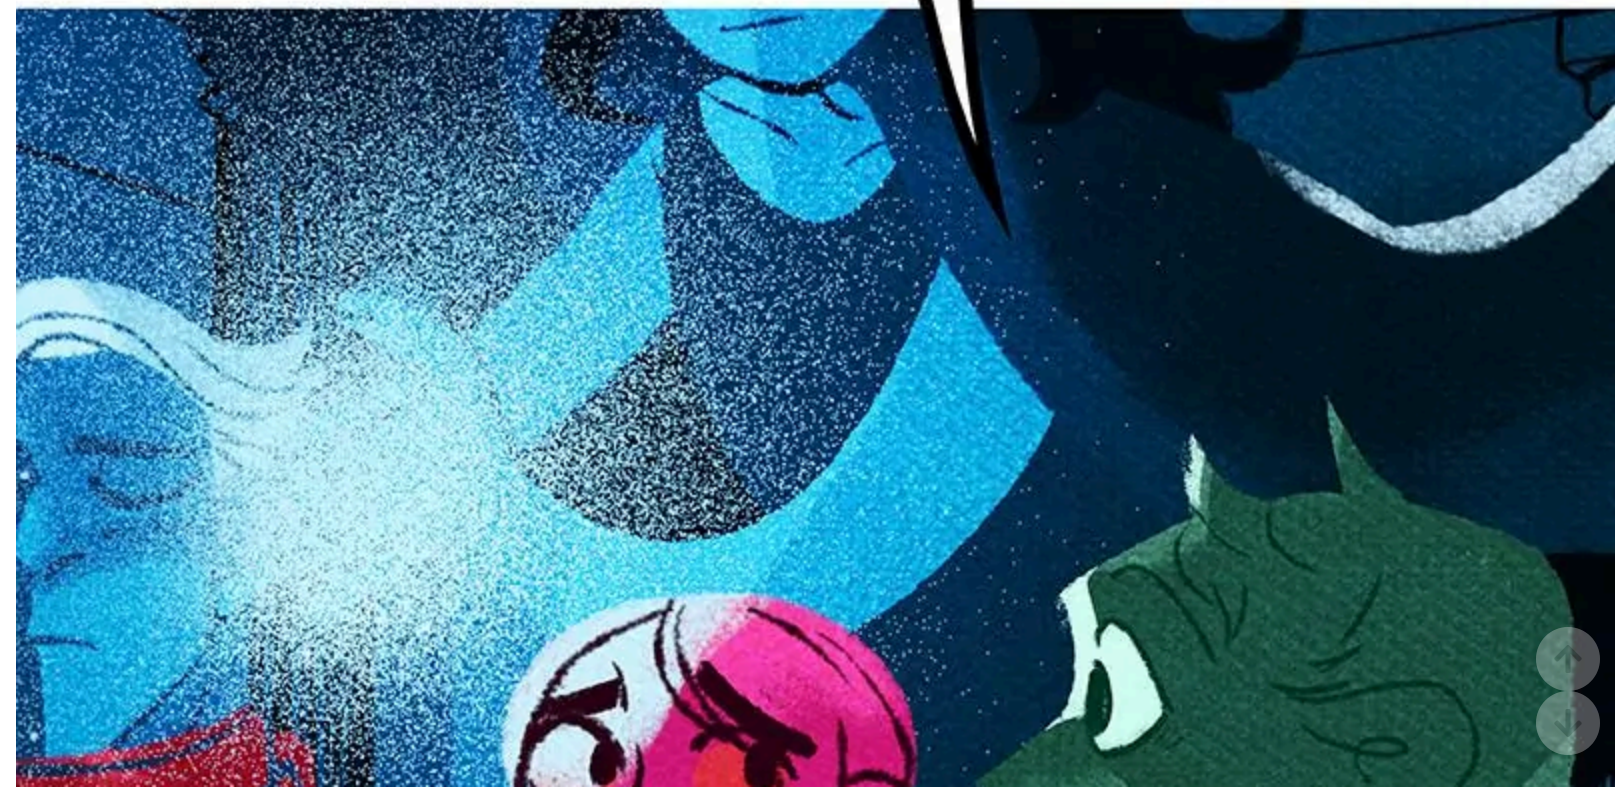

counting down.

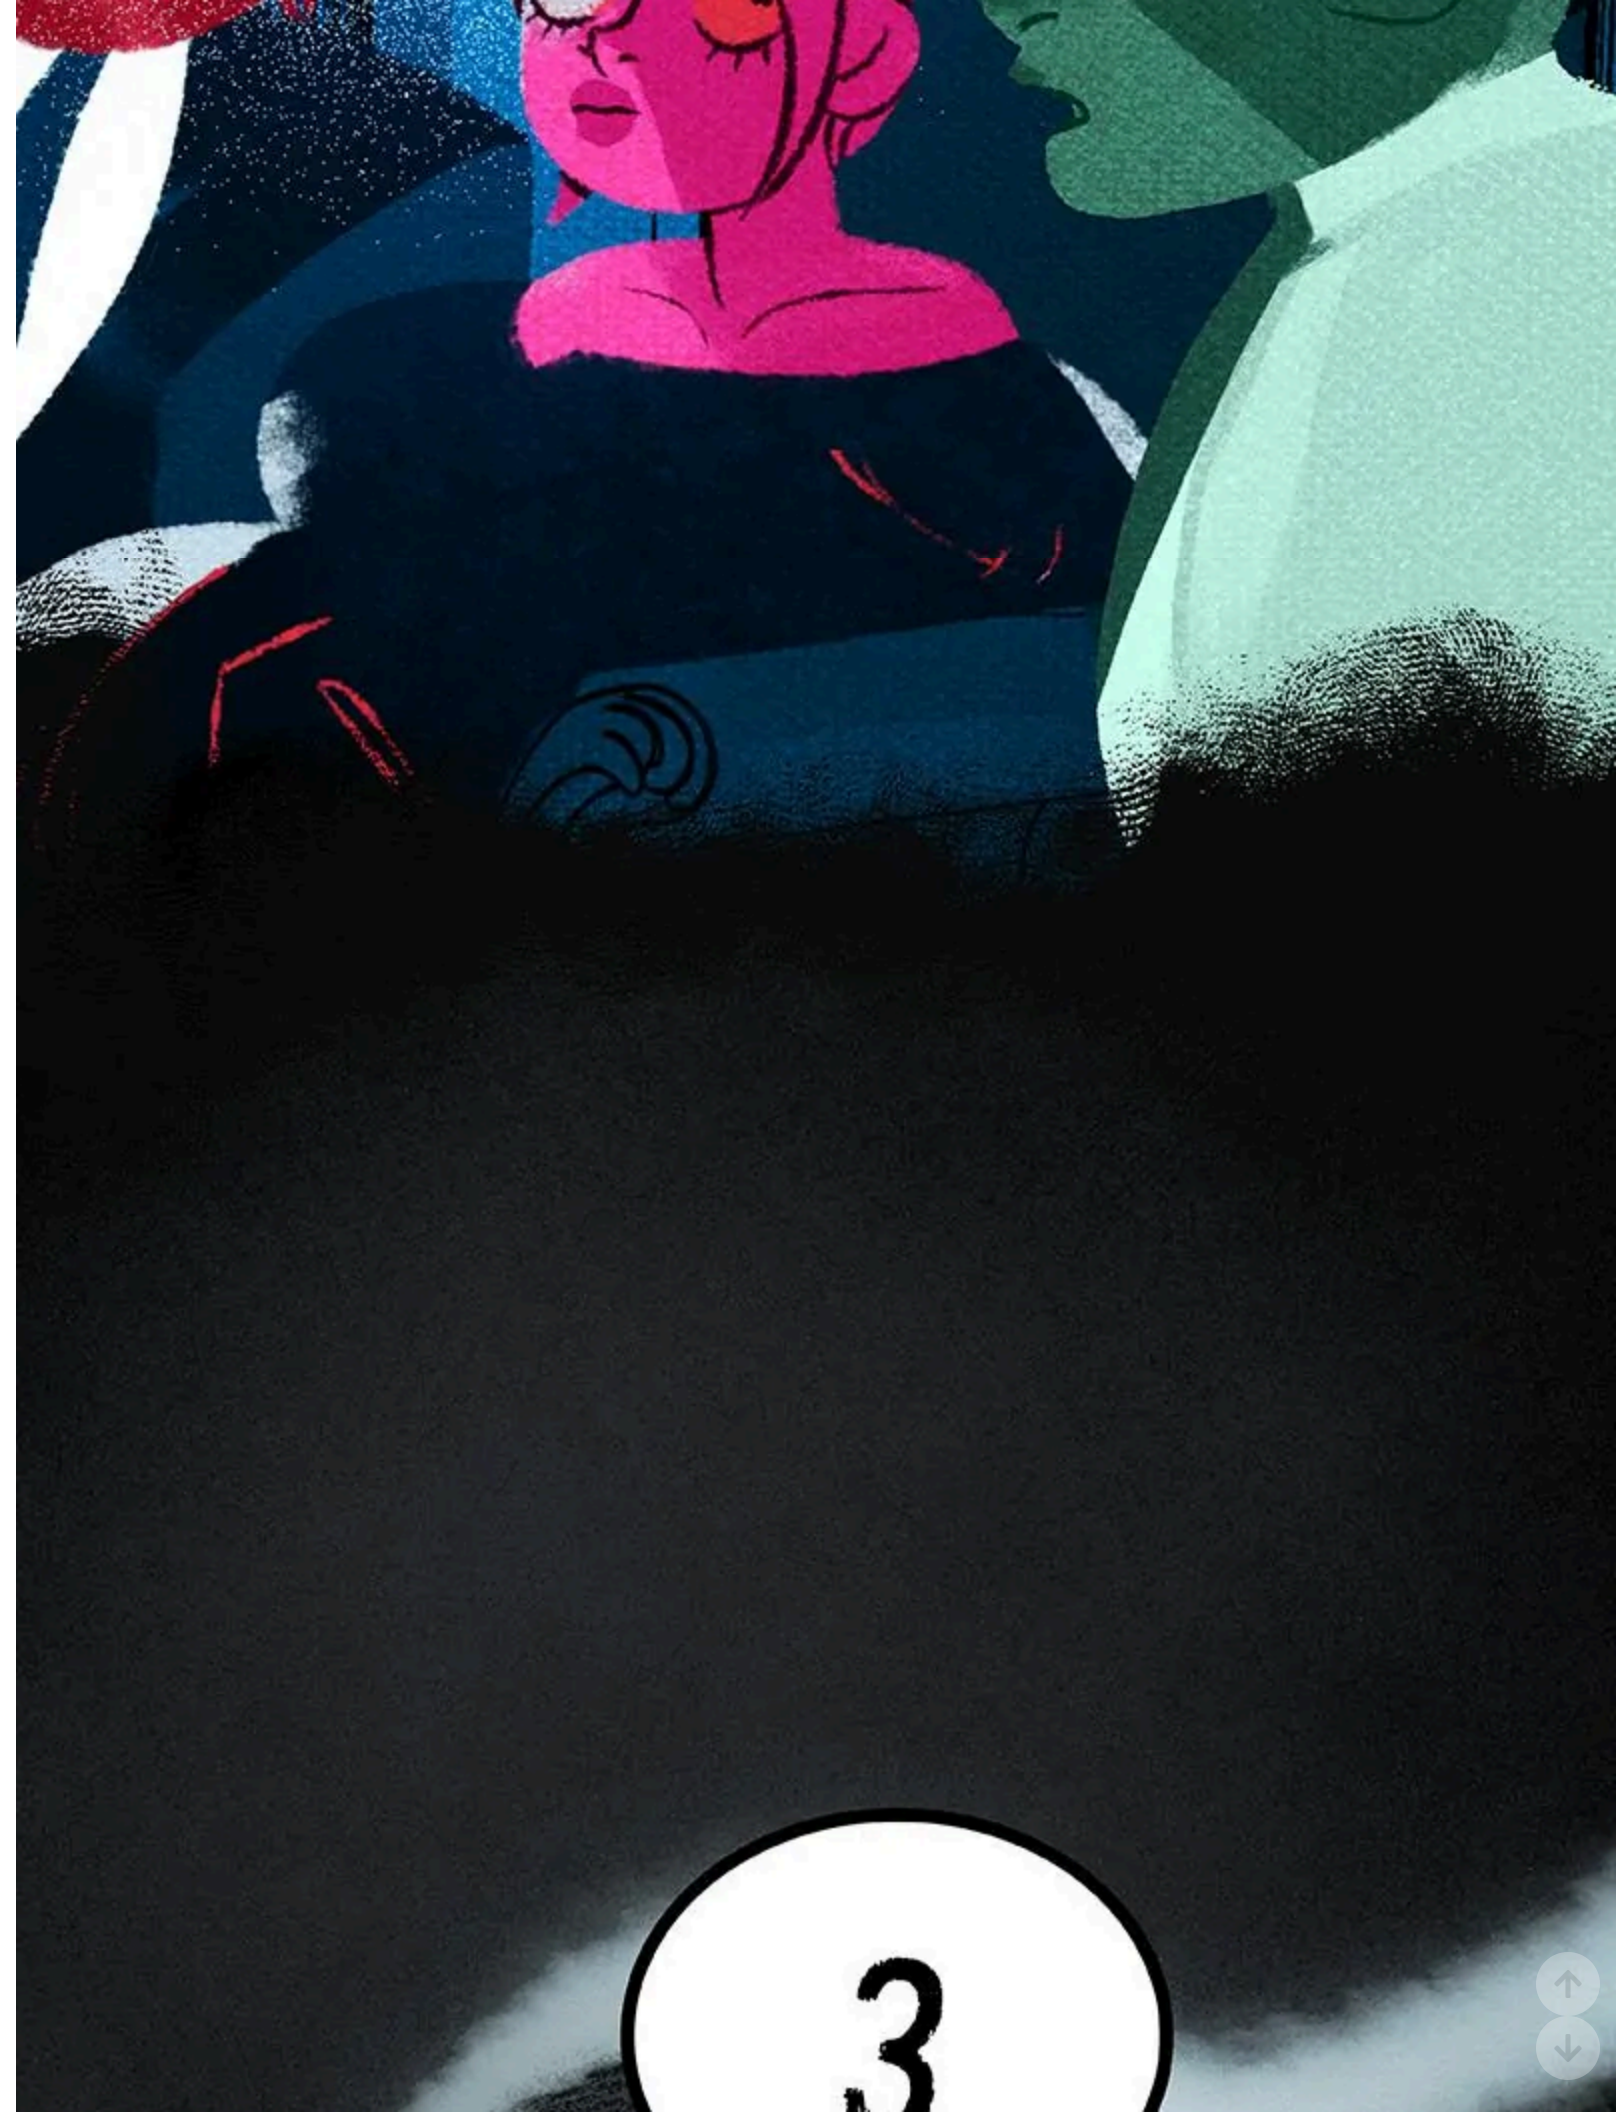

Your Majesty, you  
need to let go.

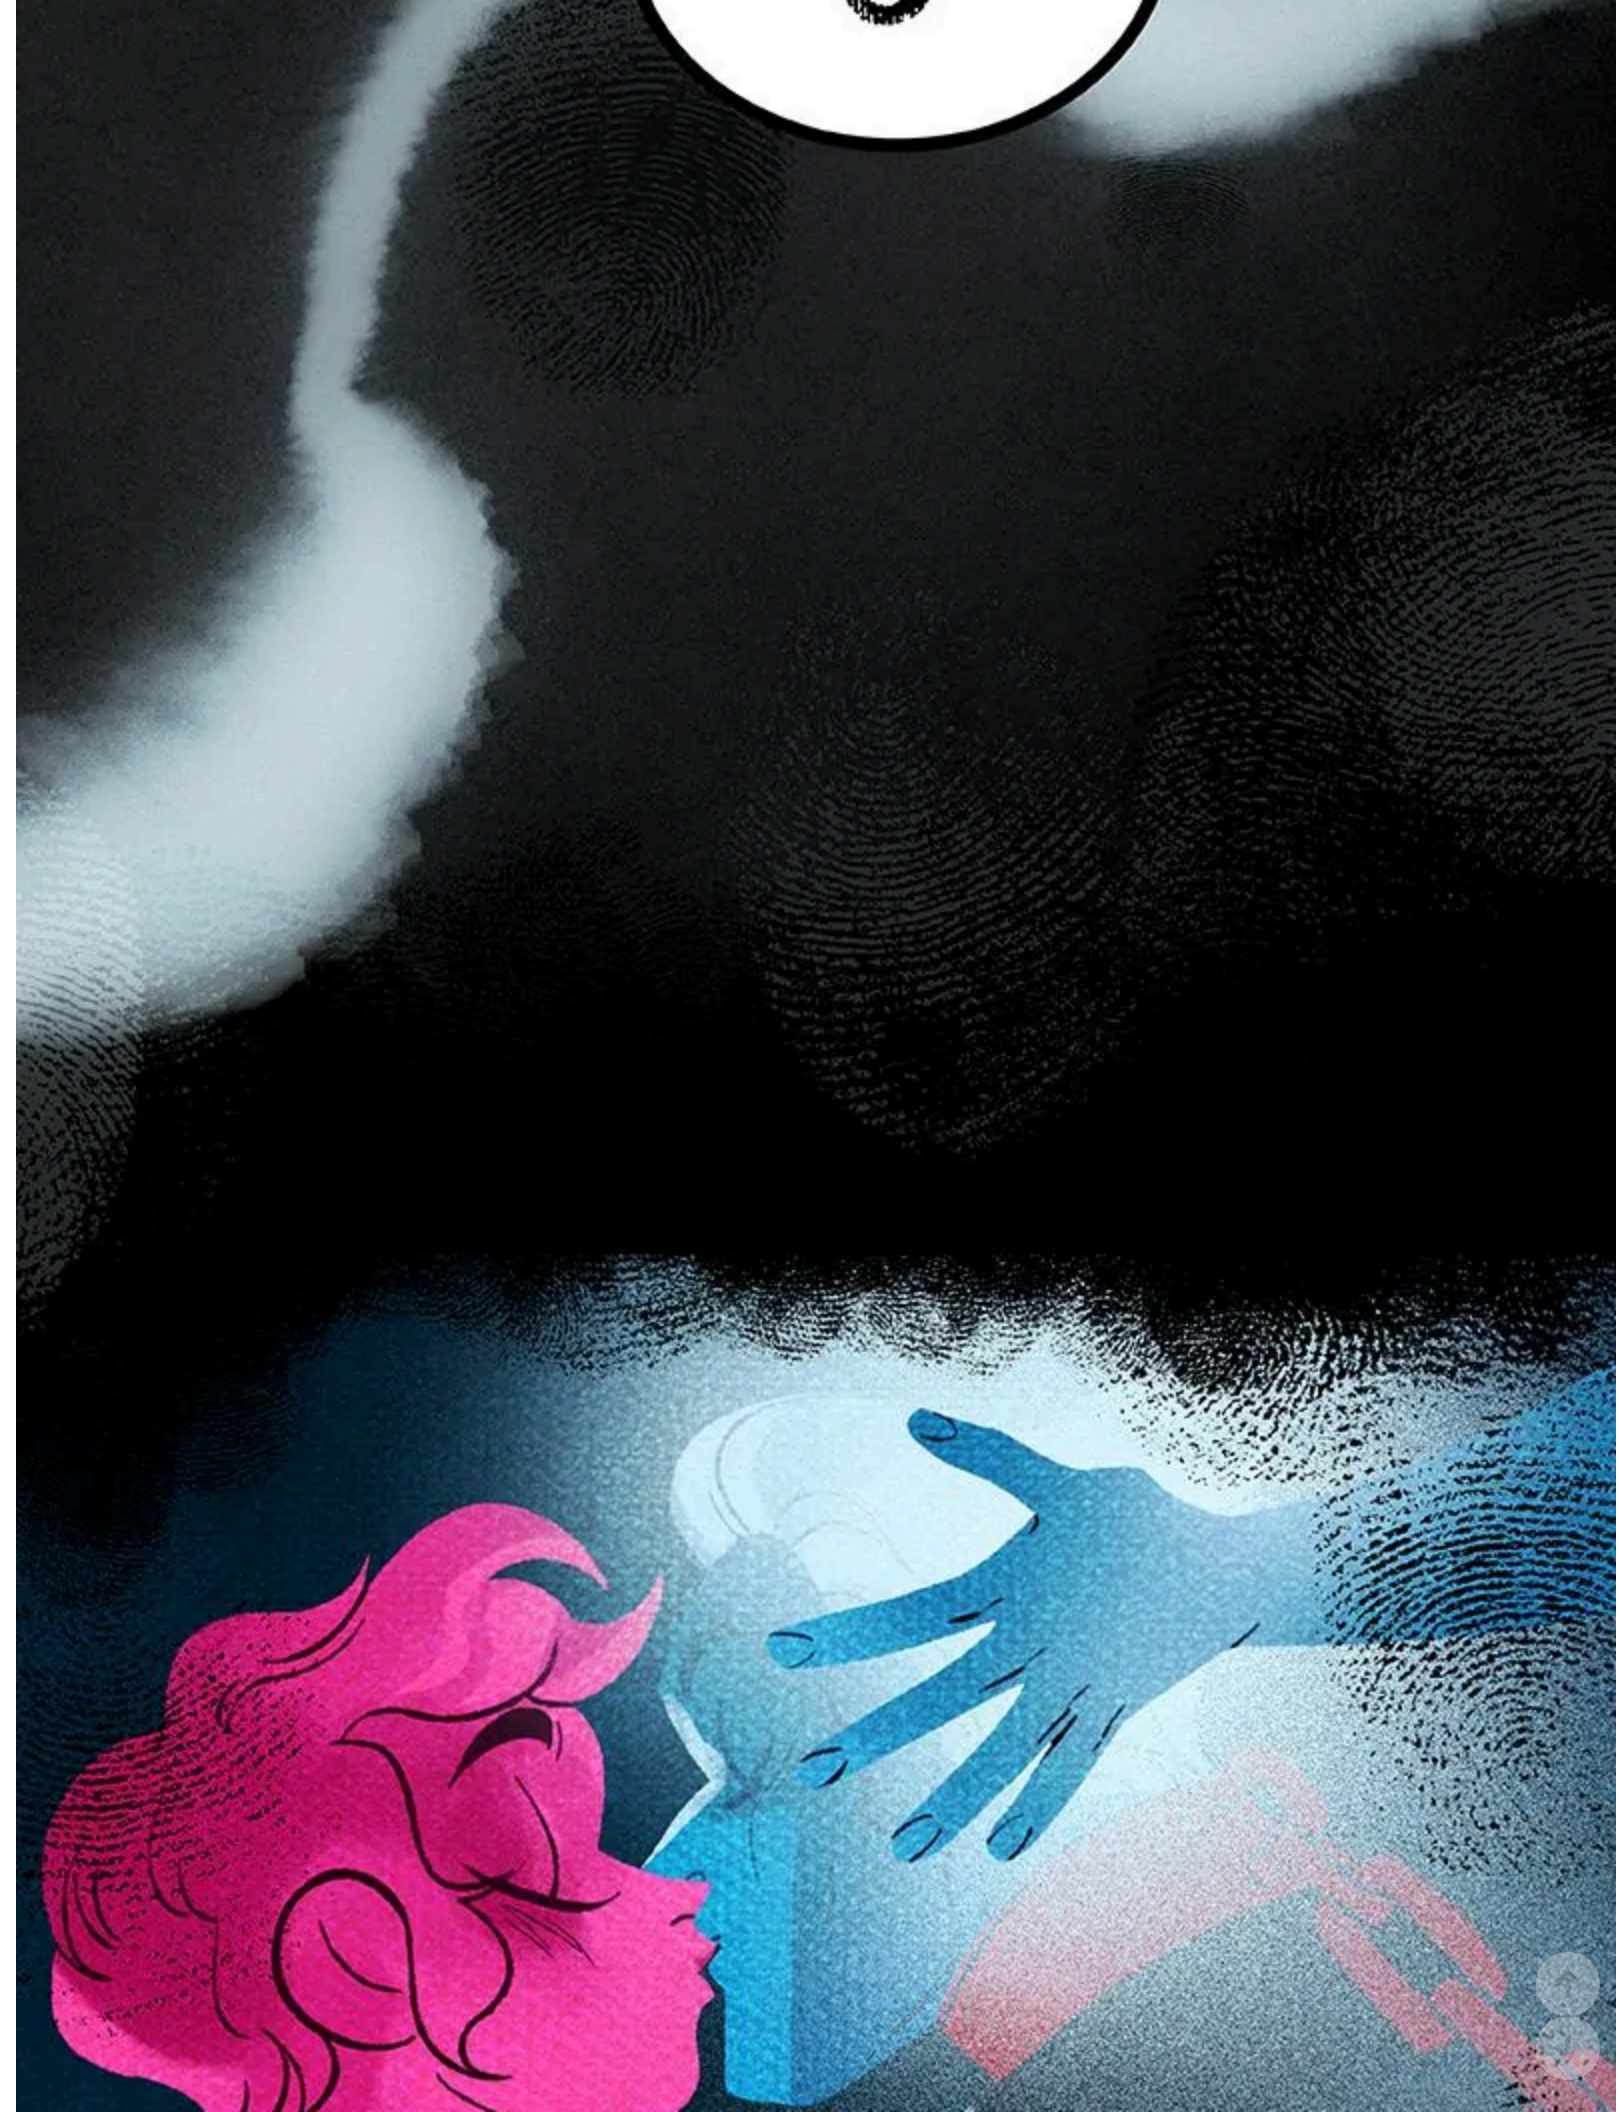

3

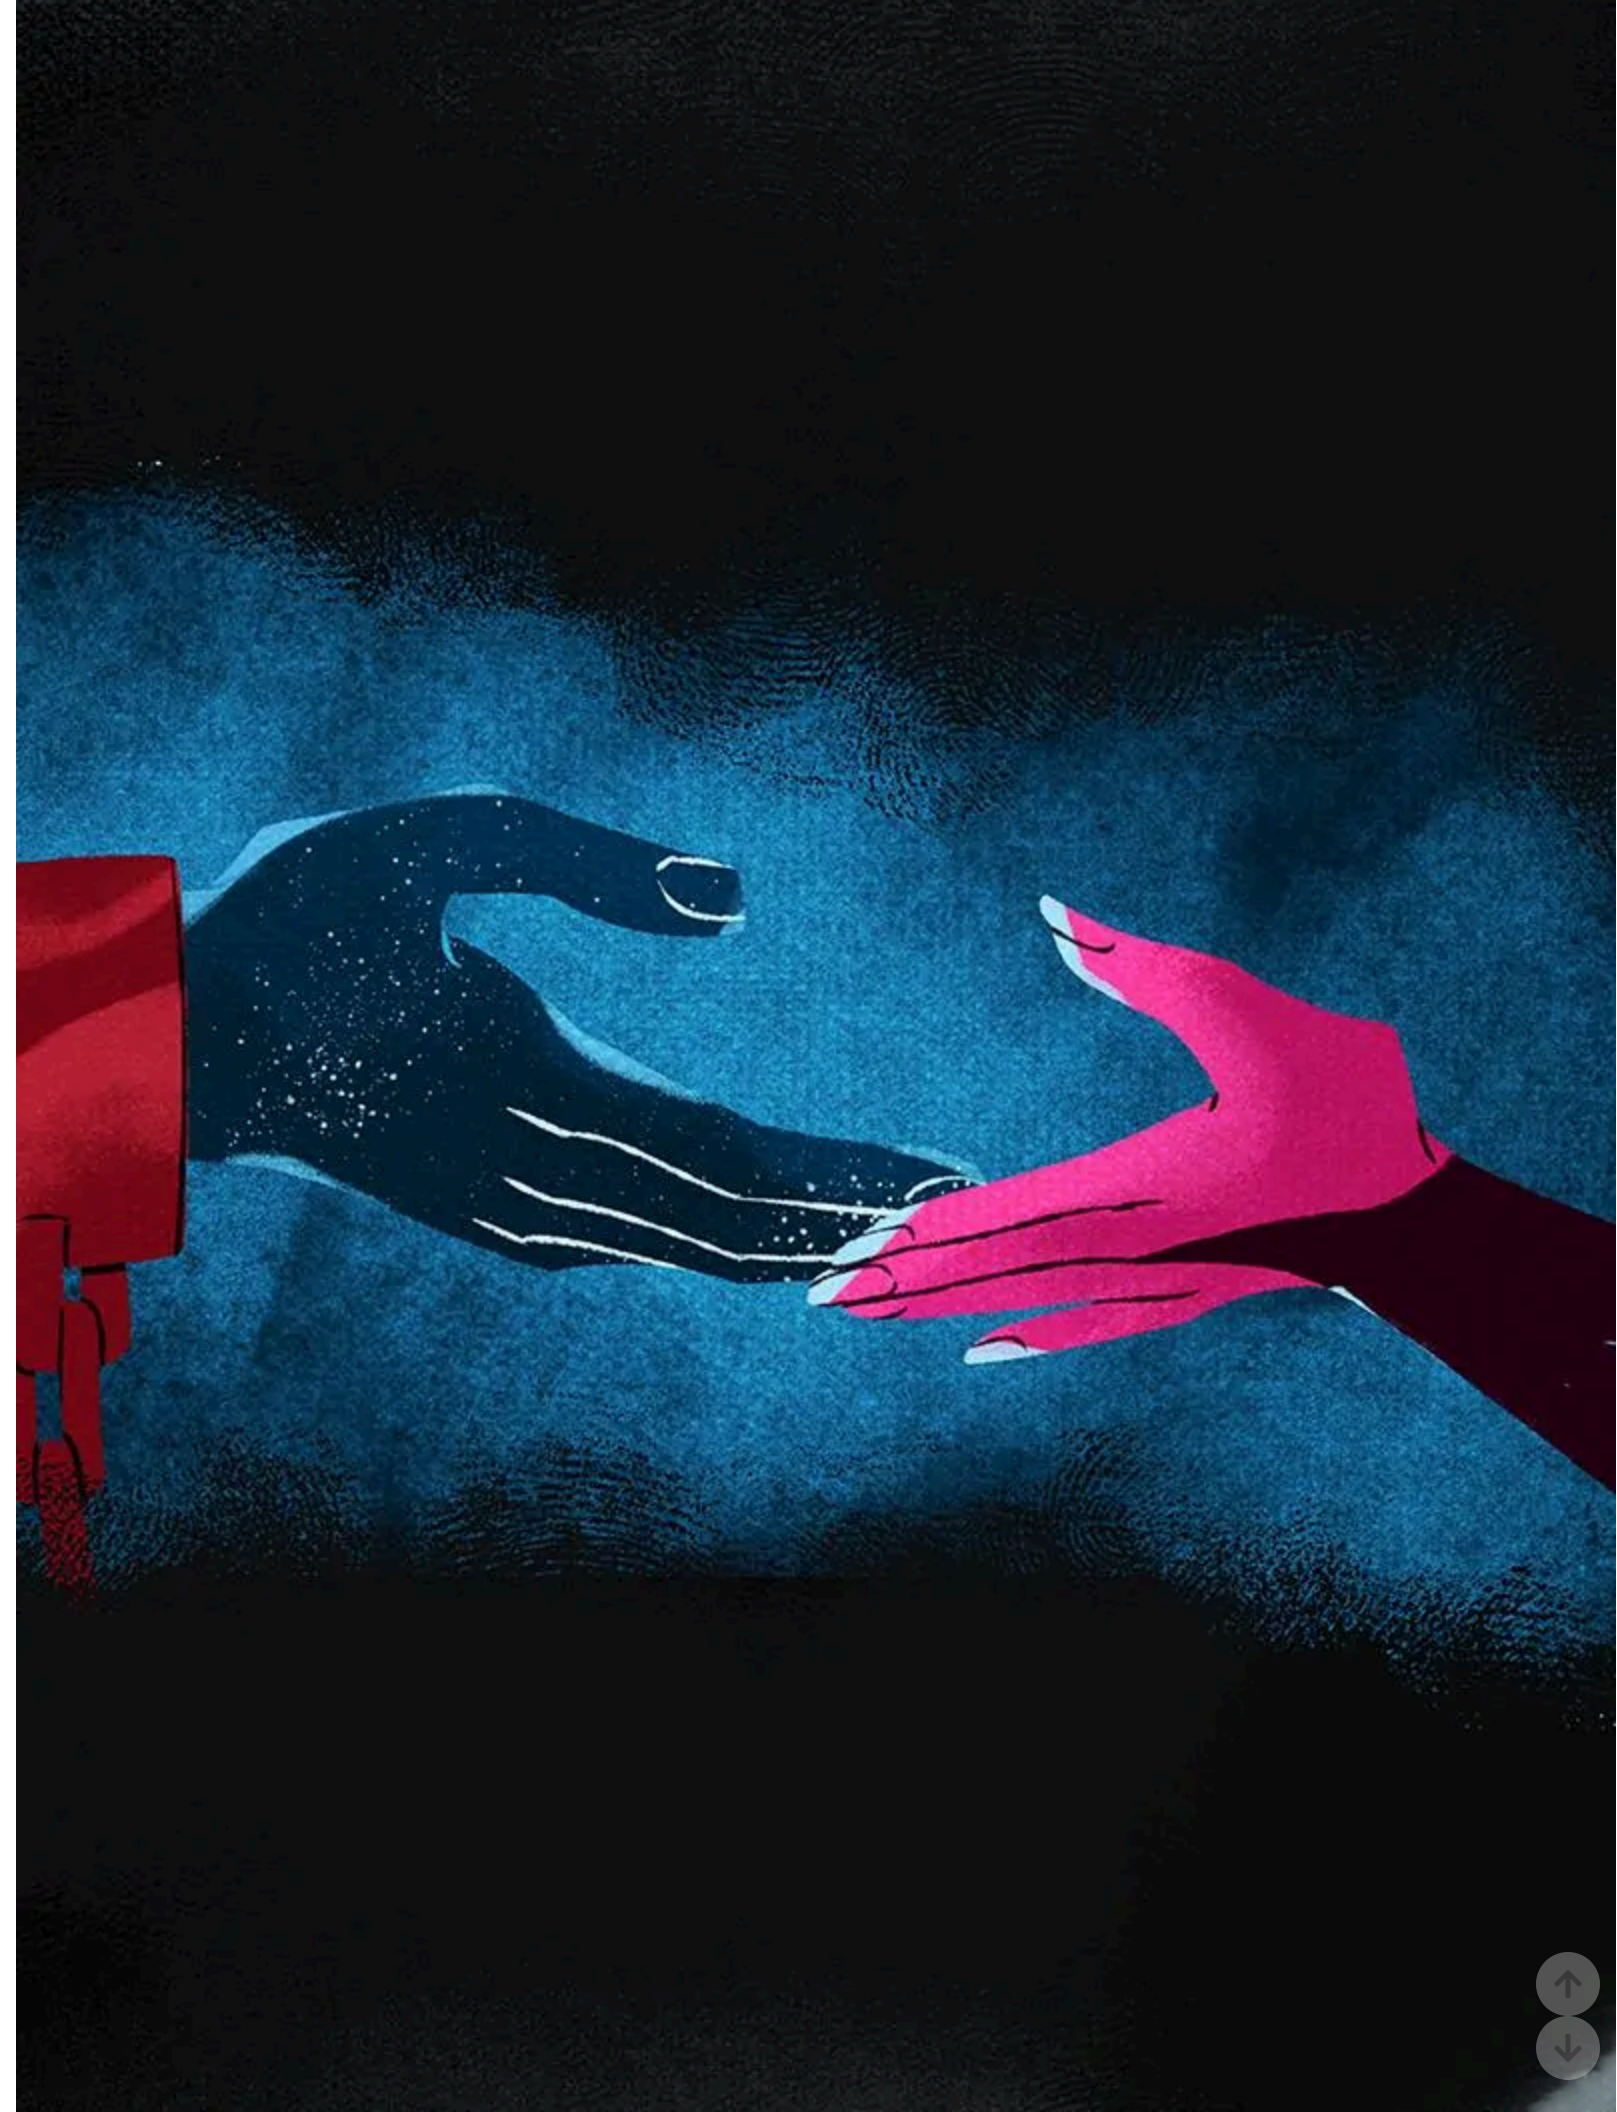

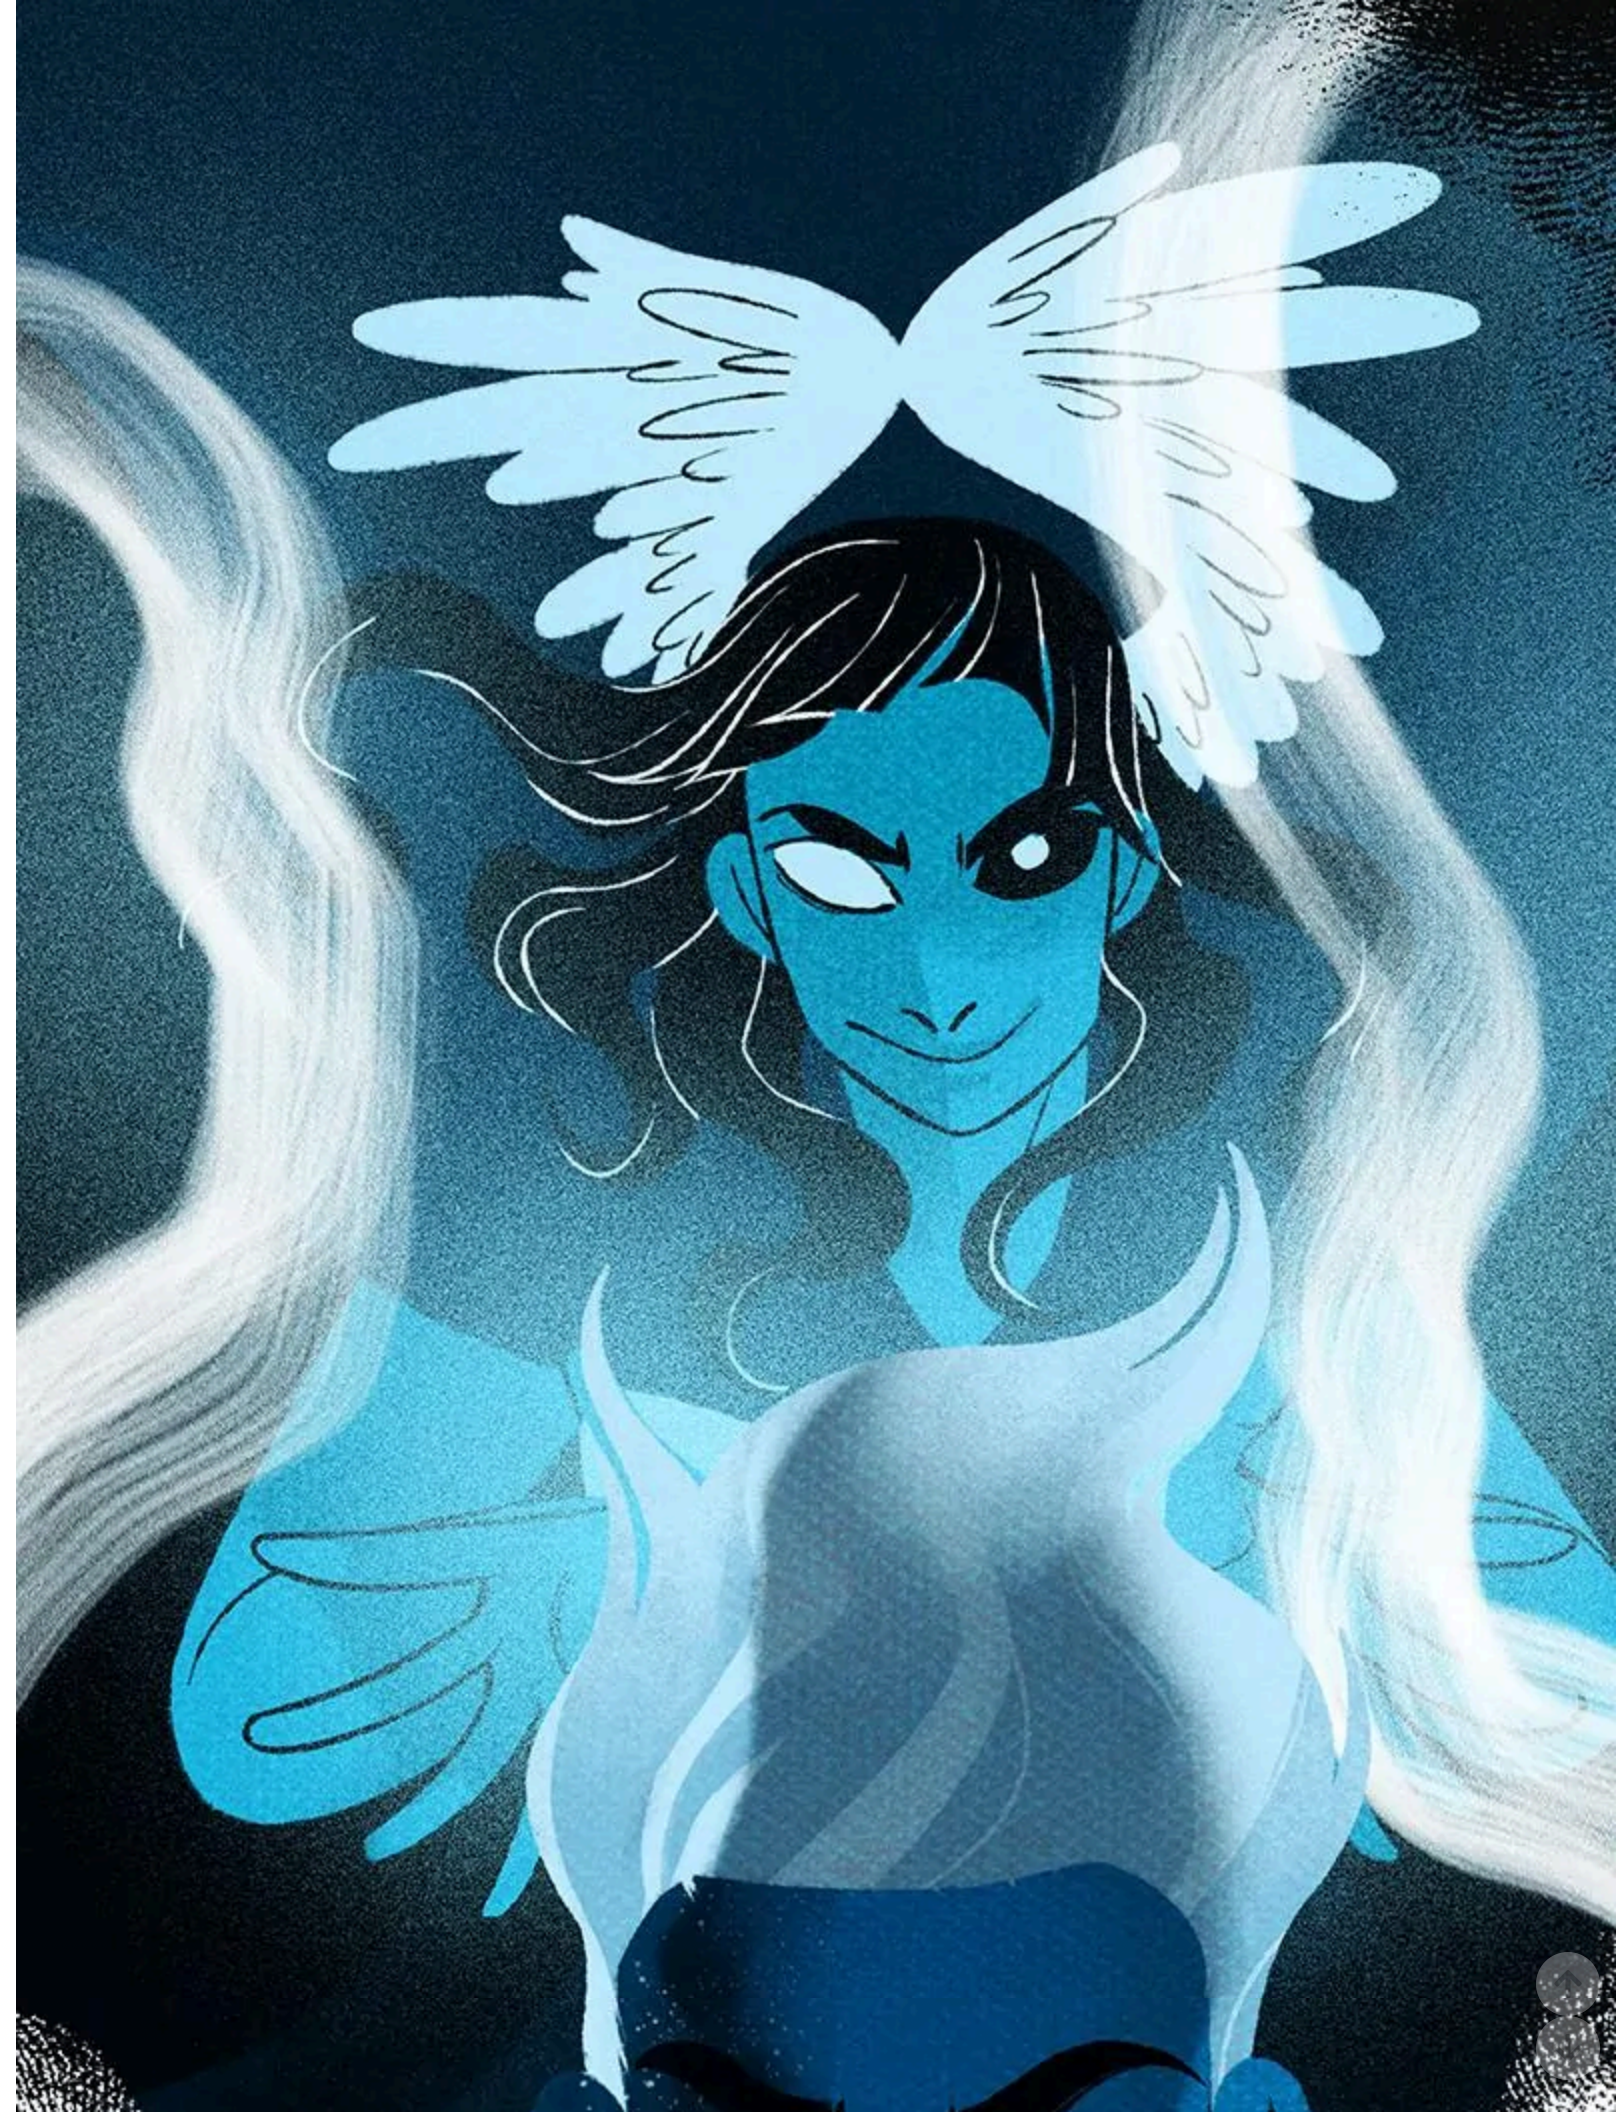

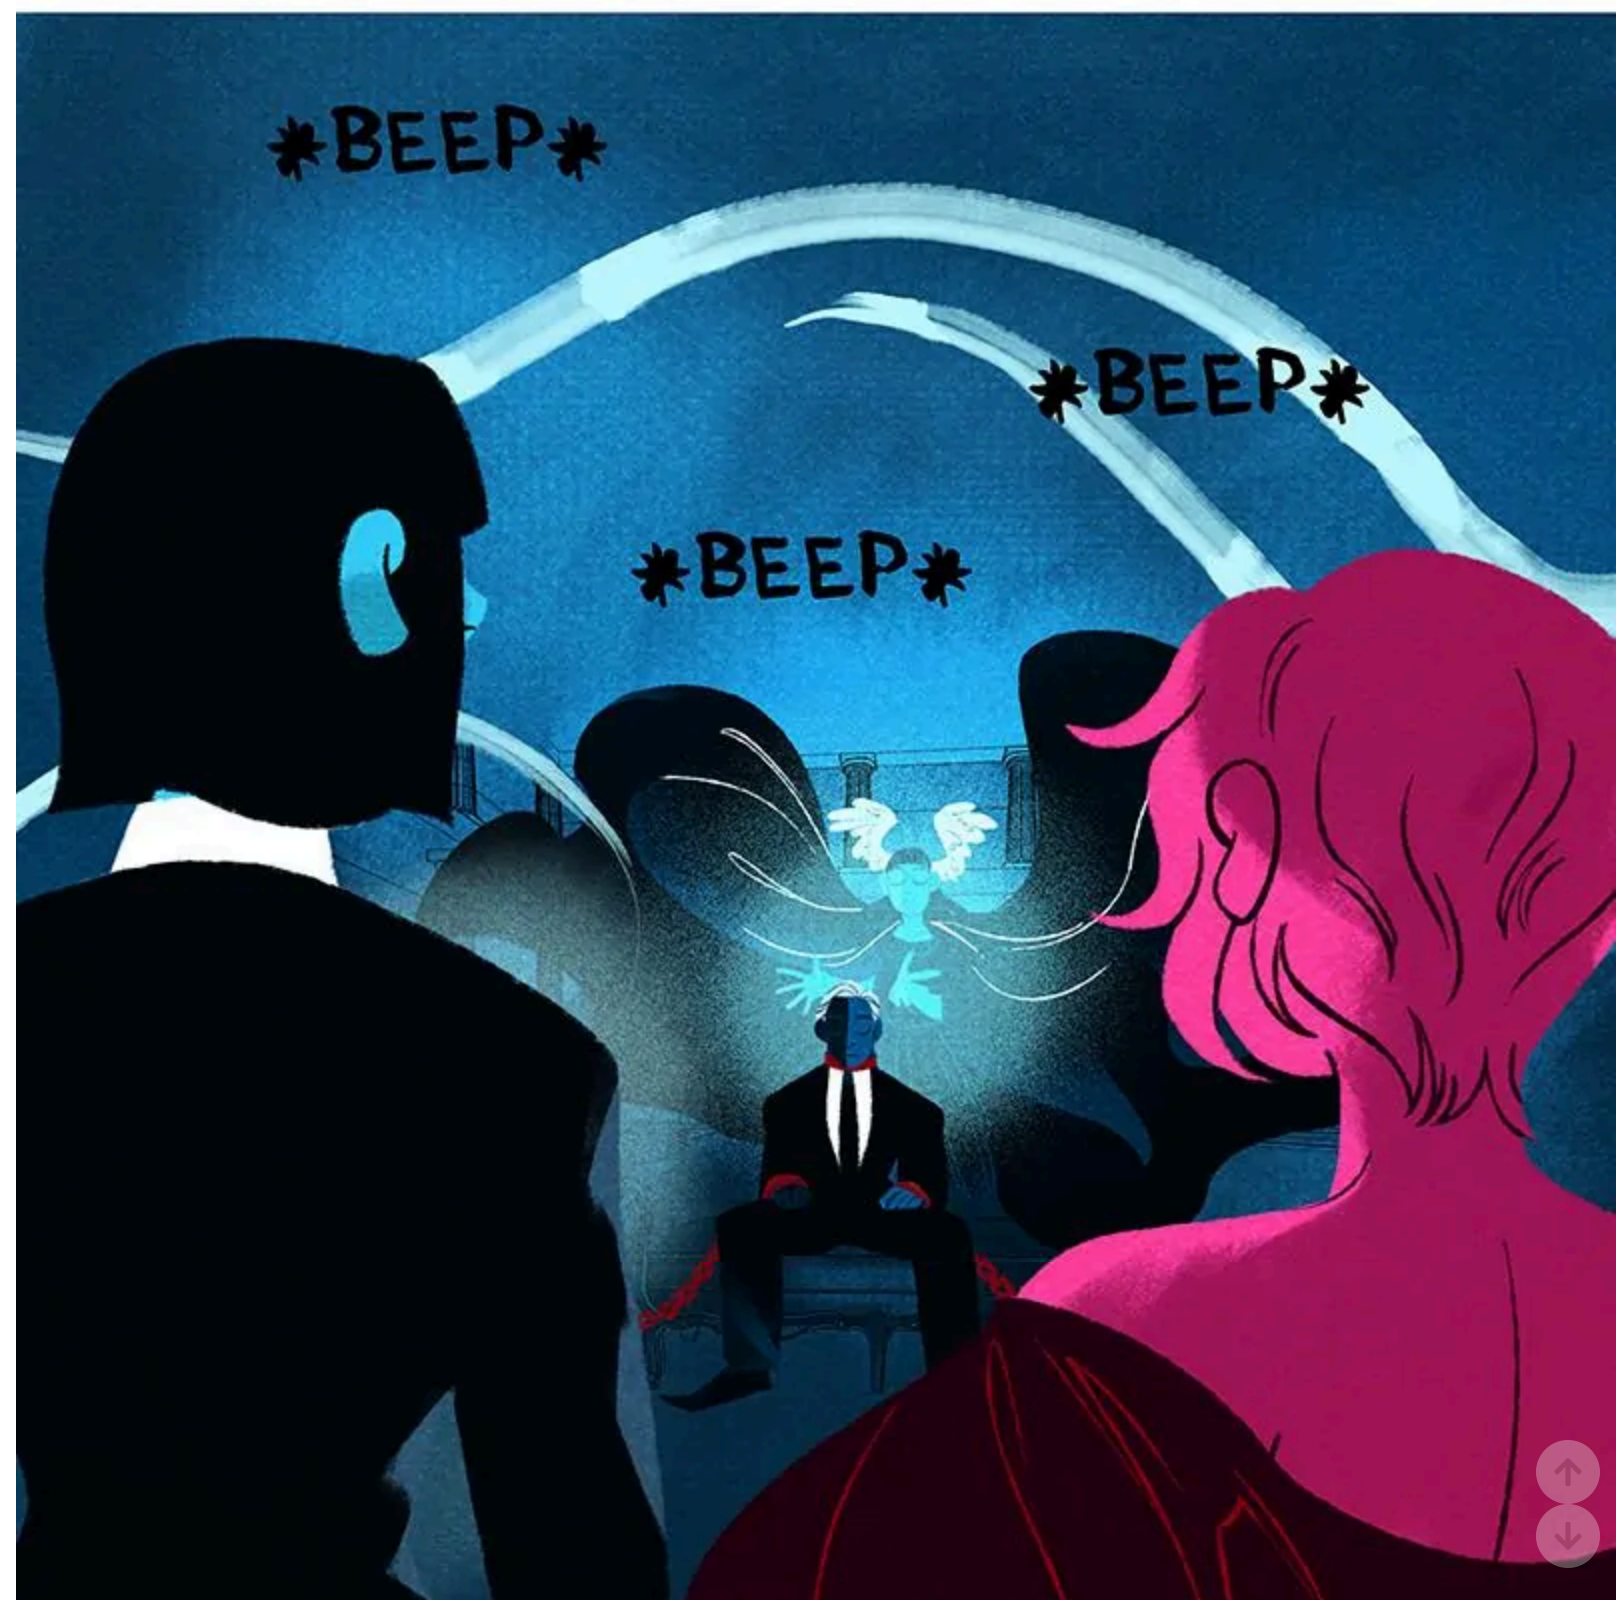

\*BEEP\*

\*BEEP\*

\*BEEP\*

Everything seems  
to be fine.

Their heart rates  
are even, and they  
are in a steady  
REM cycle.

**\*RATTLE\***

\*RATTLE\*

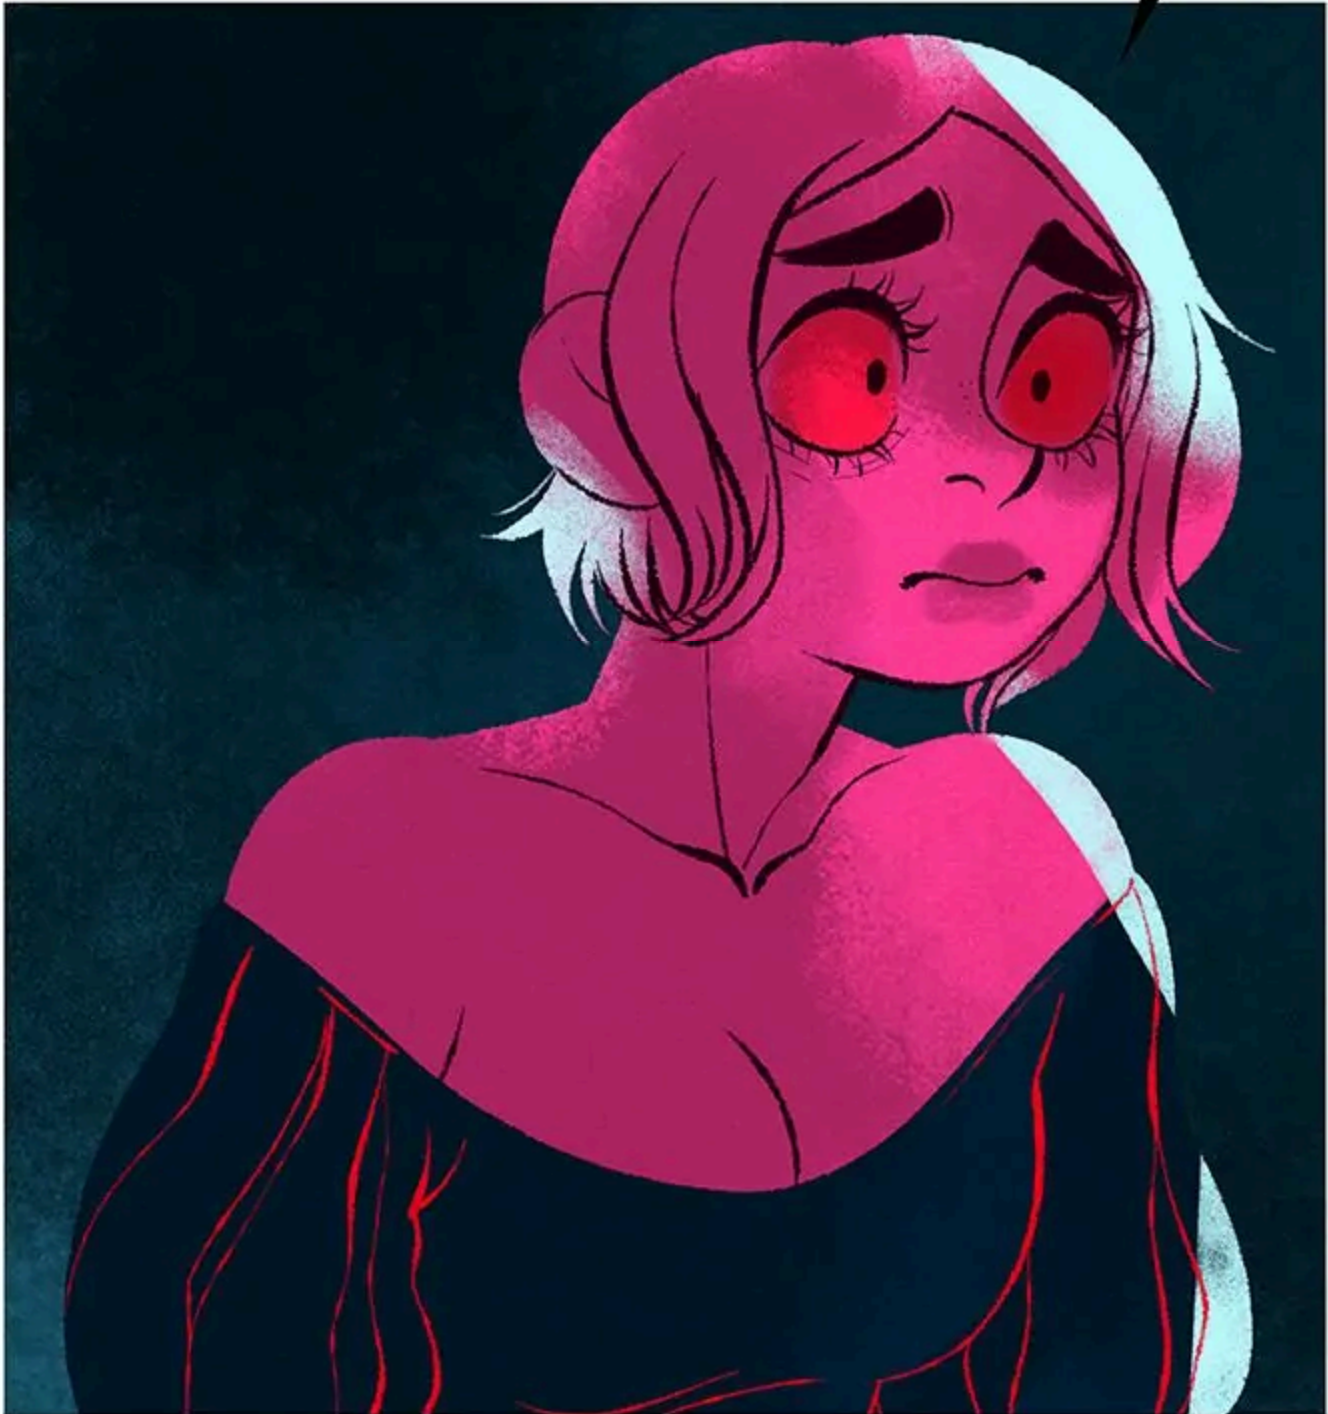

\*RATTLE\*

\*RATTLE\*

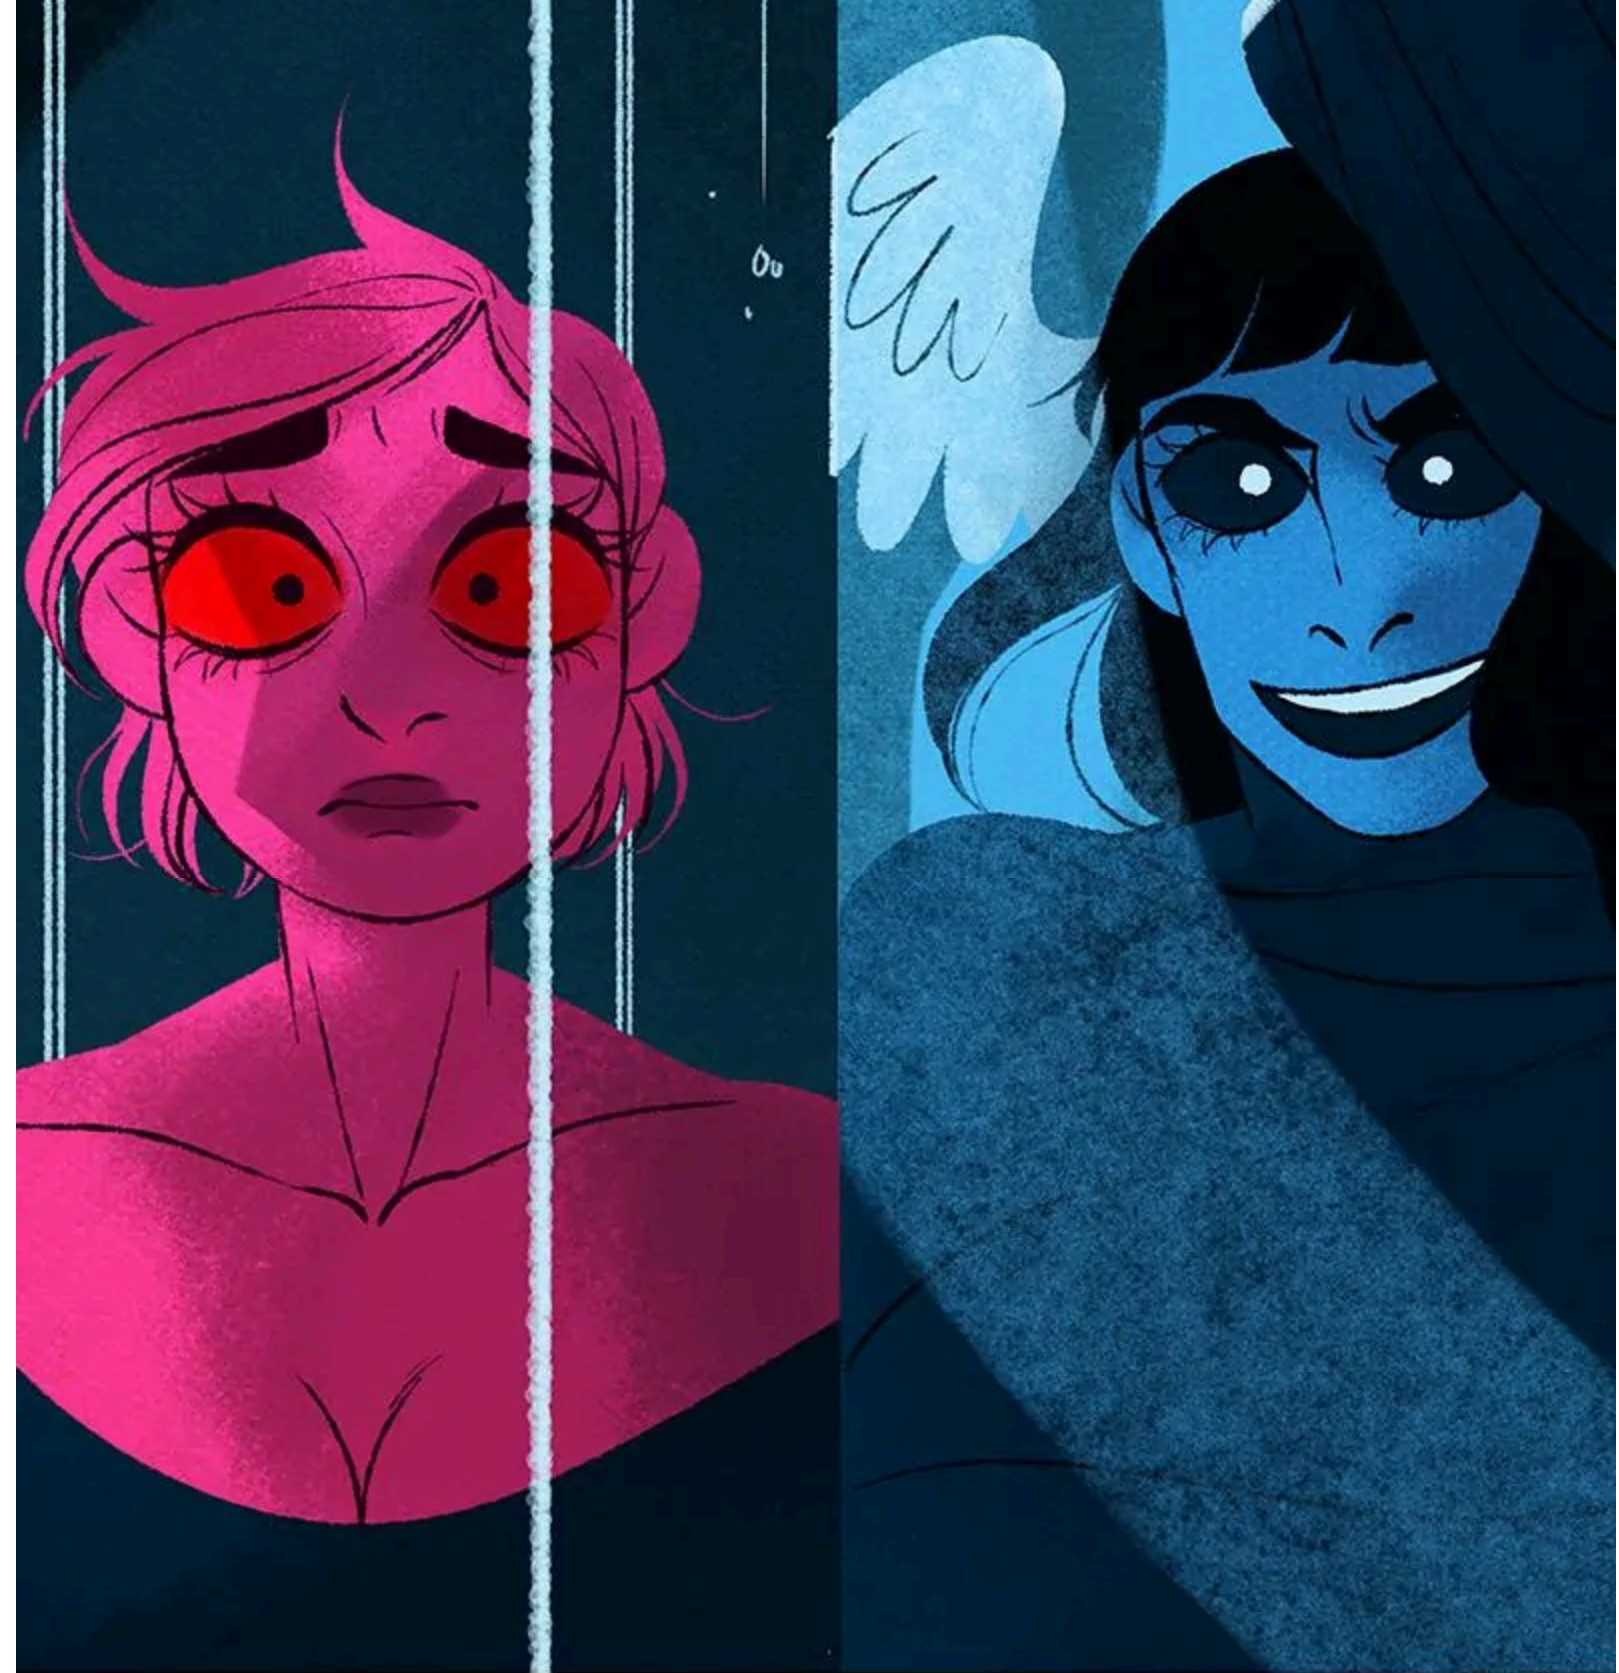

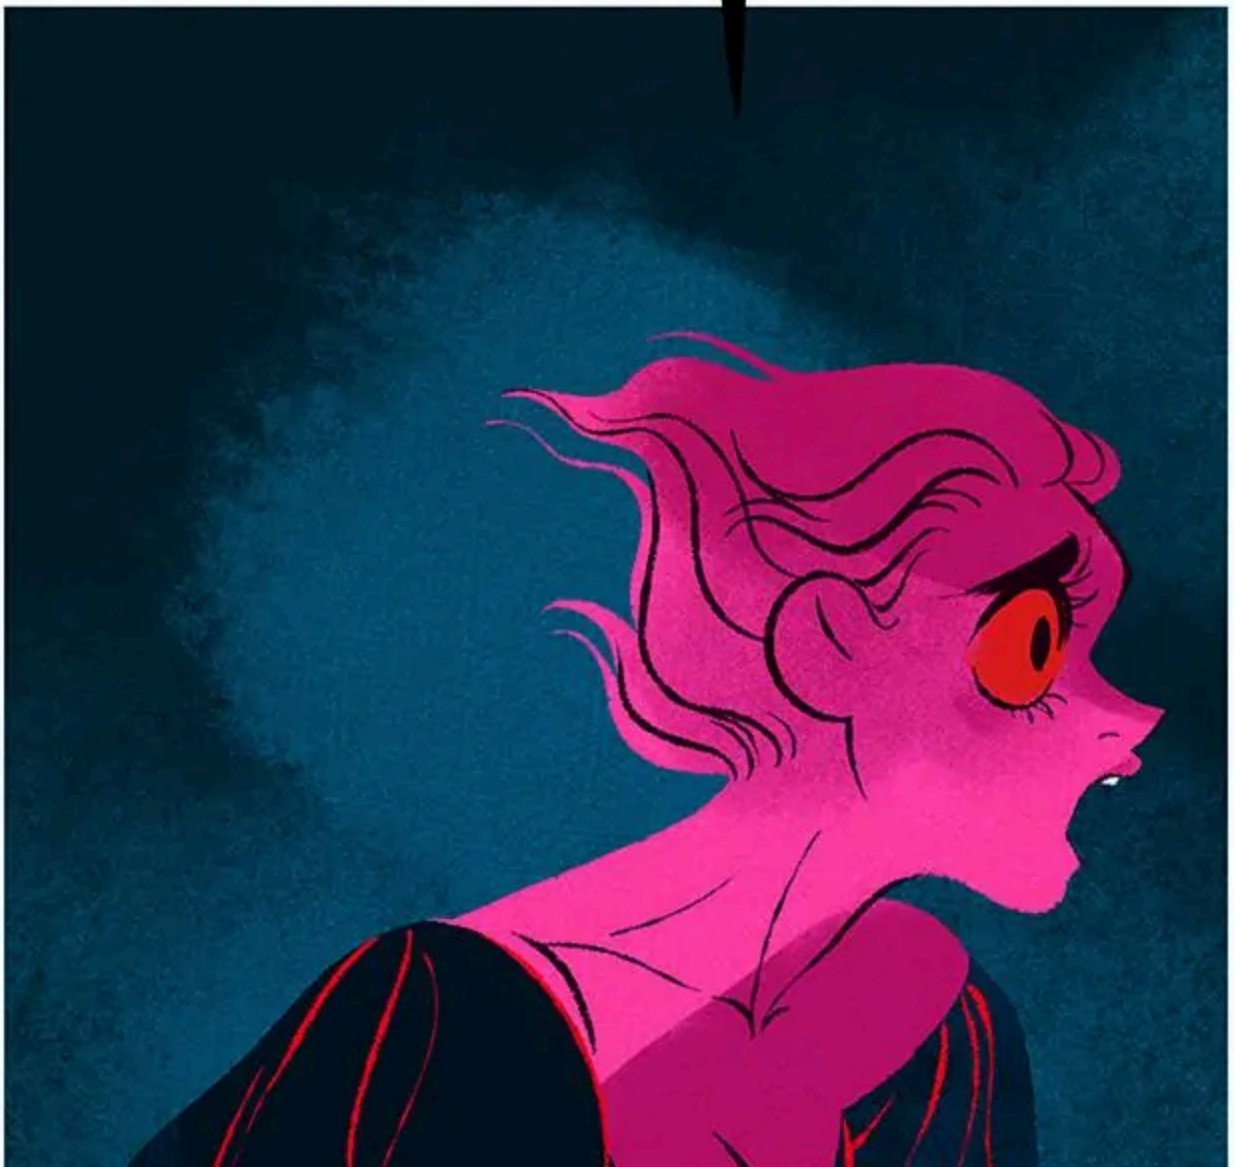

DIDN'T I TELL  
YOU I'D SEE  
YOU AGAIN?

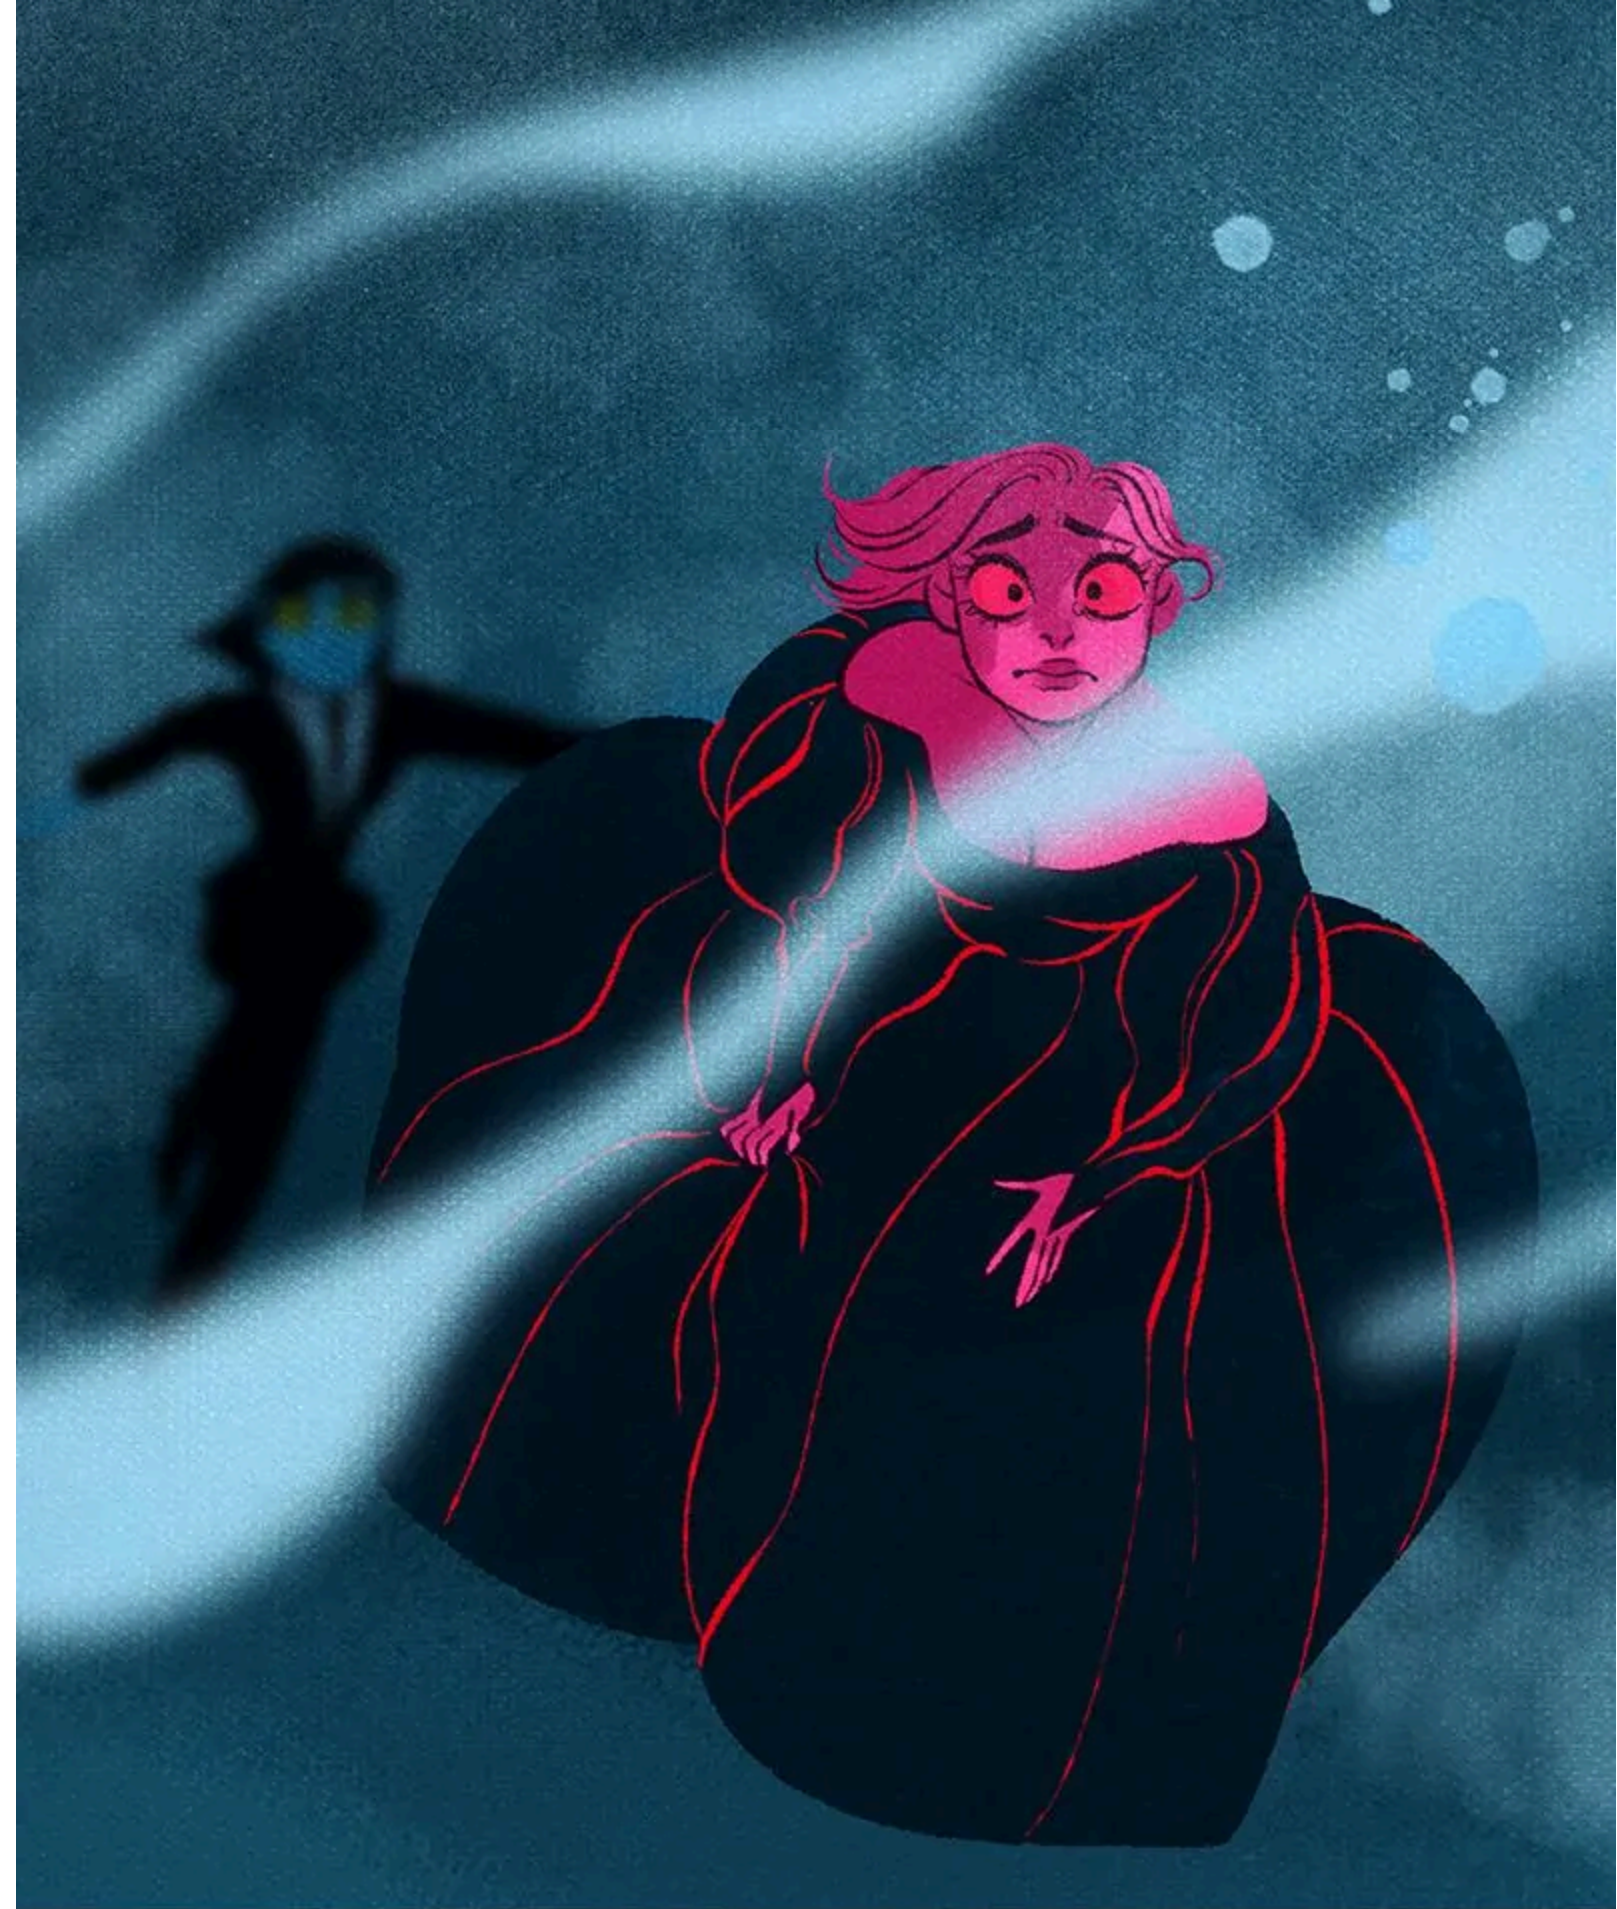

Persephone,  
wait!

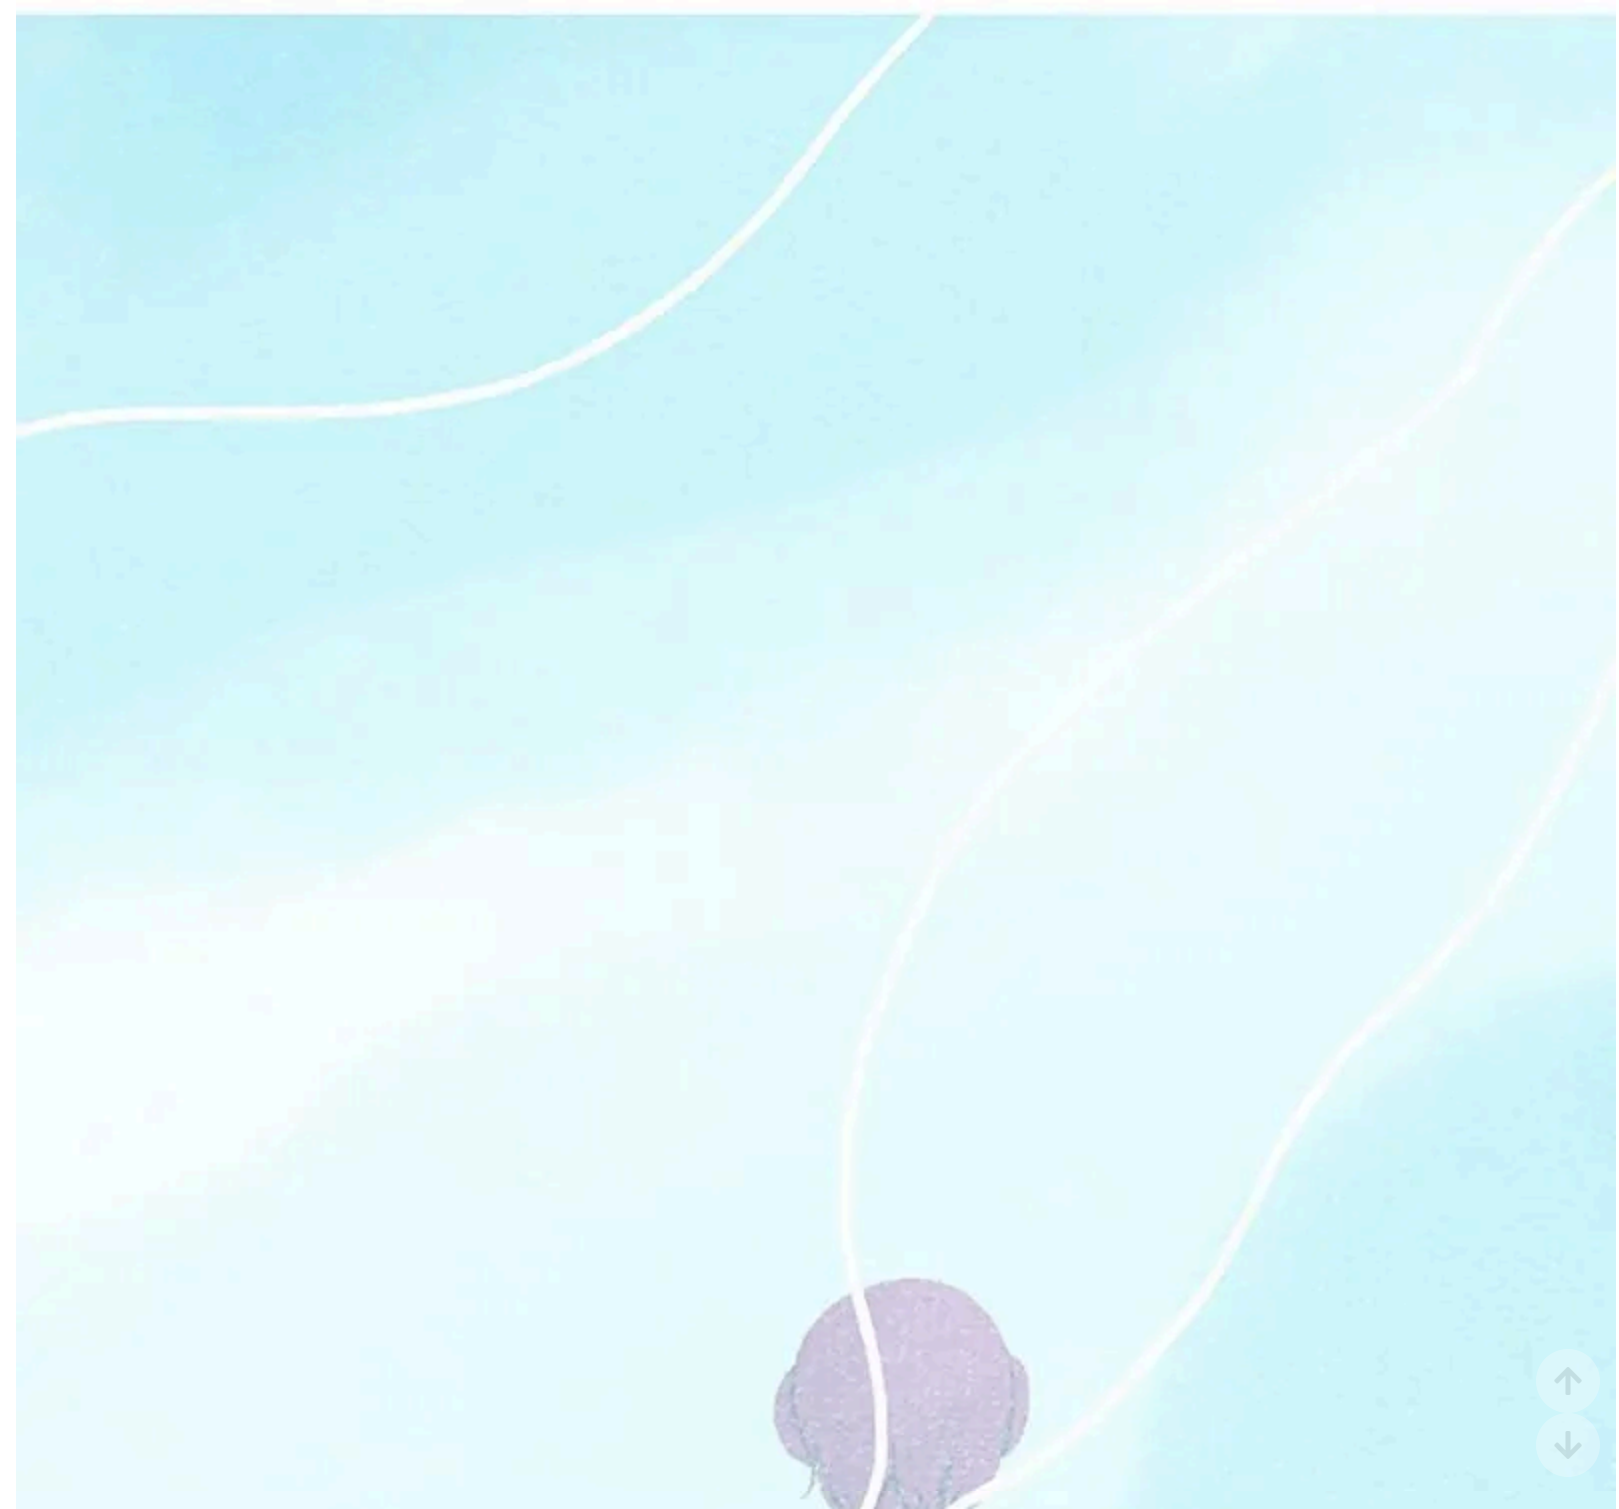

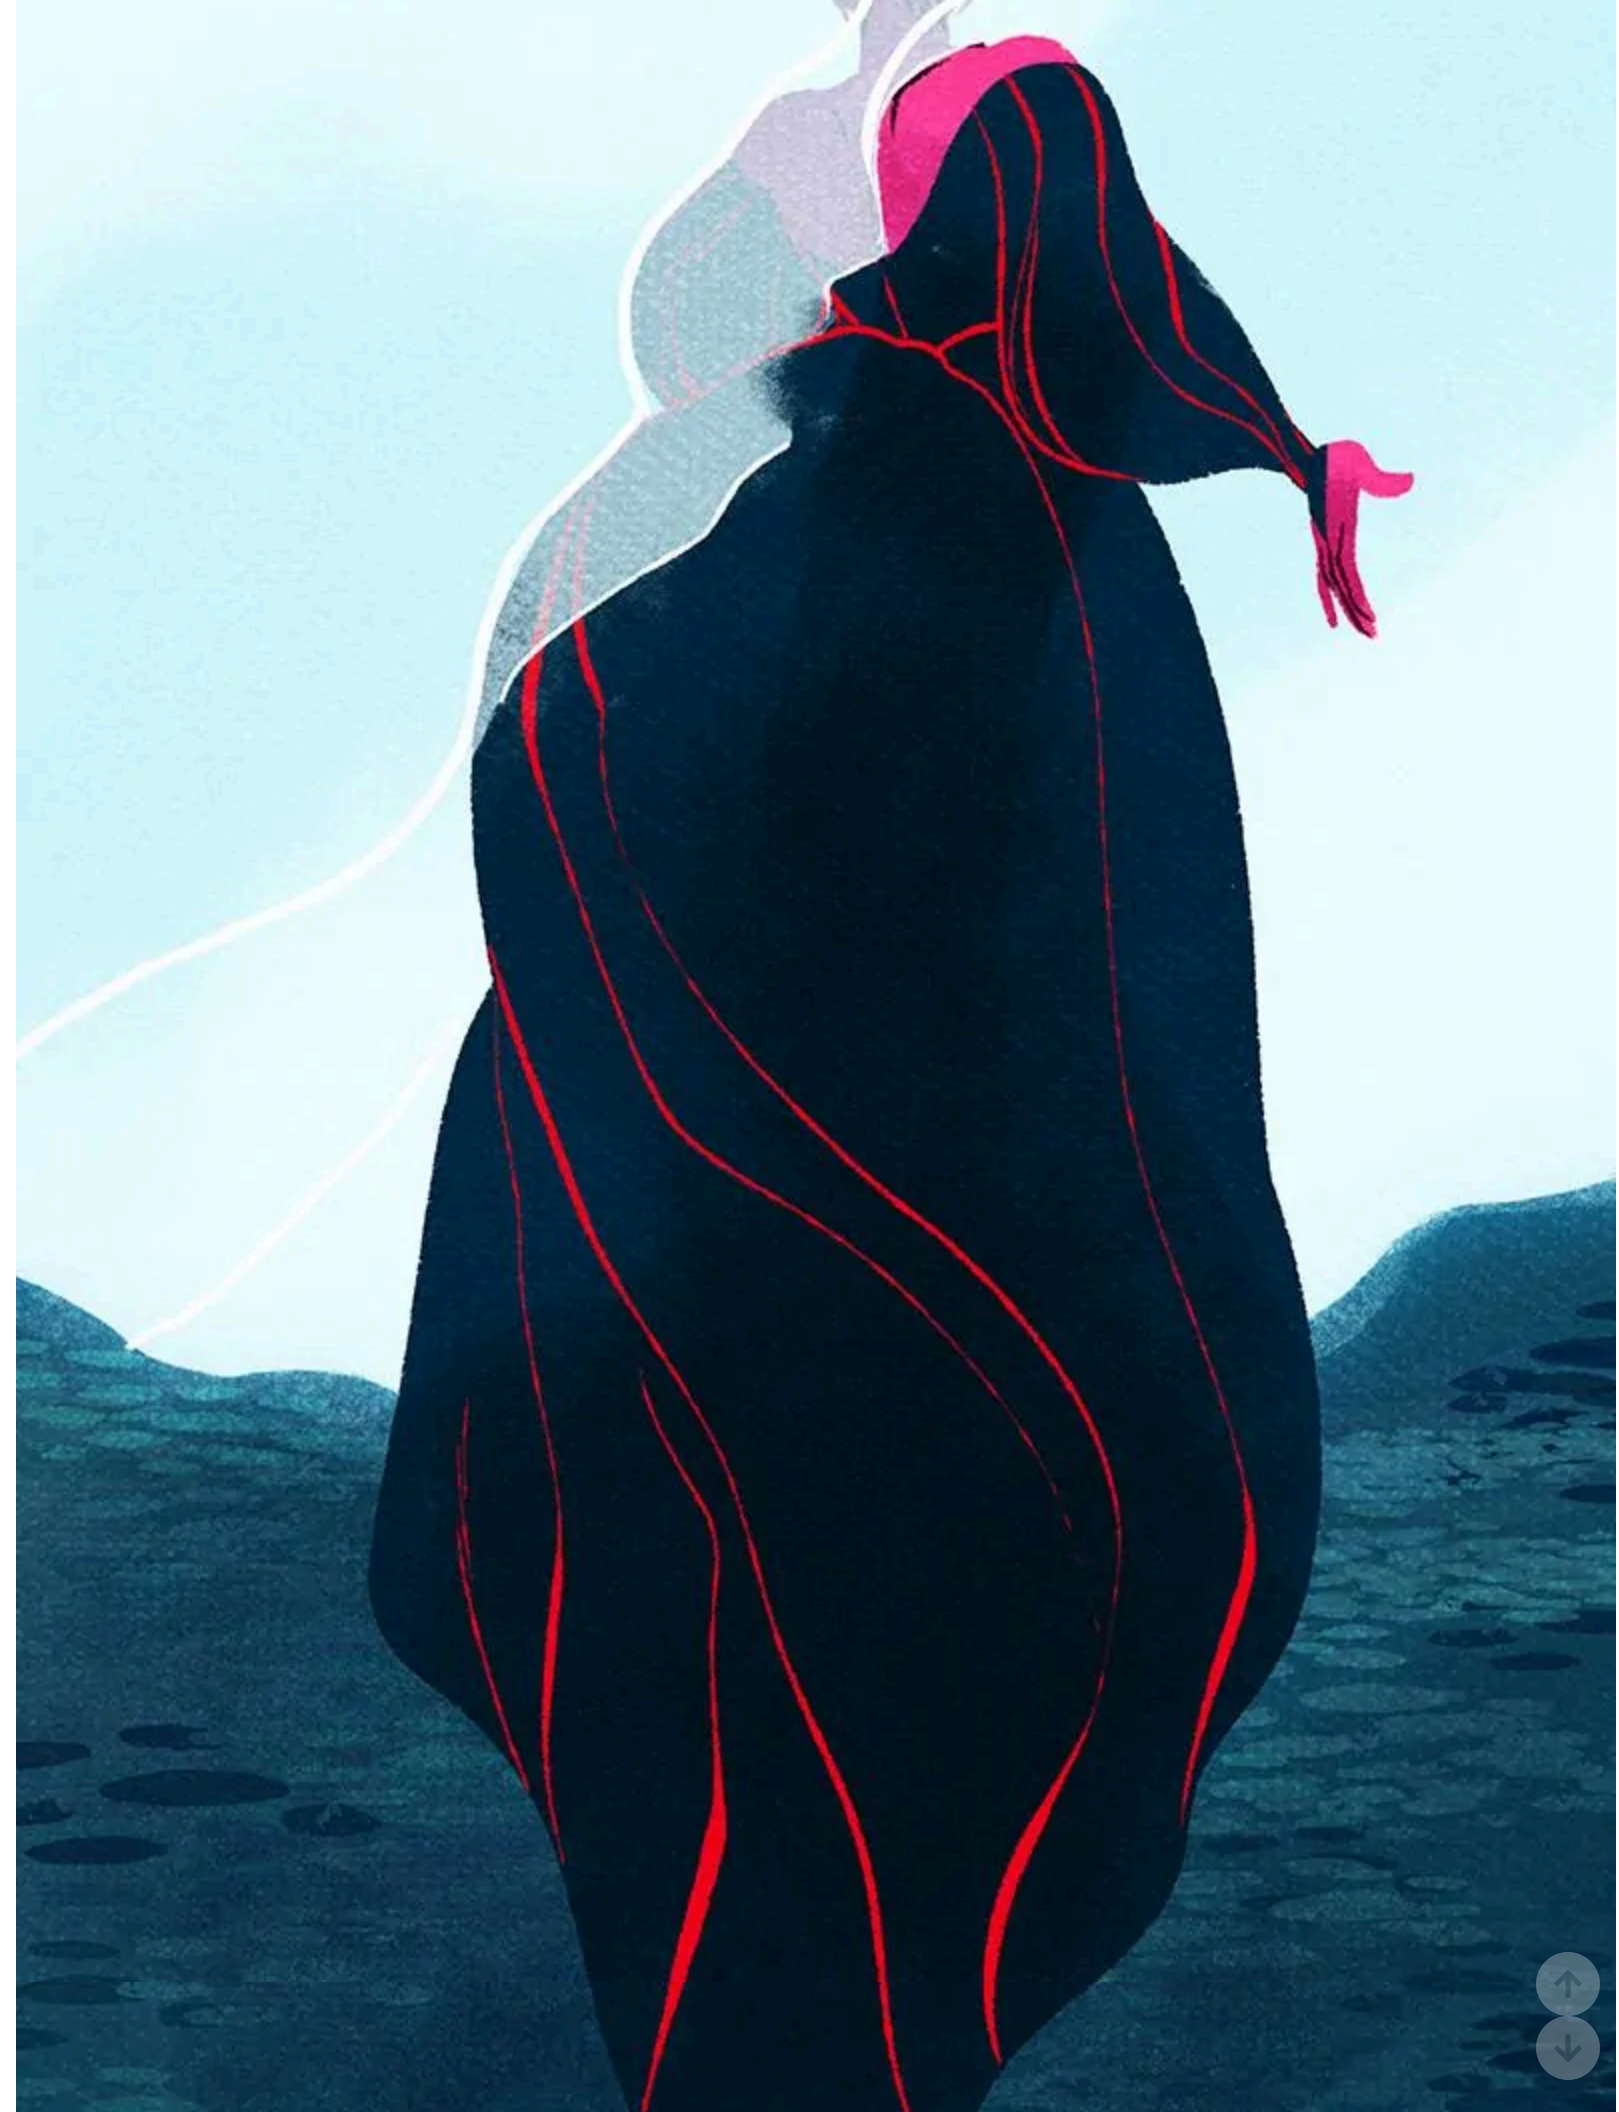

Aidoneus!

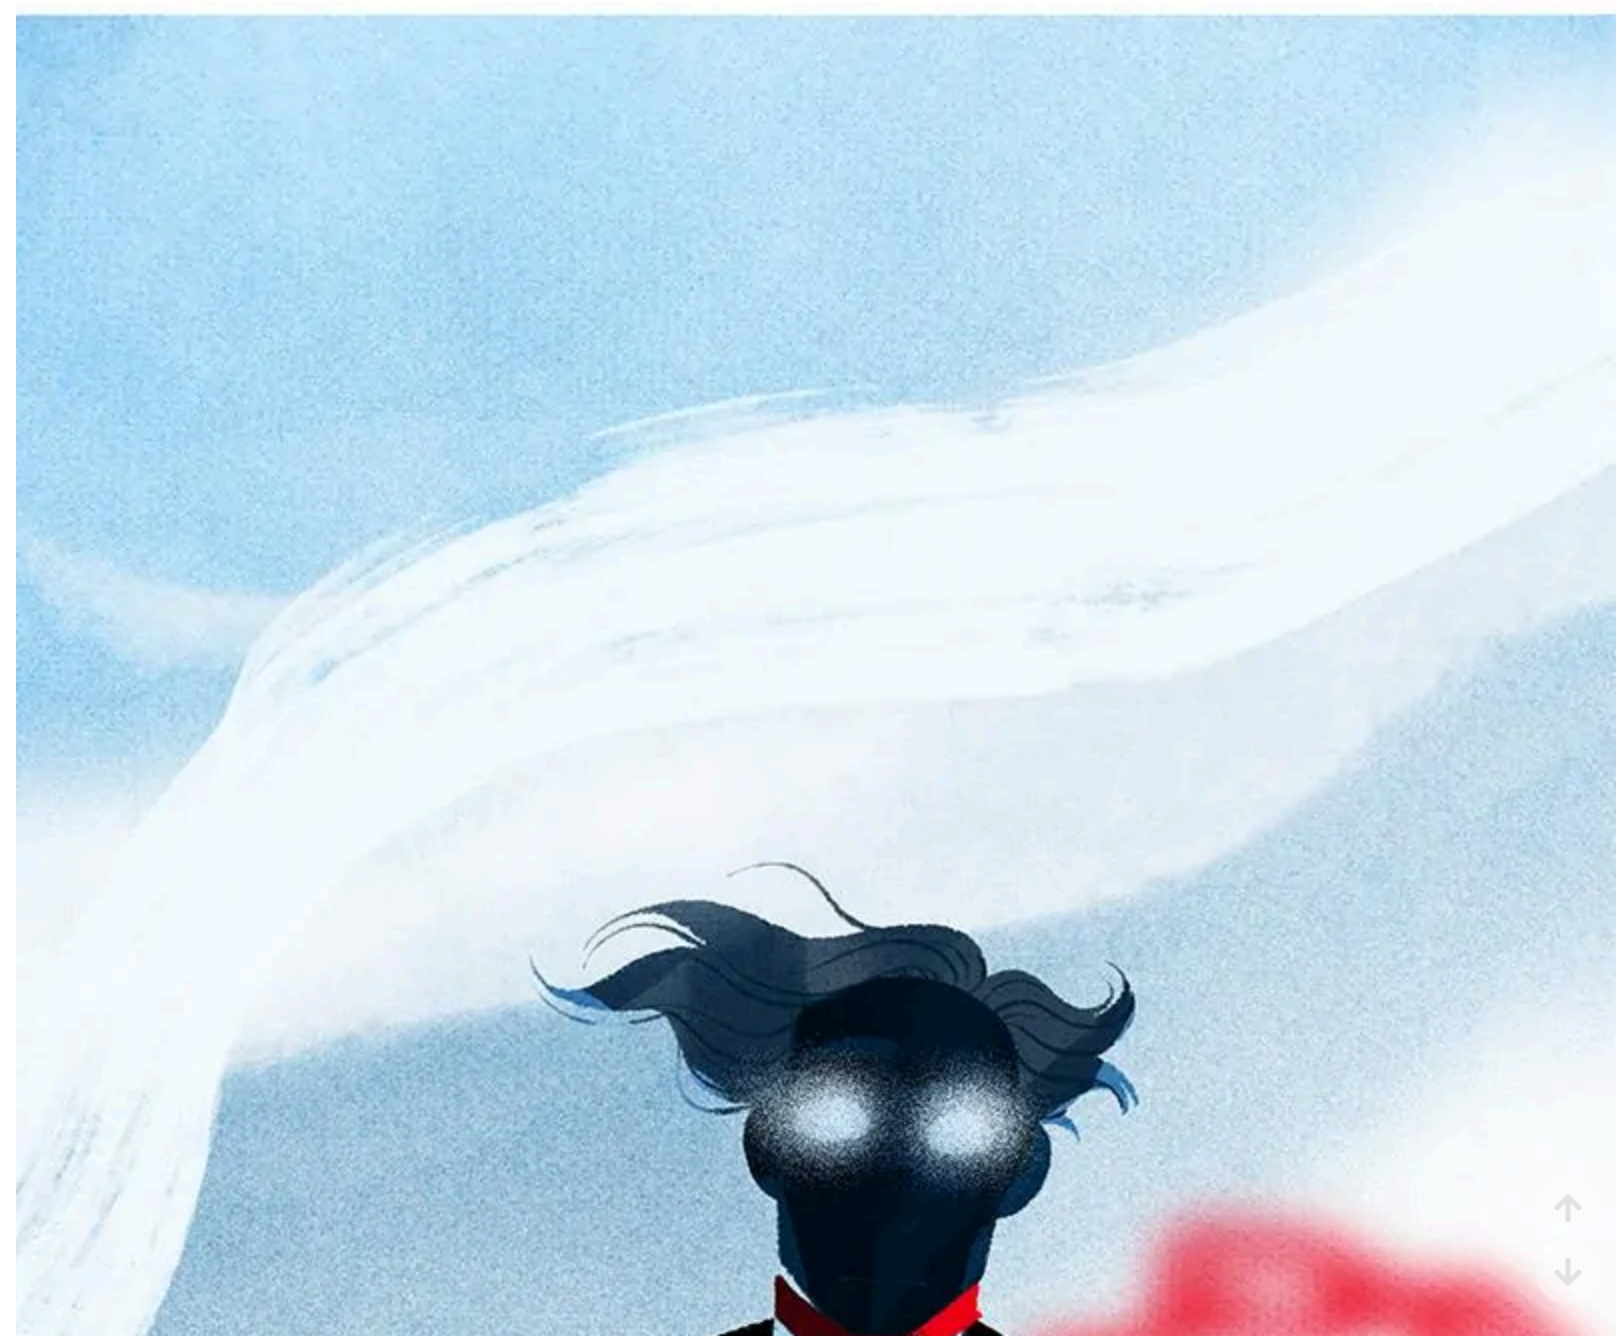

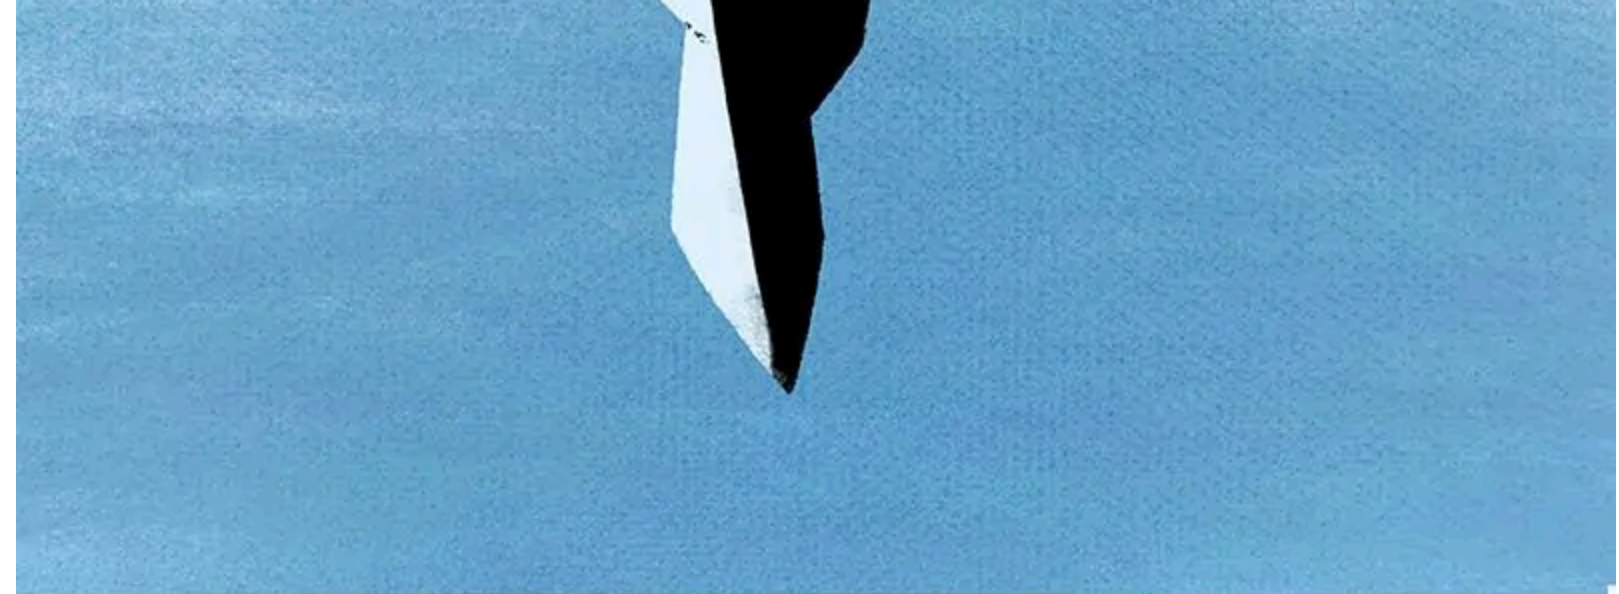

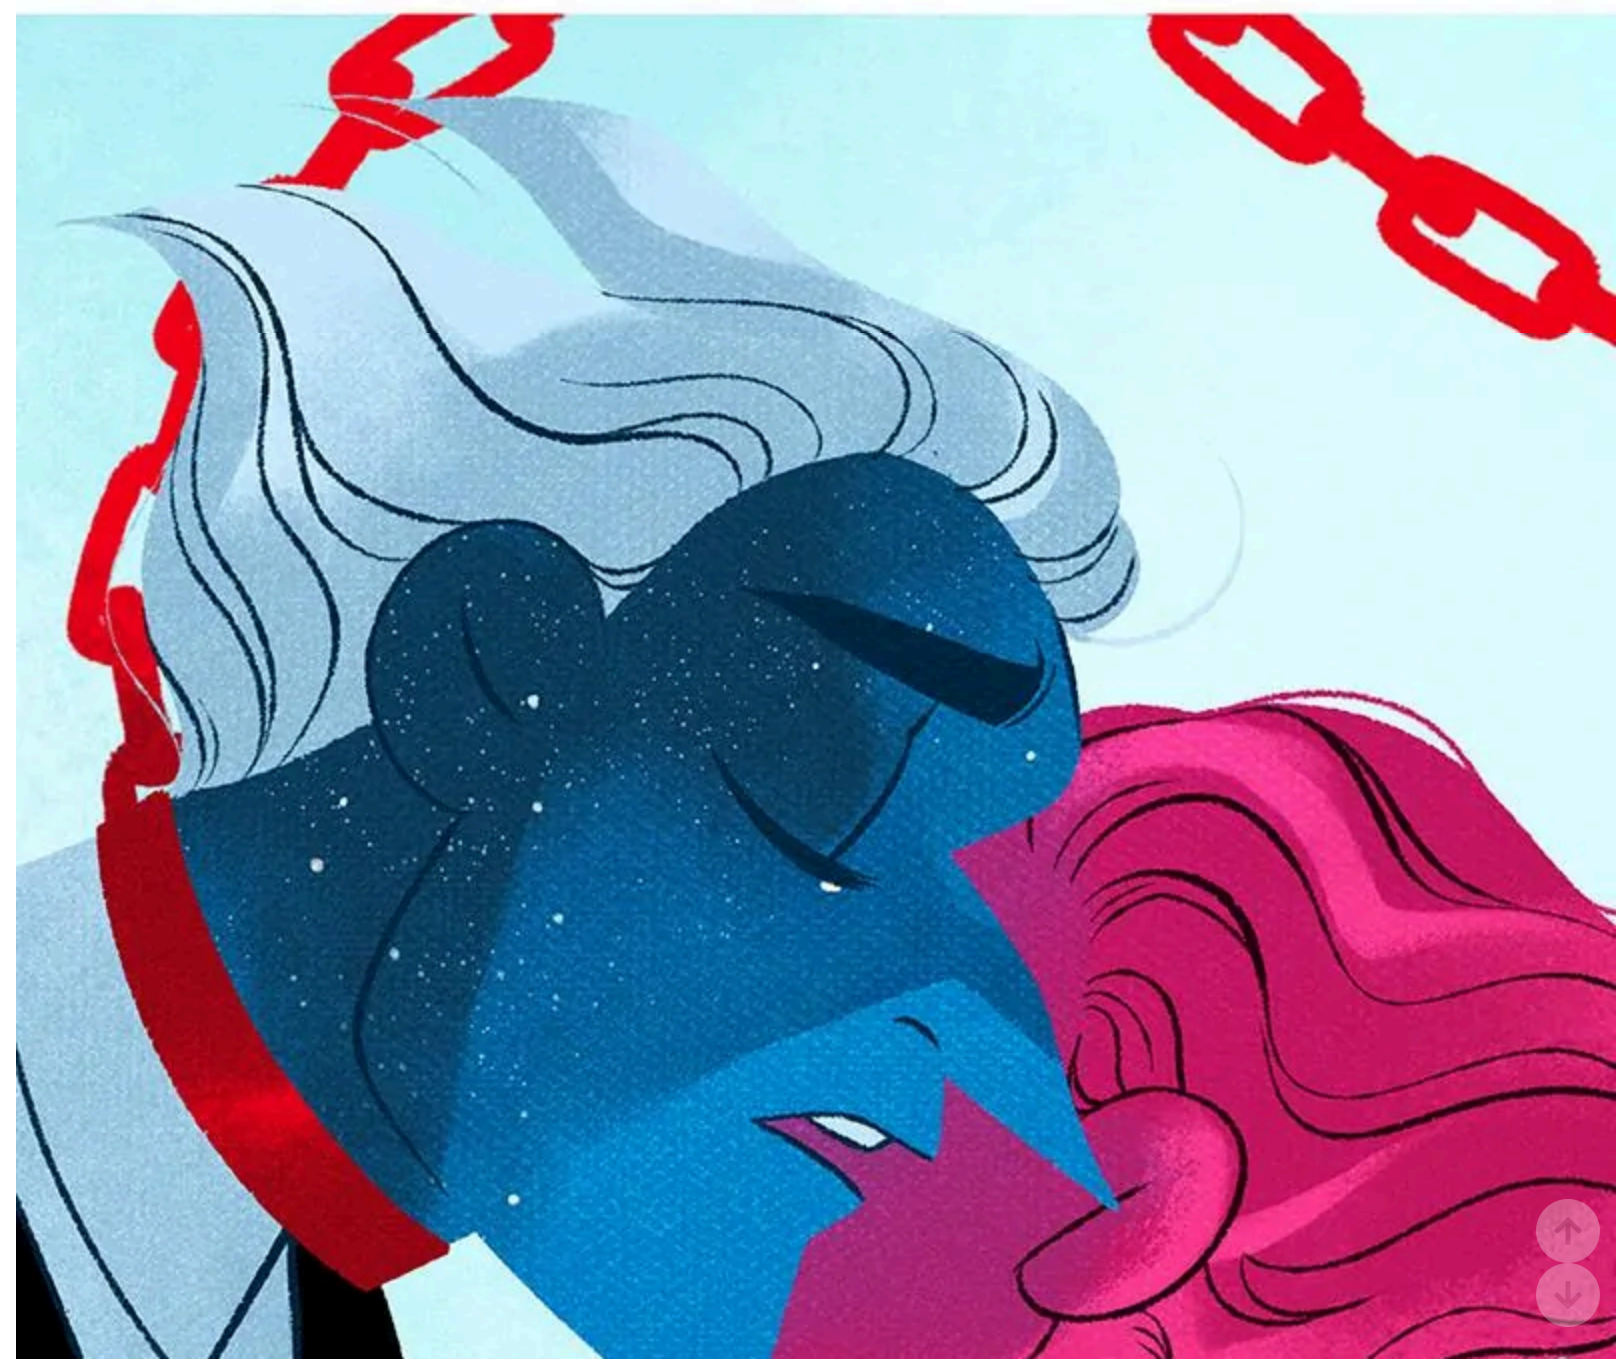

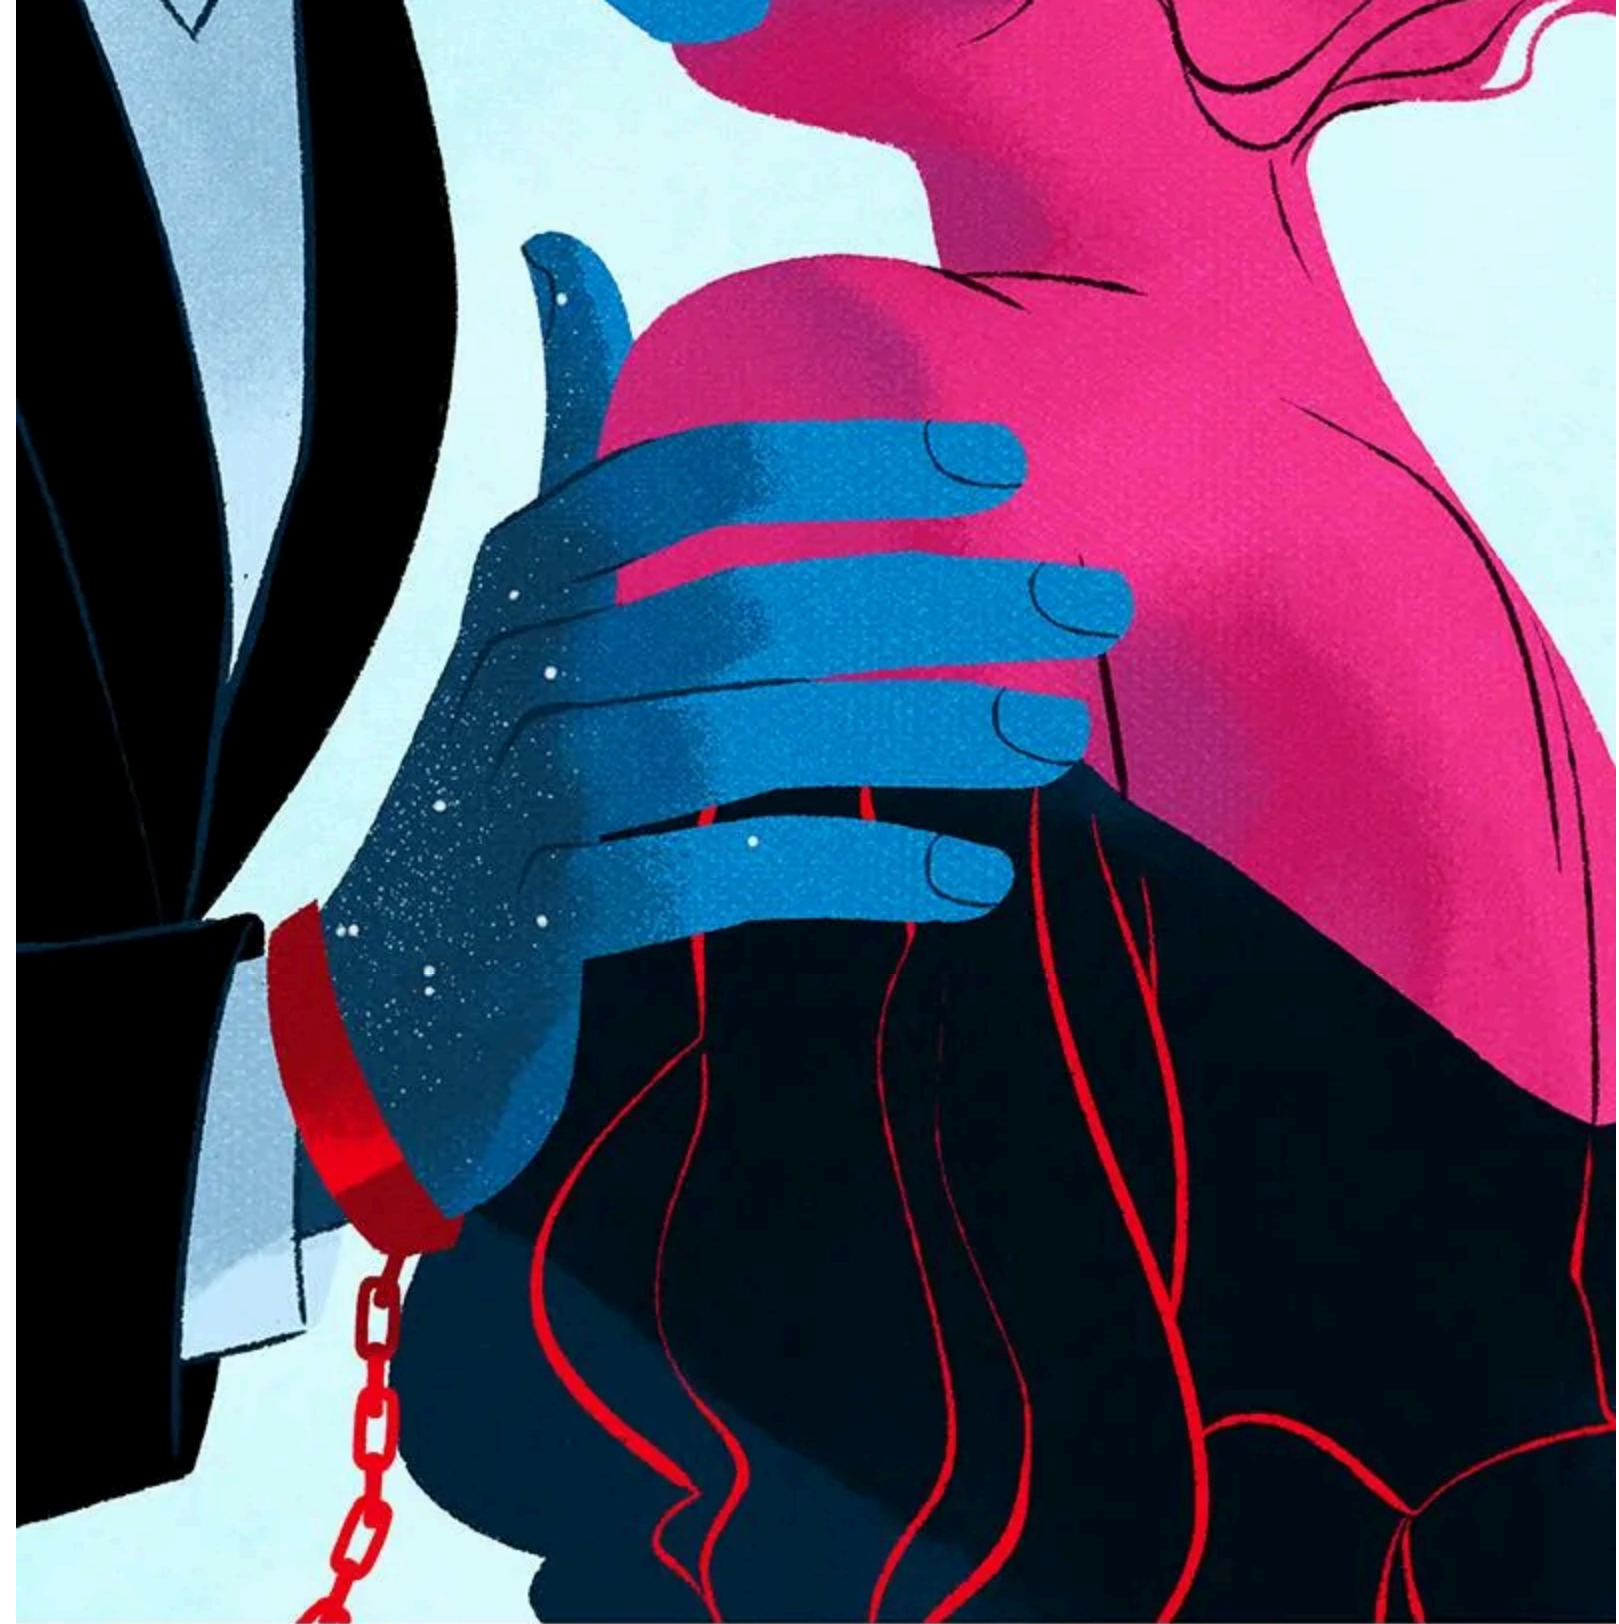

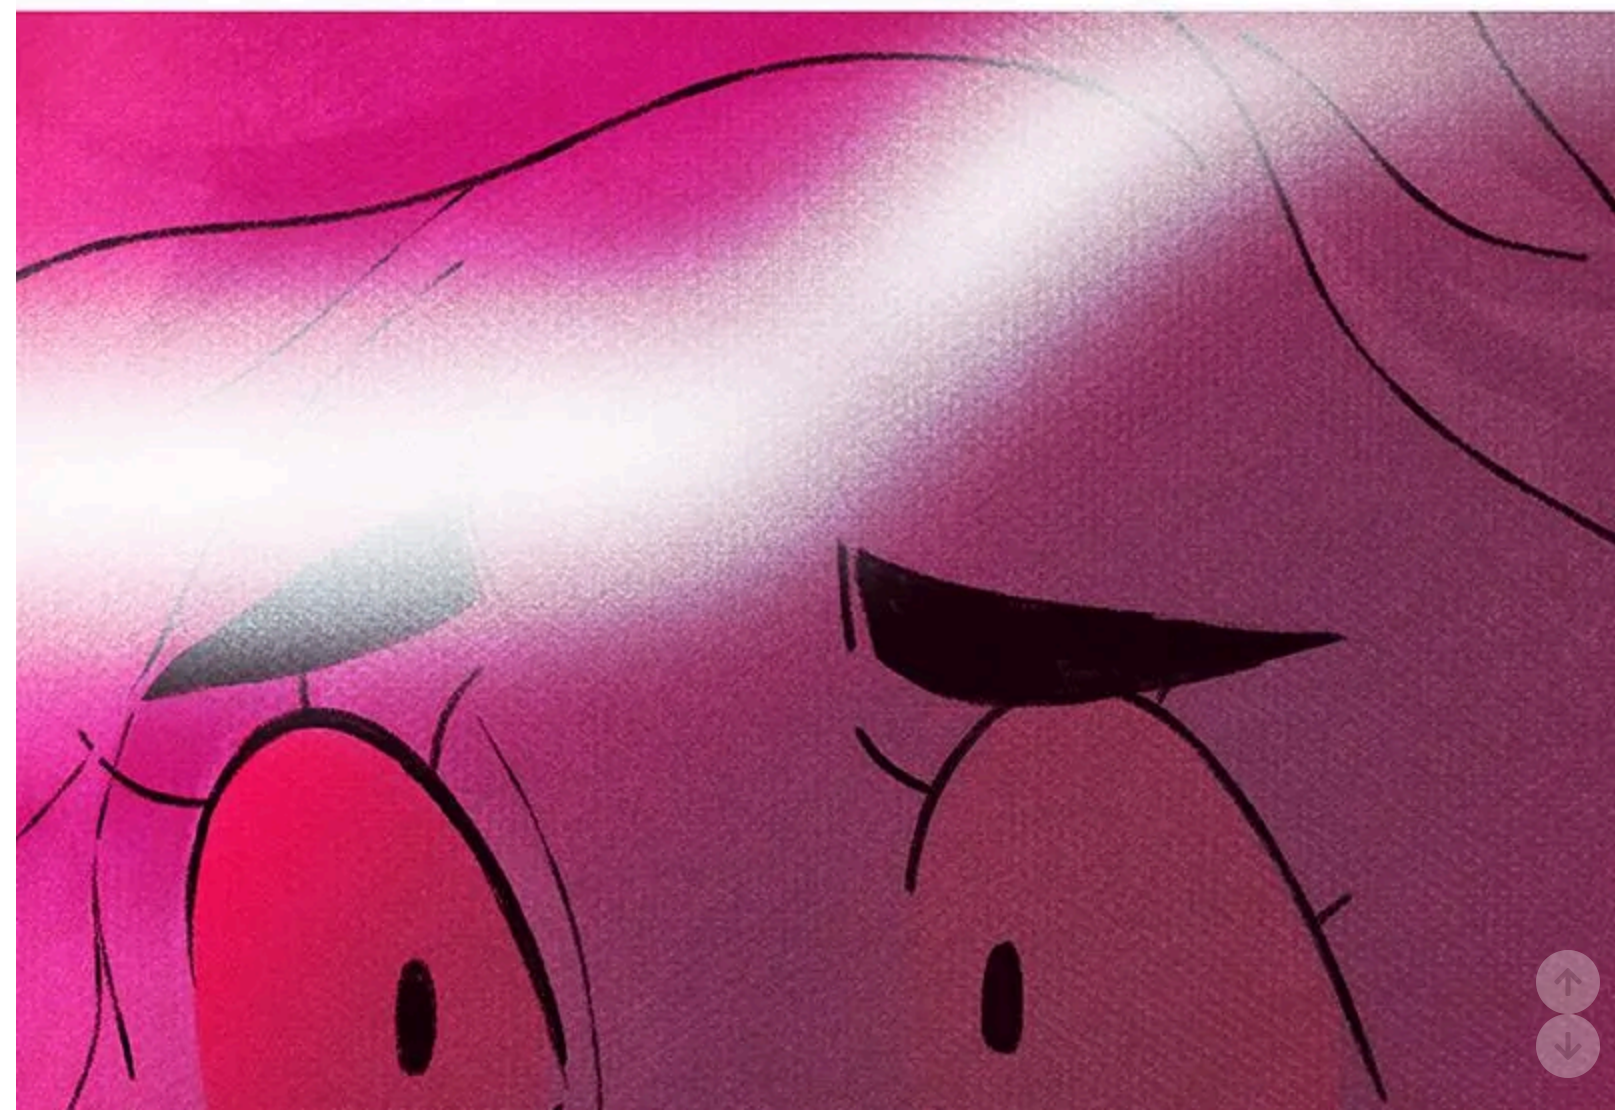

Hades!?

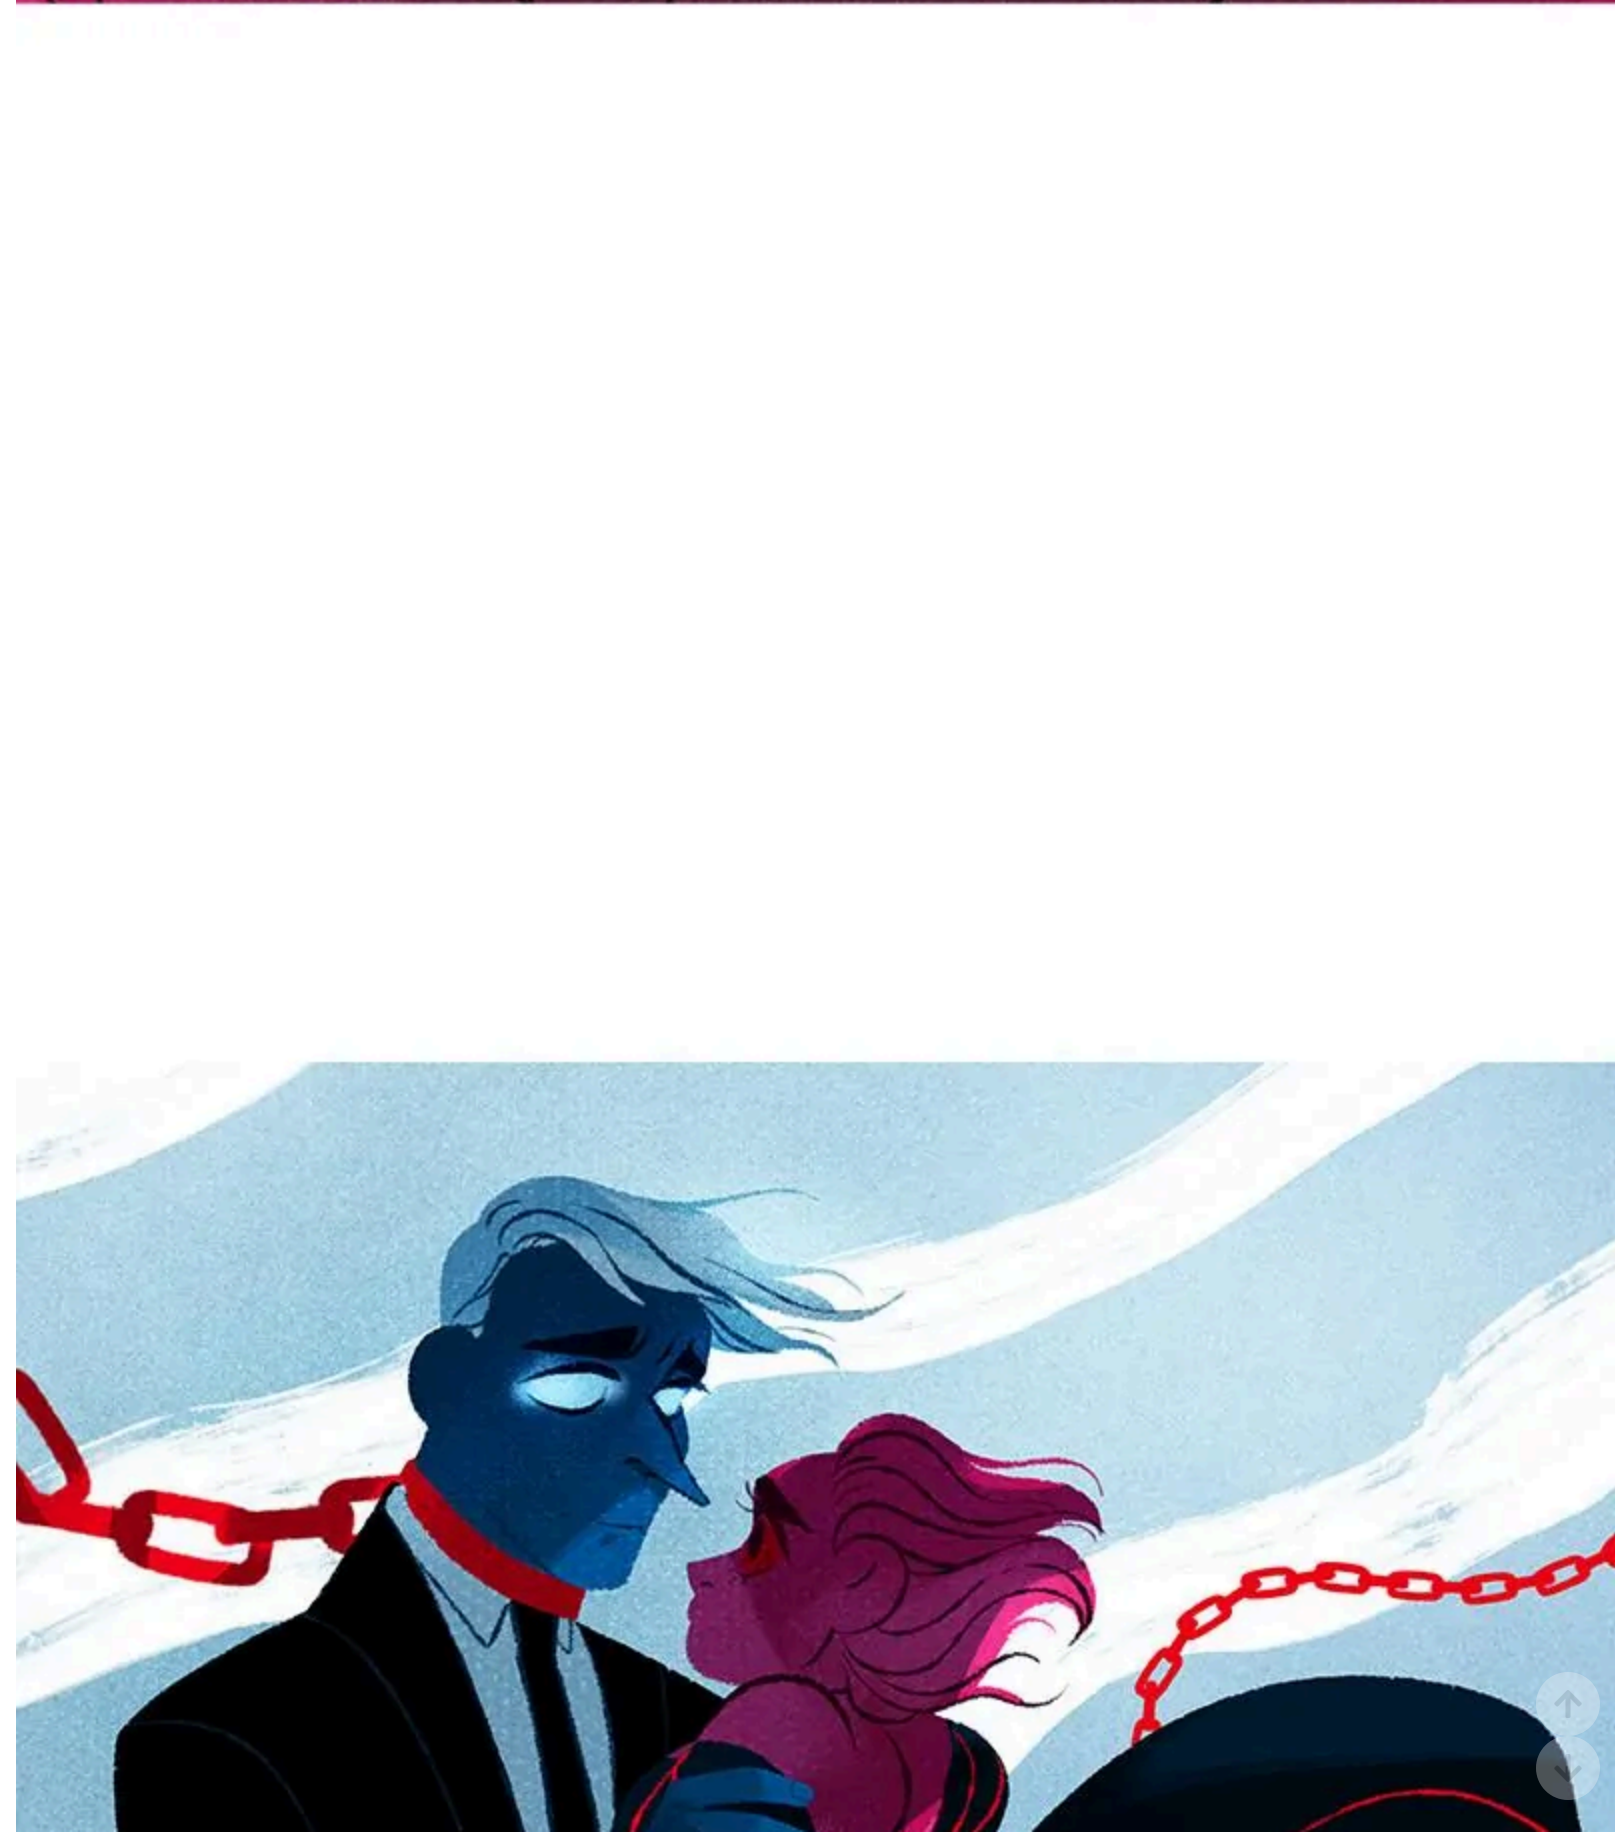

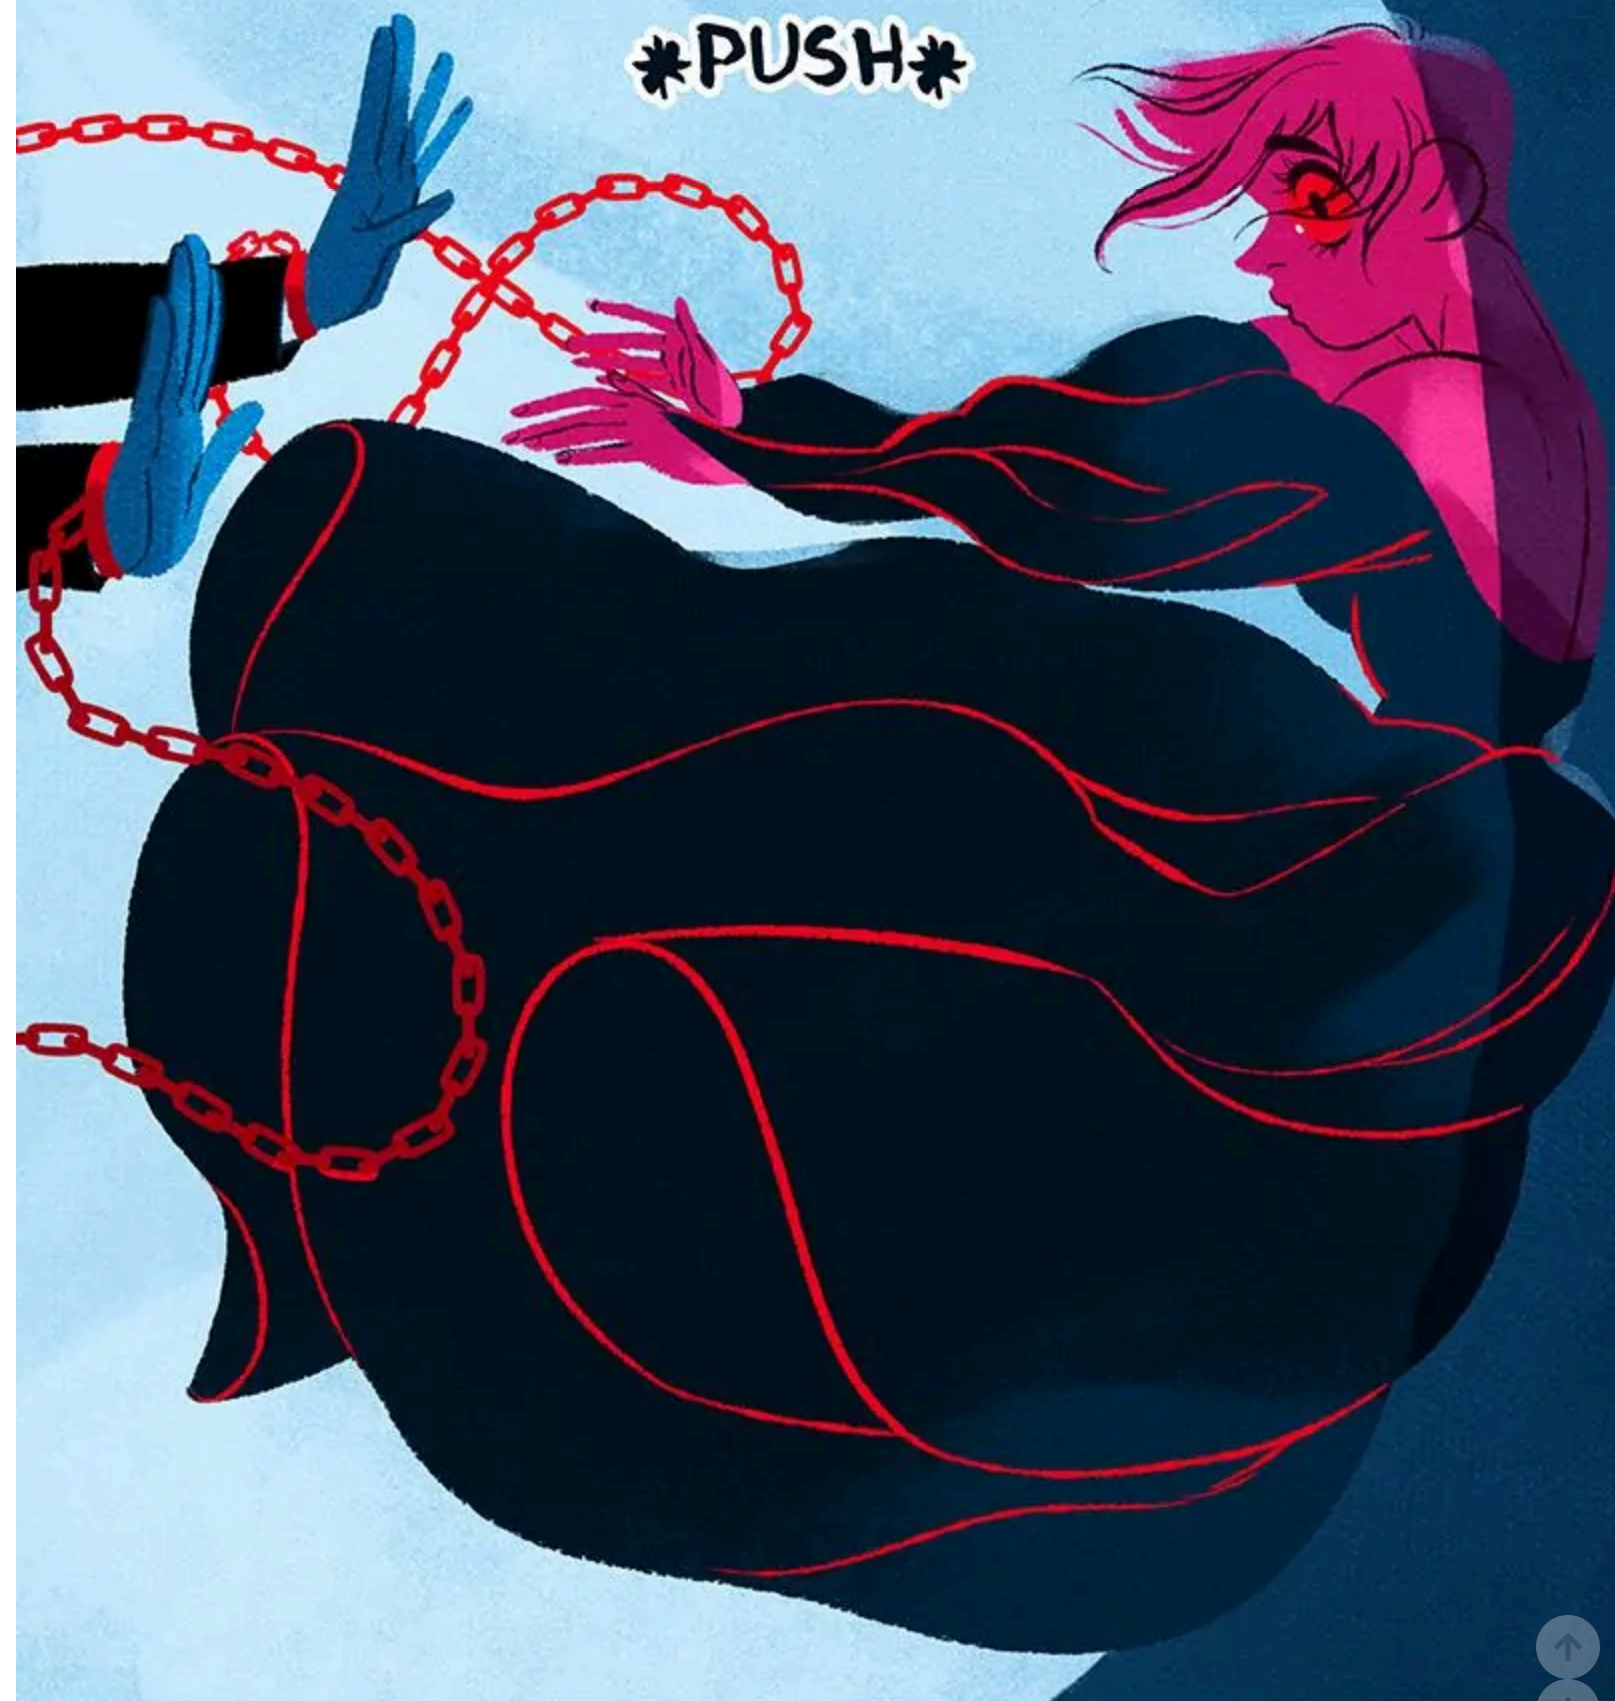

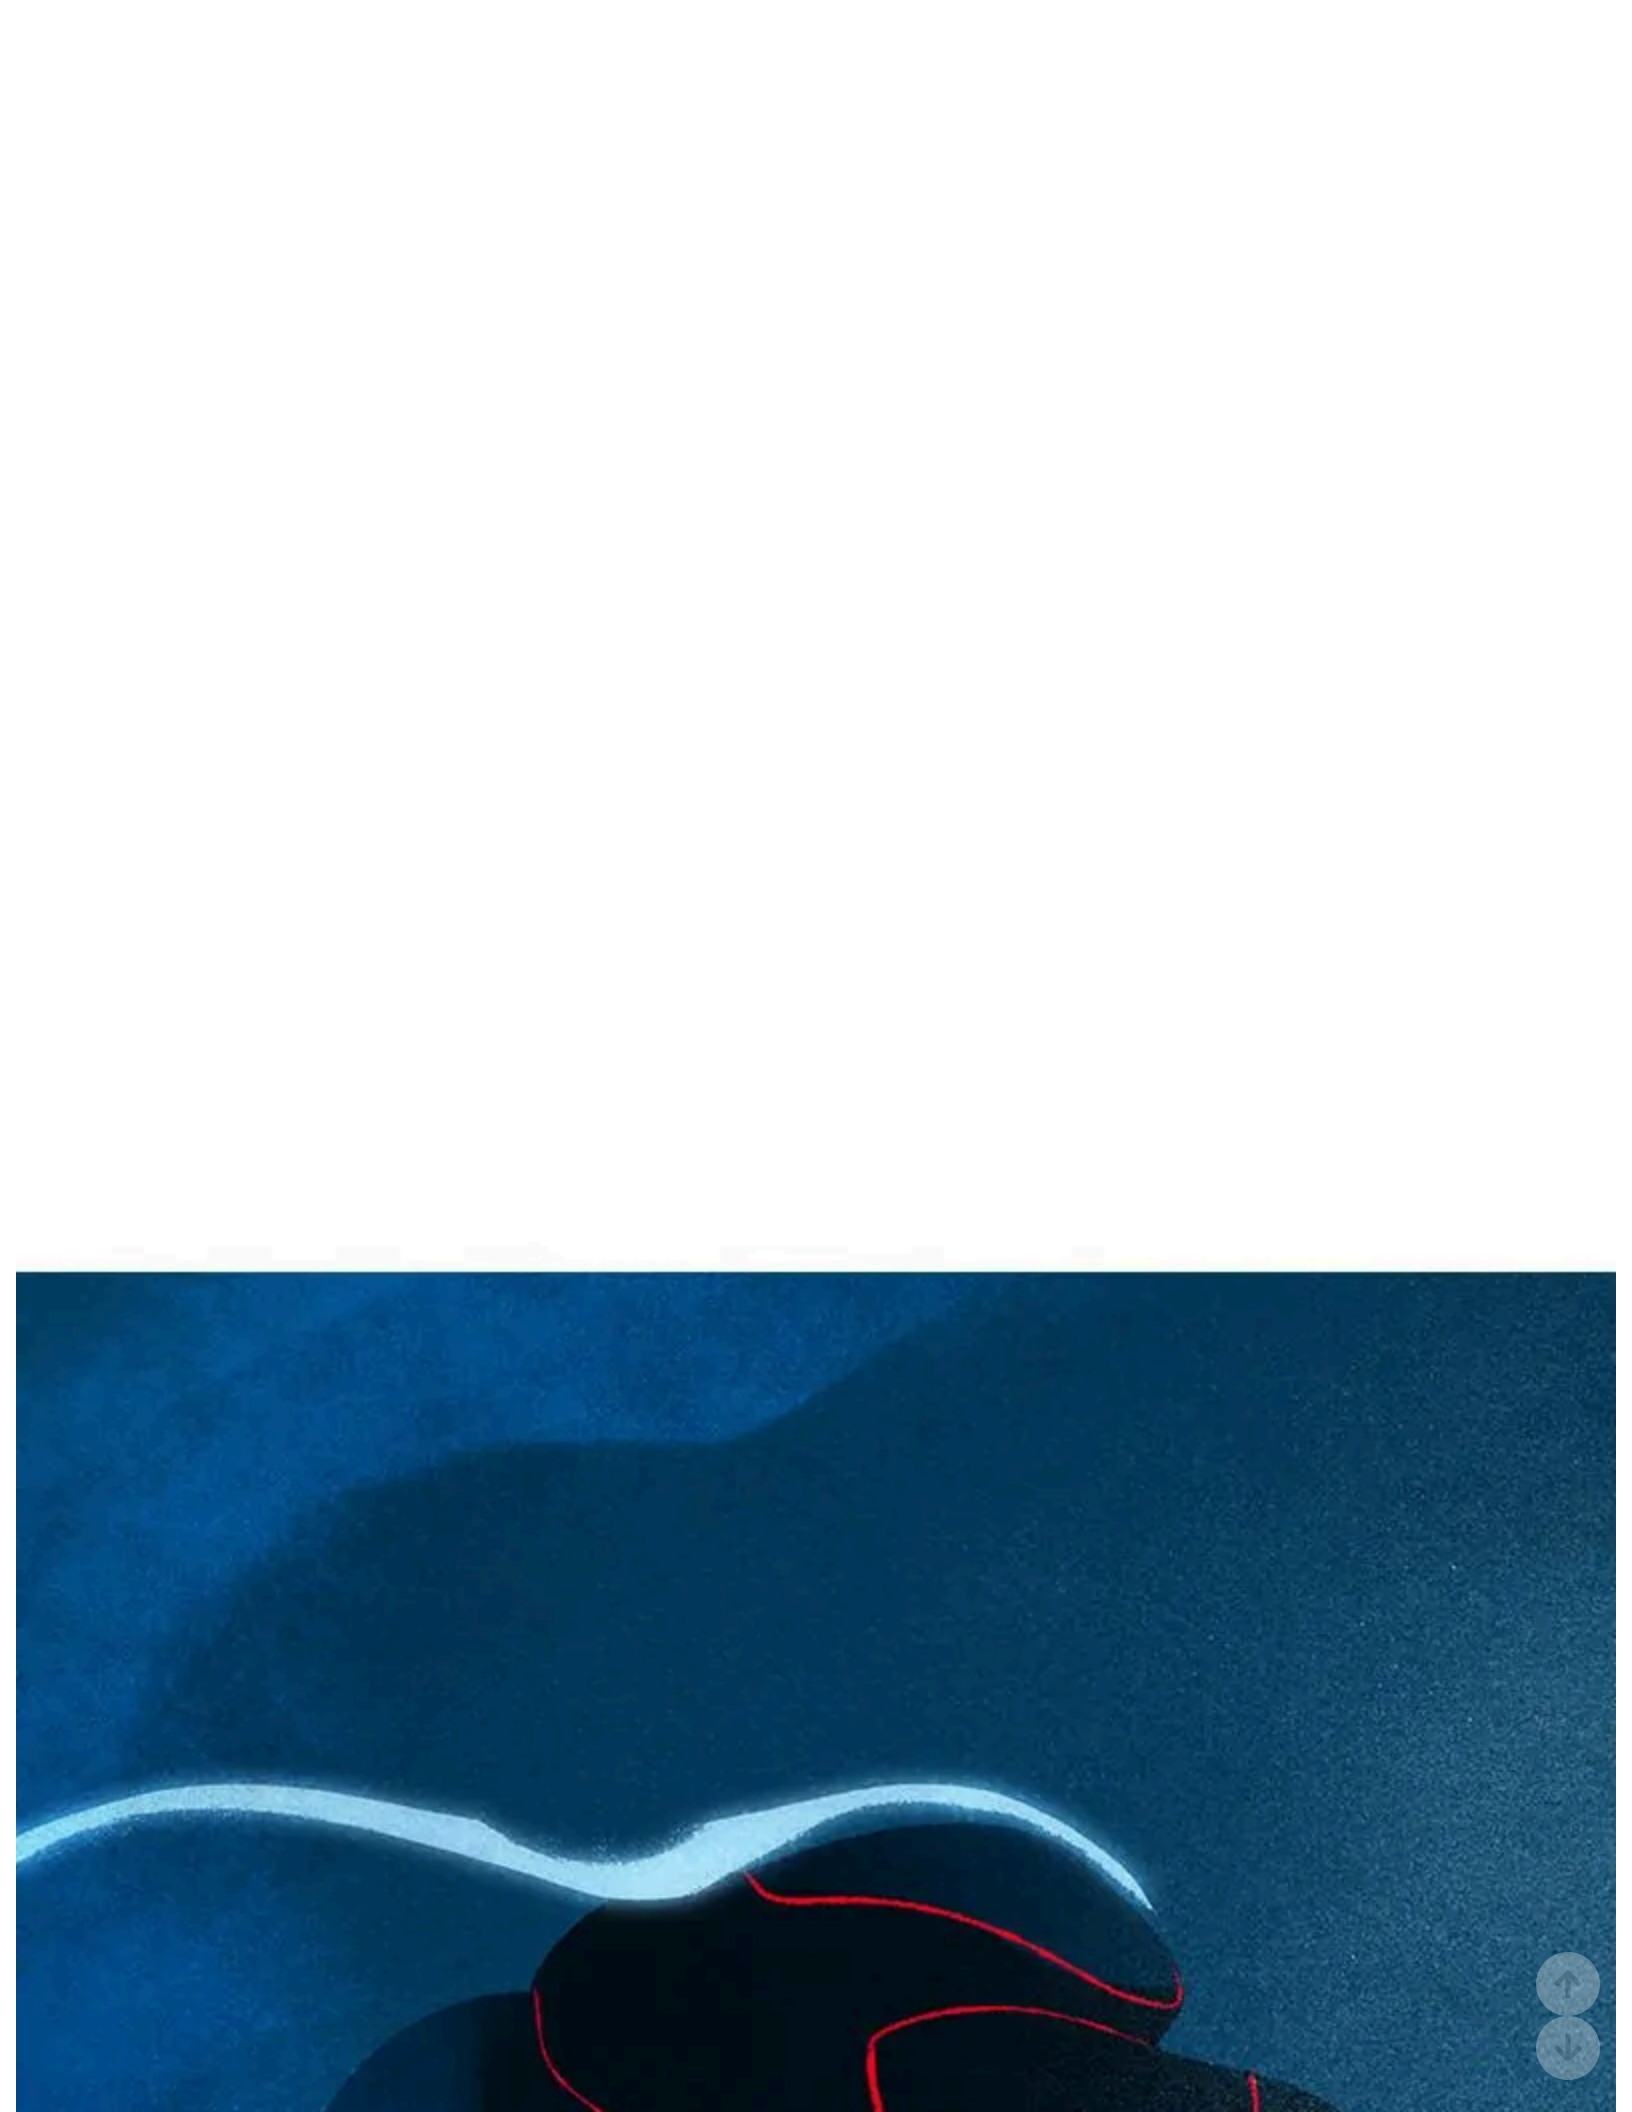

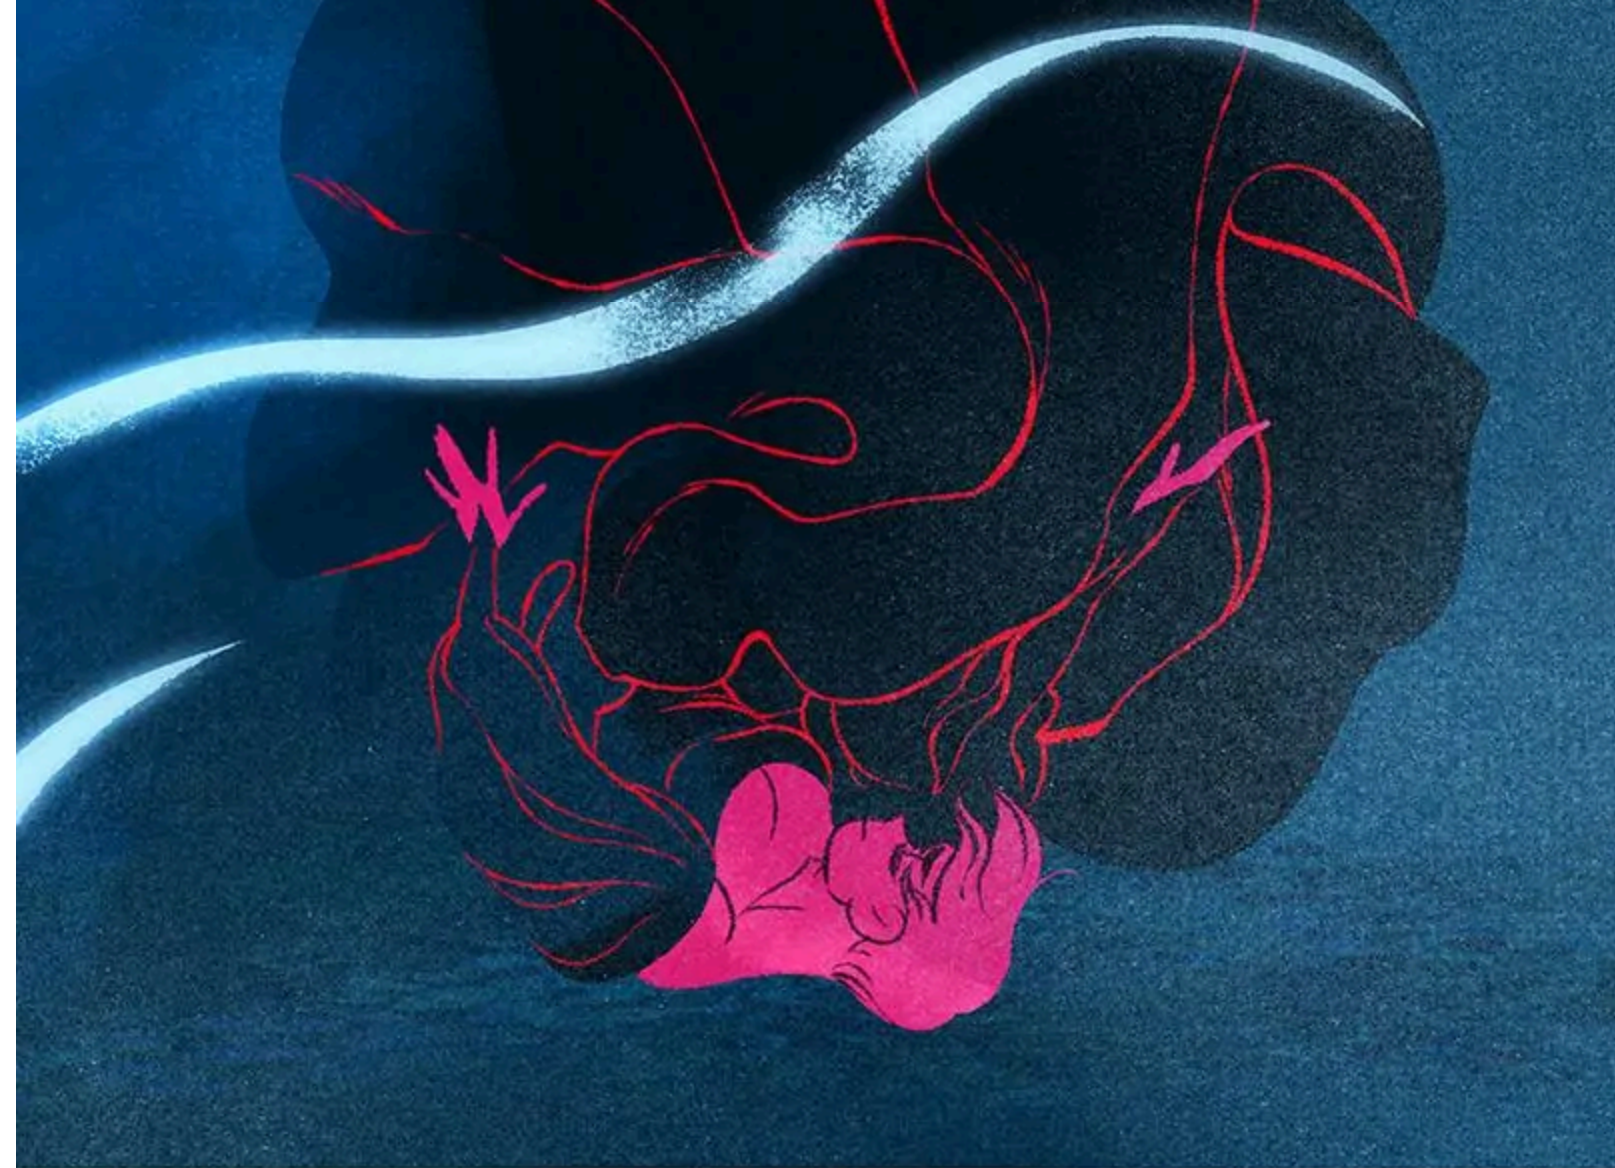

\*PULL\*

**\*PUSH\***

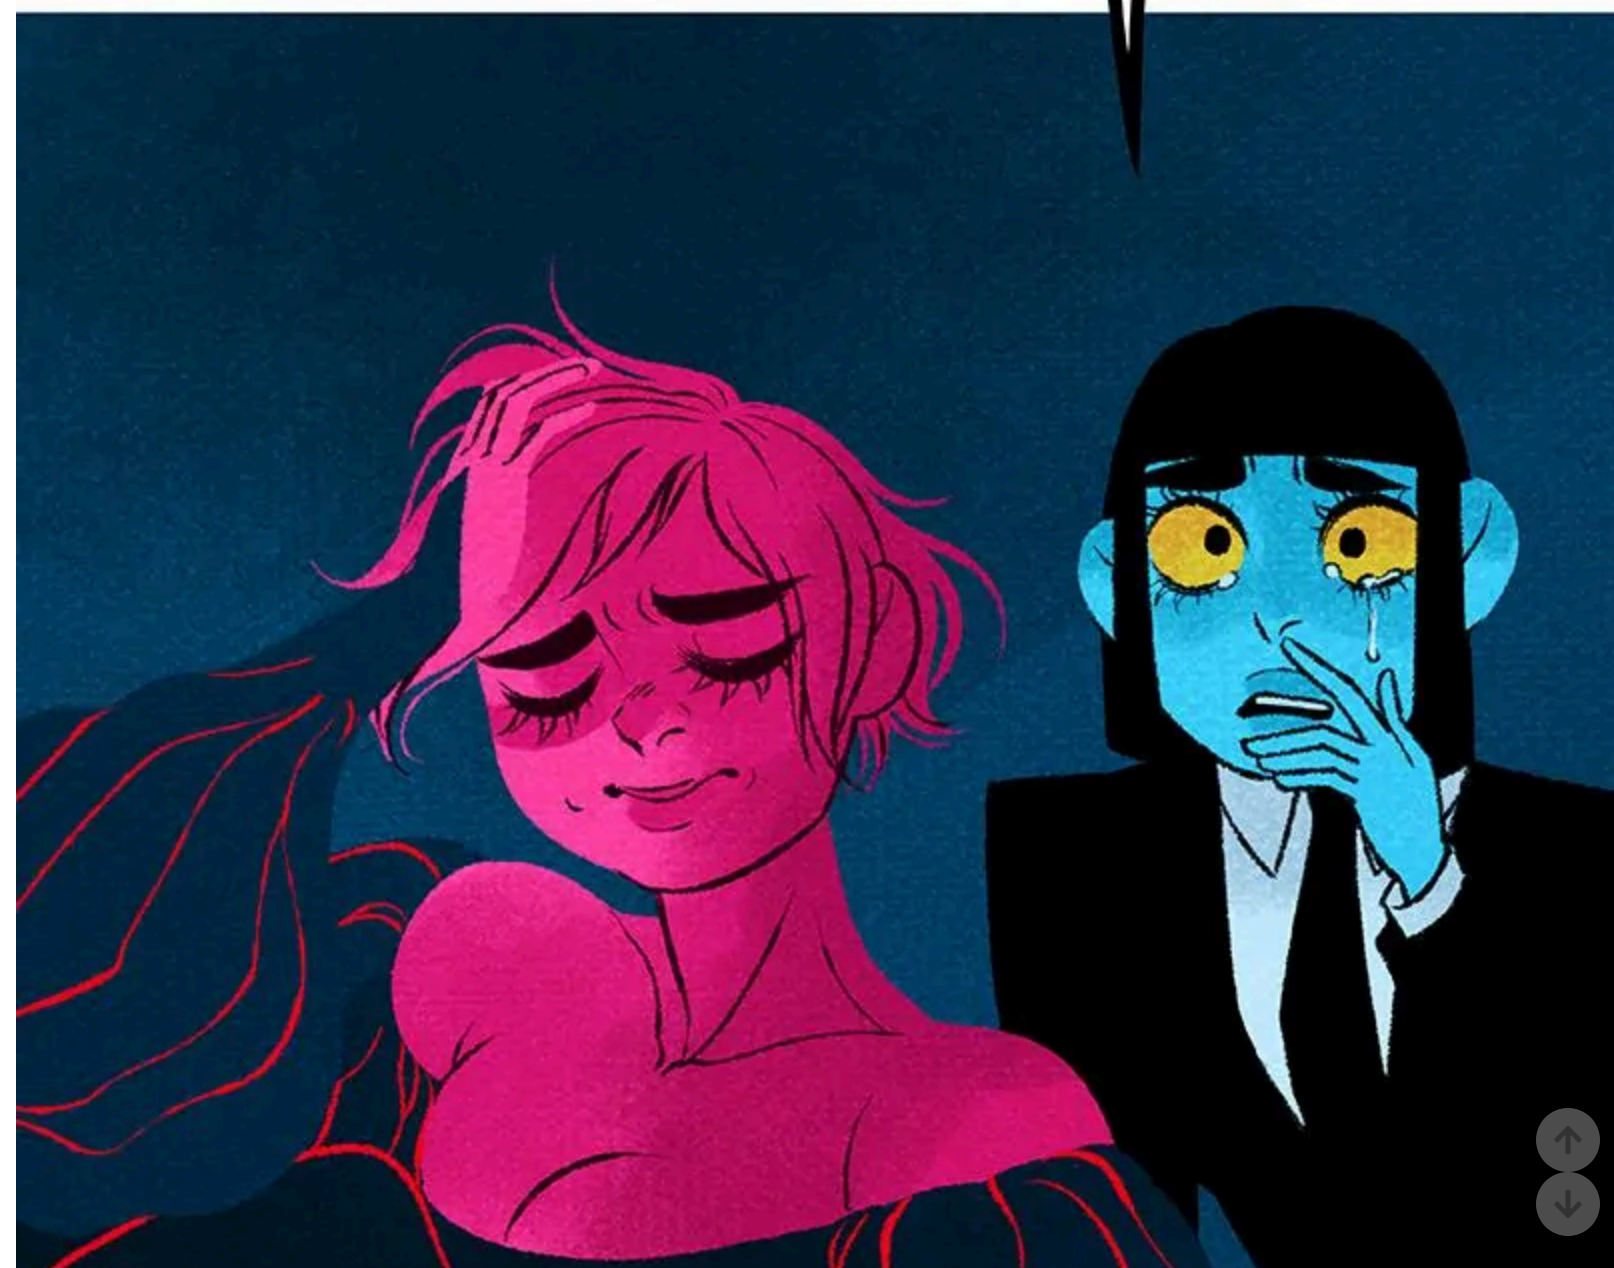

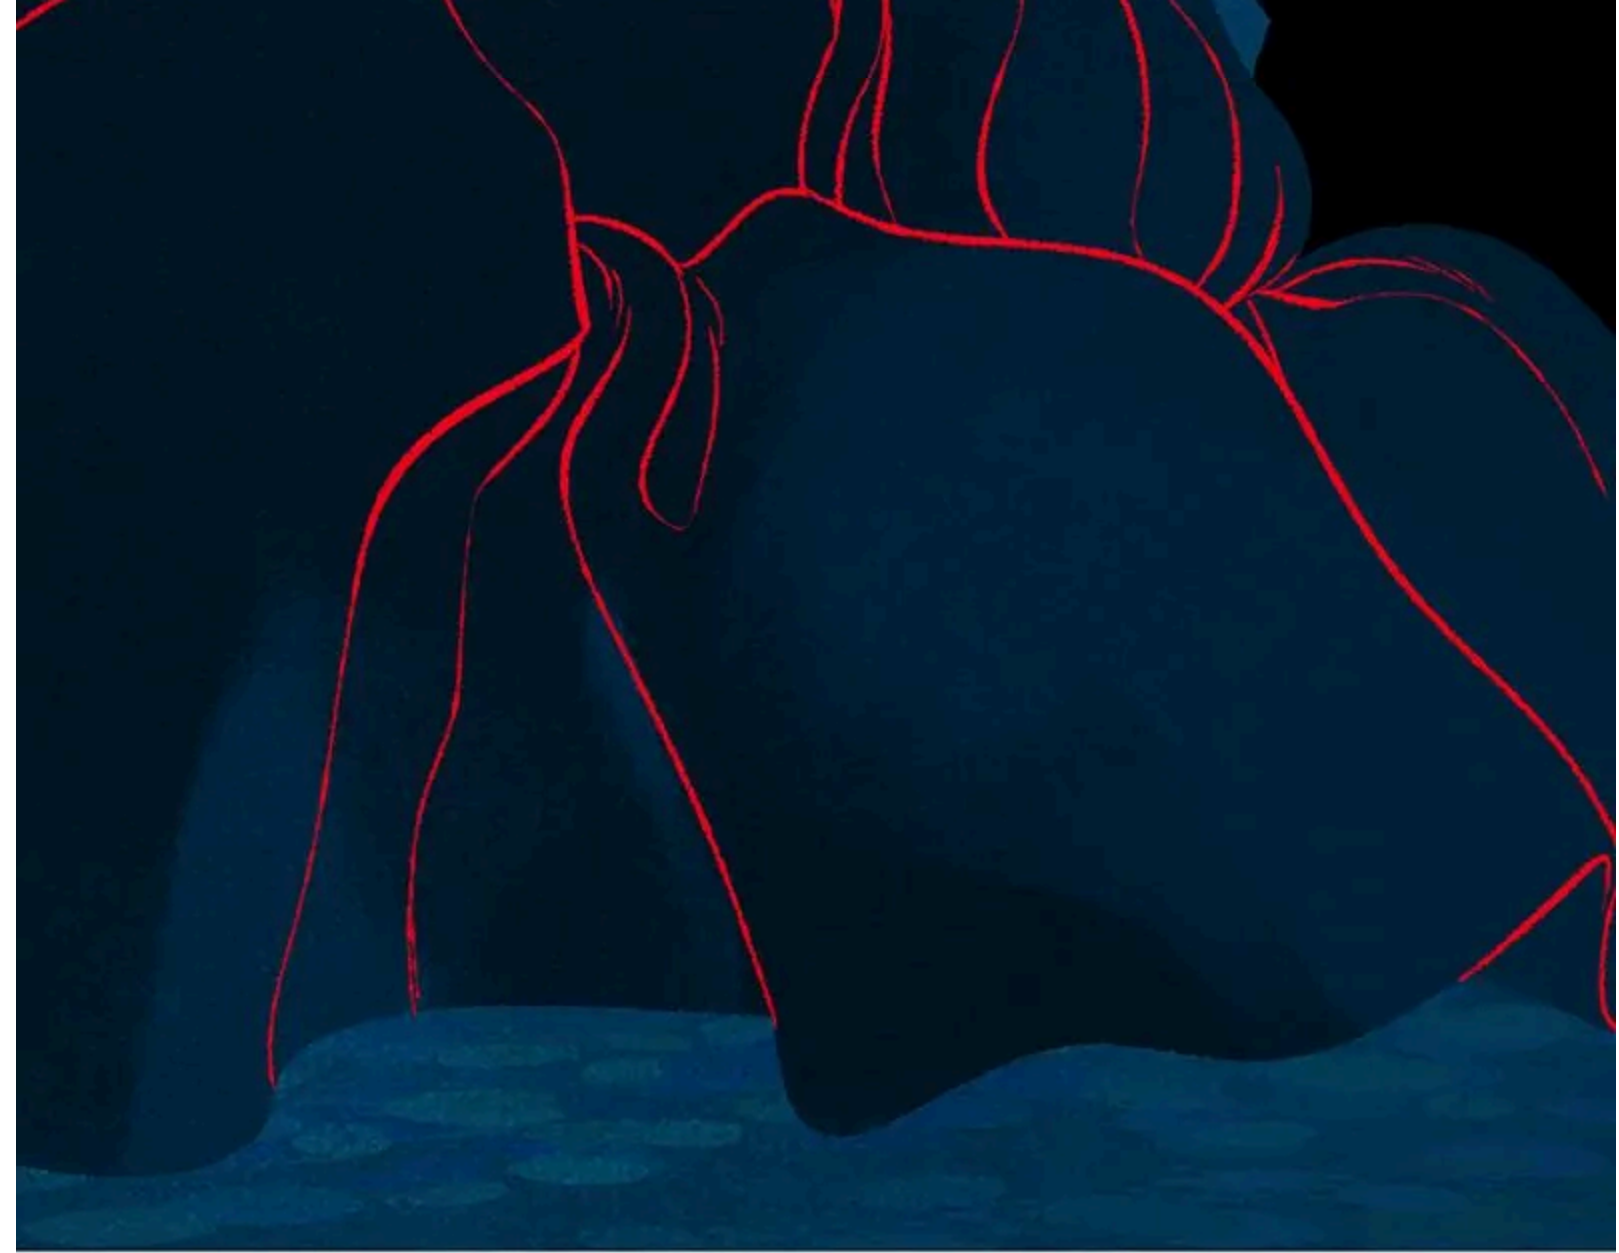

Oh no...

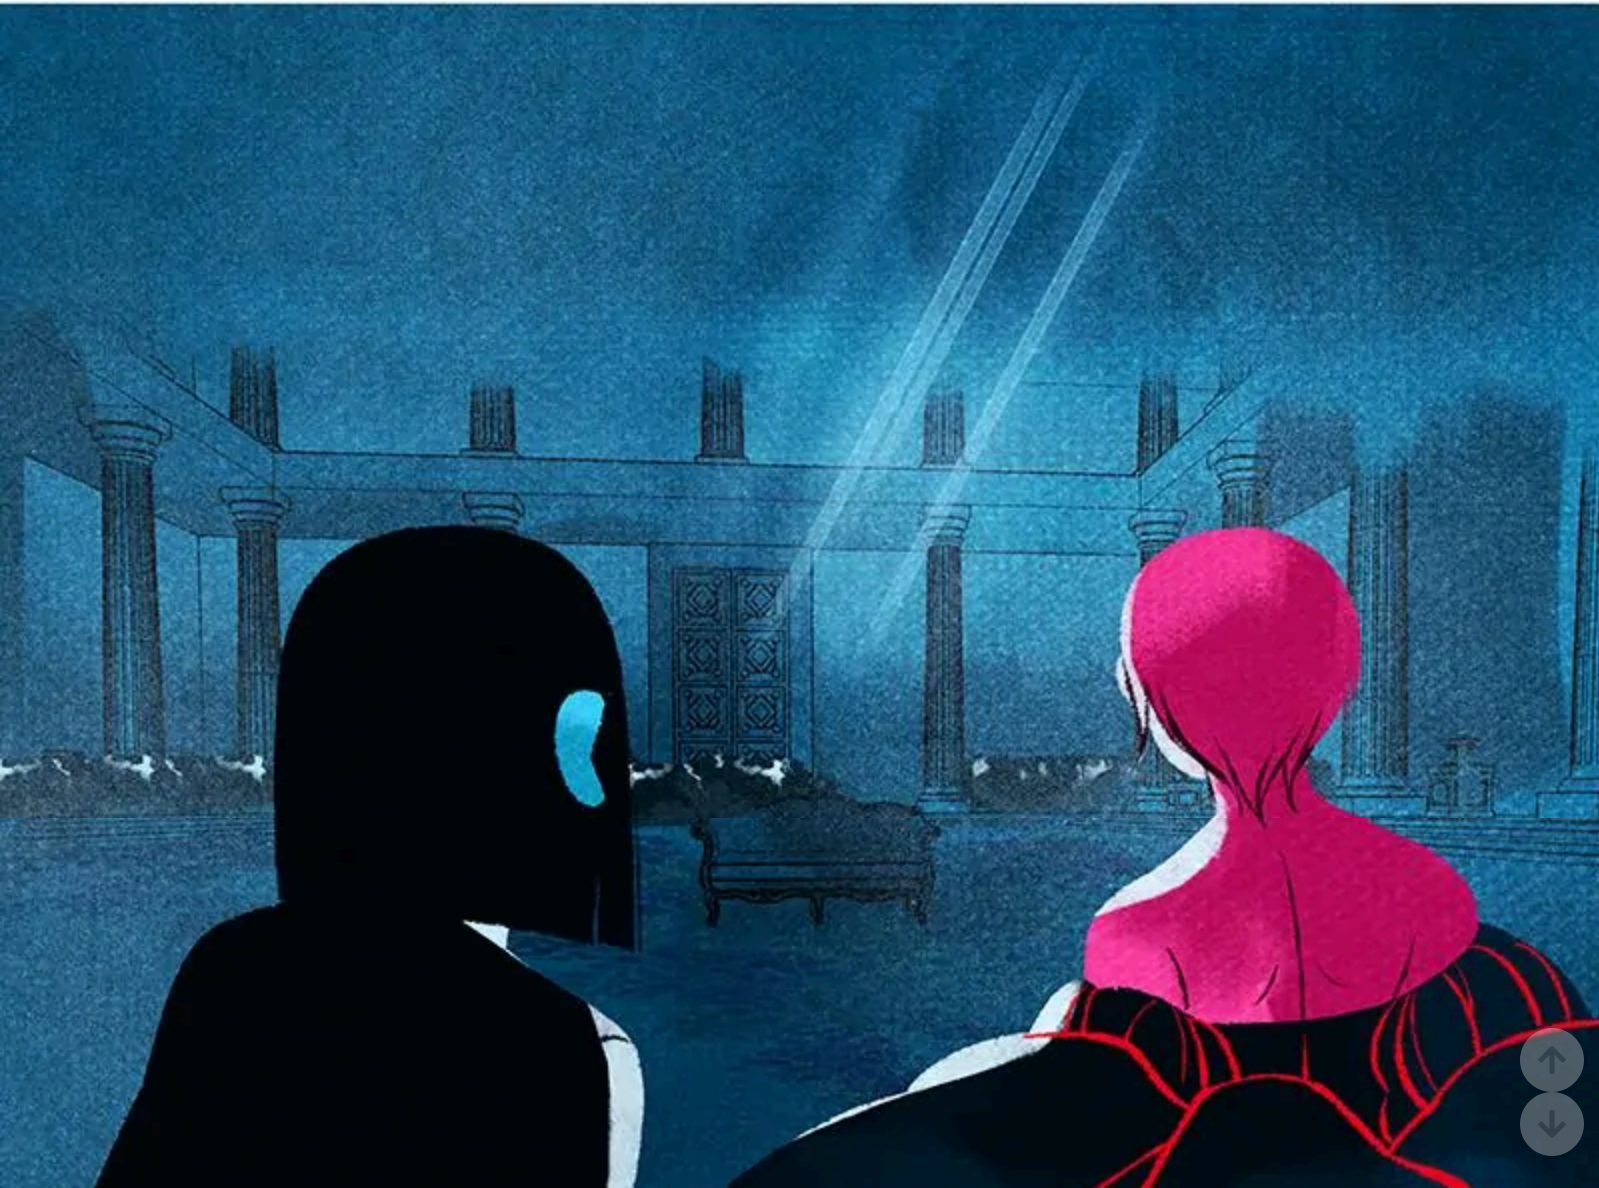

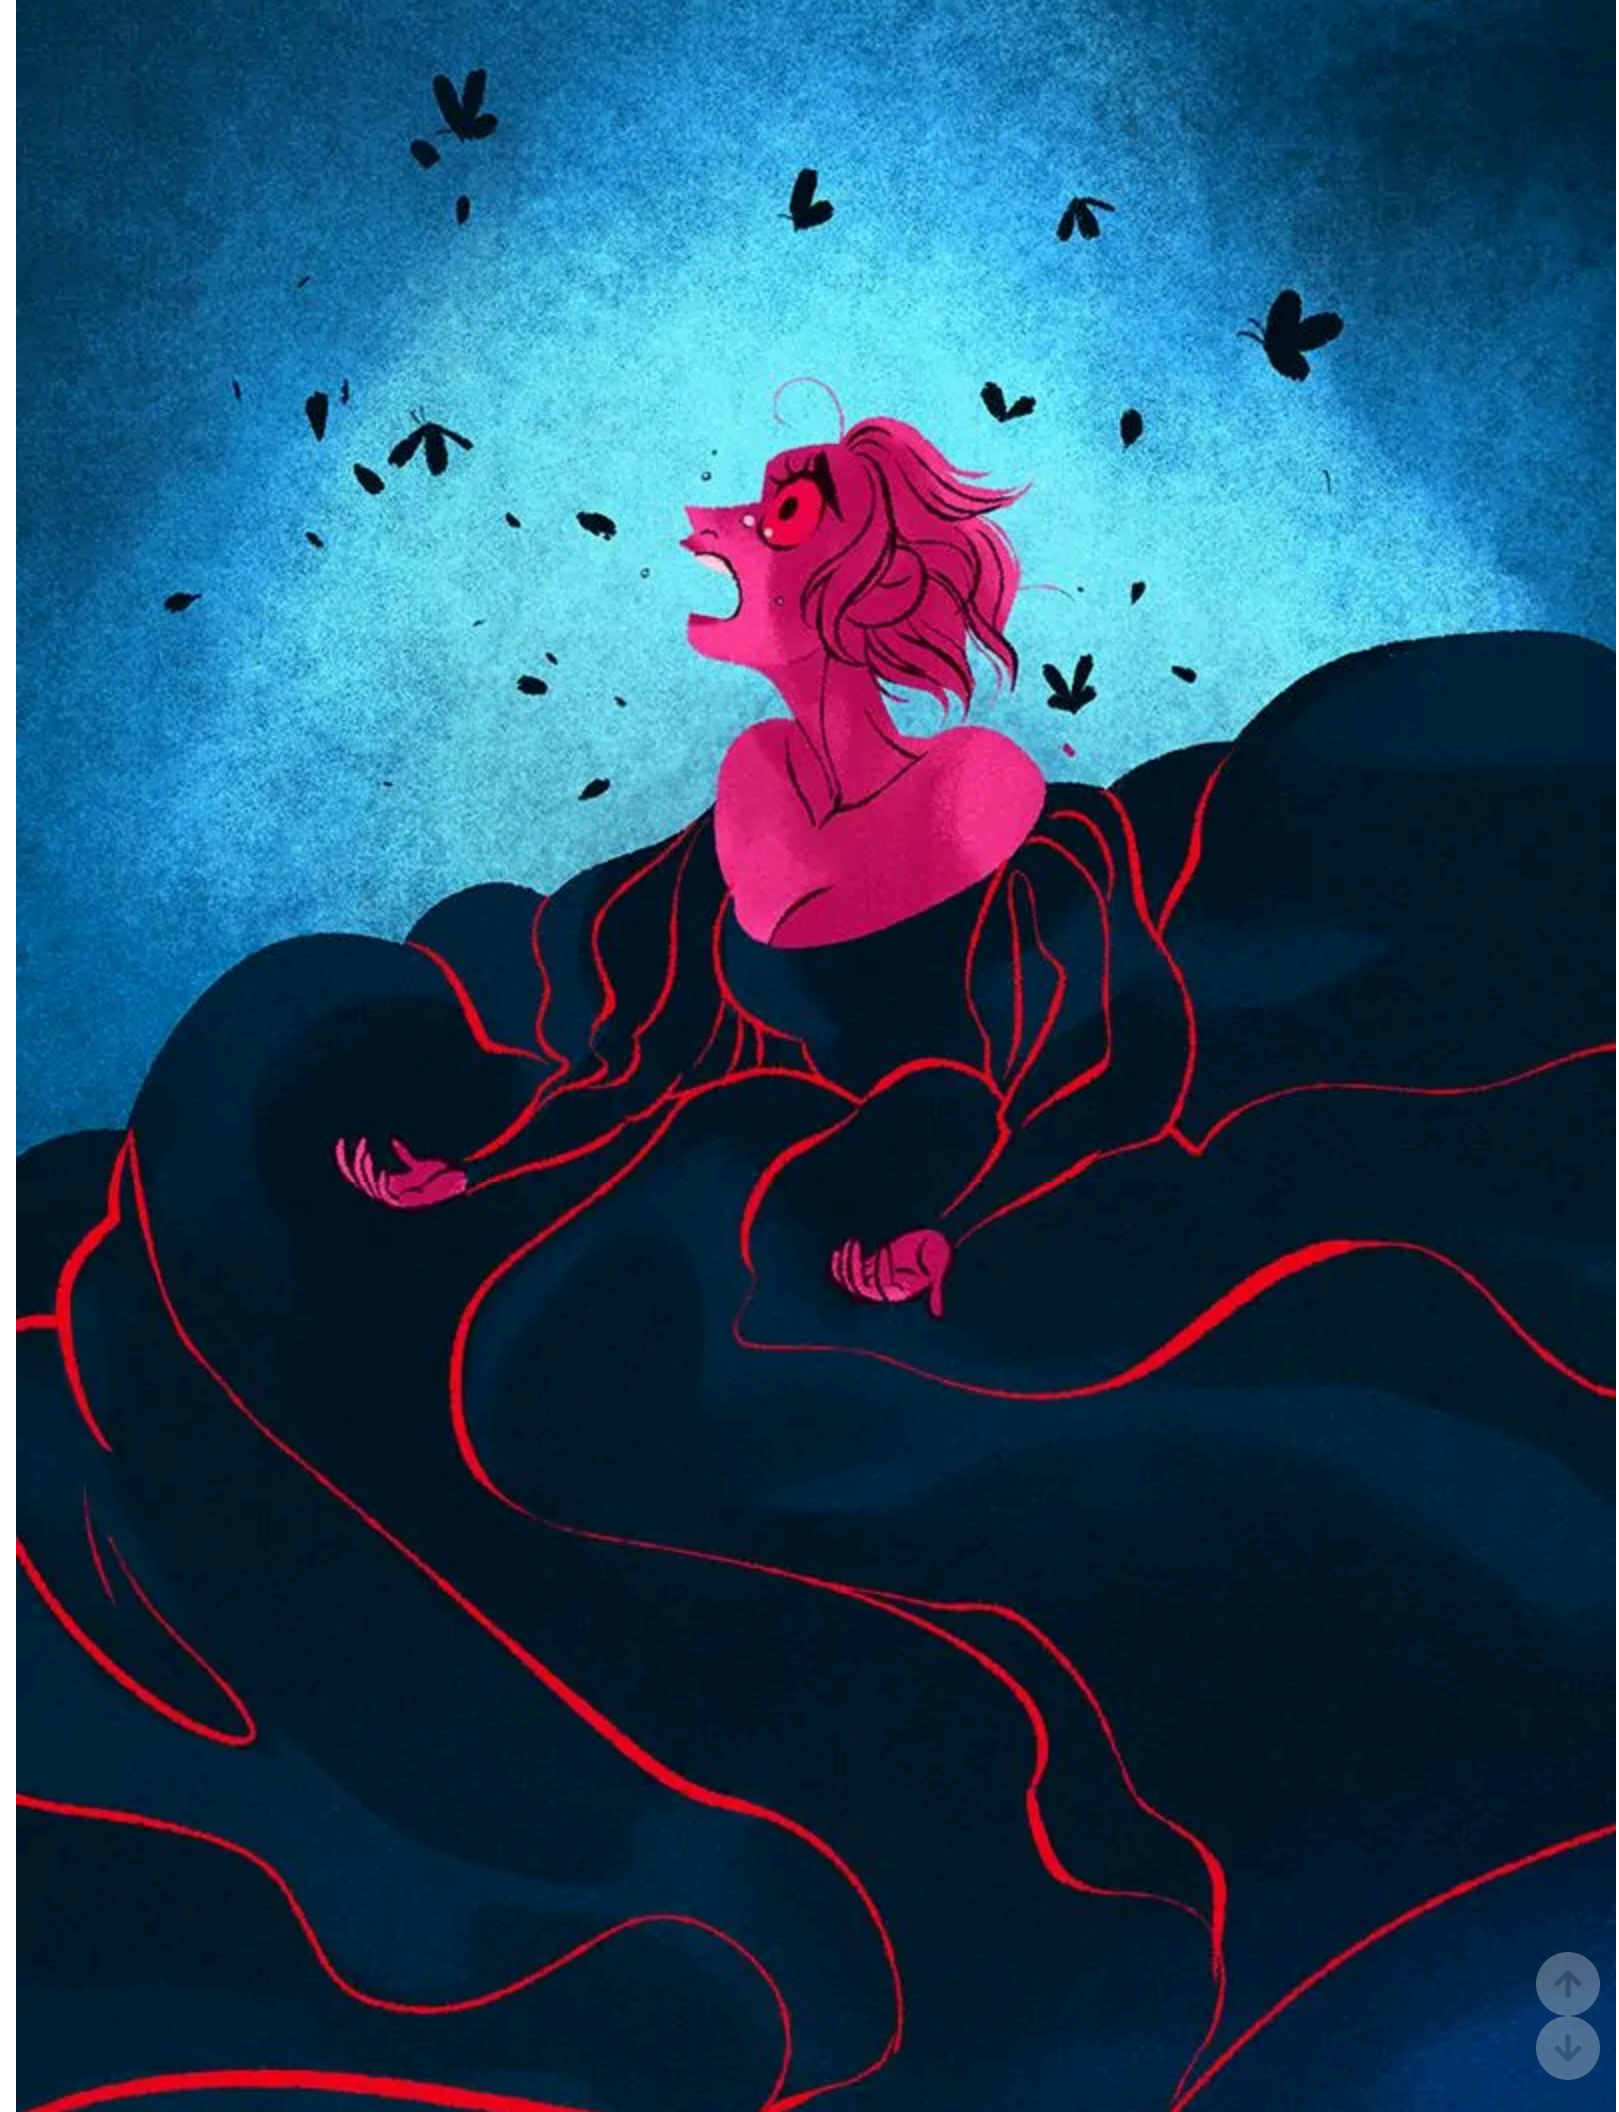

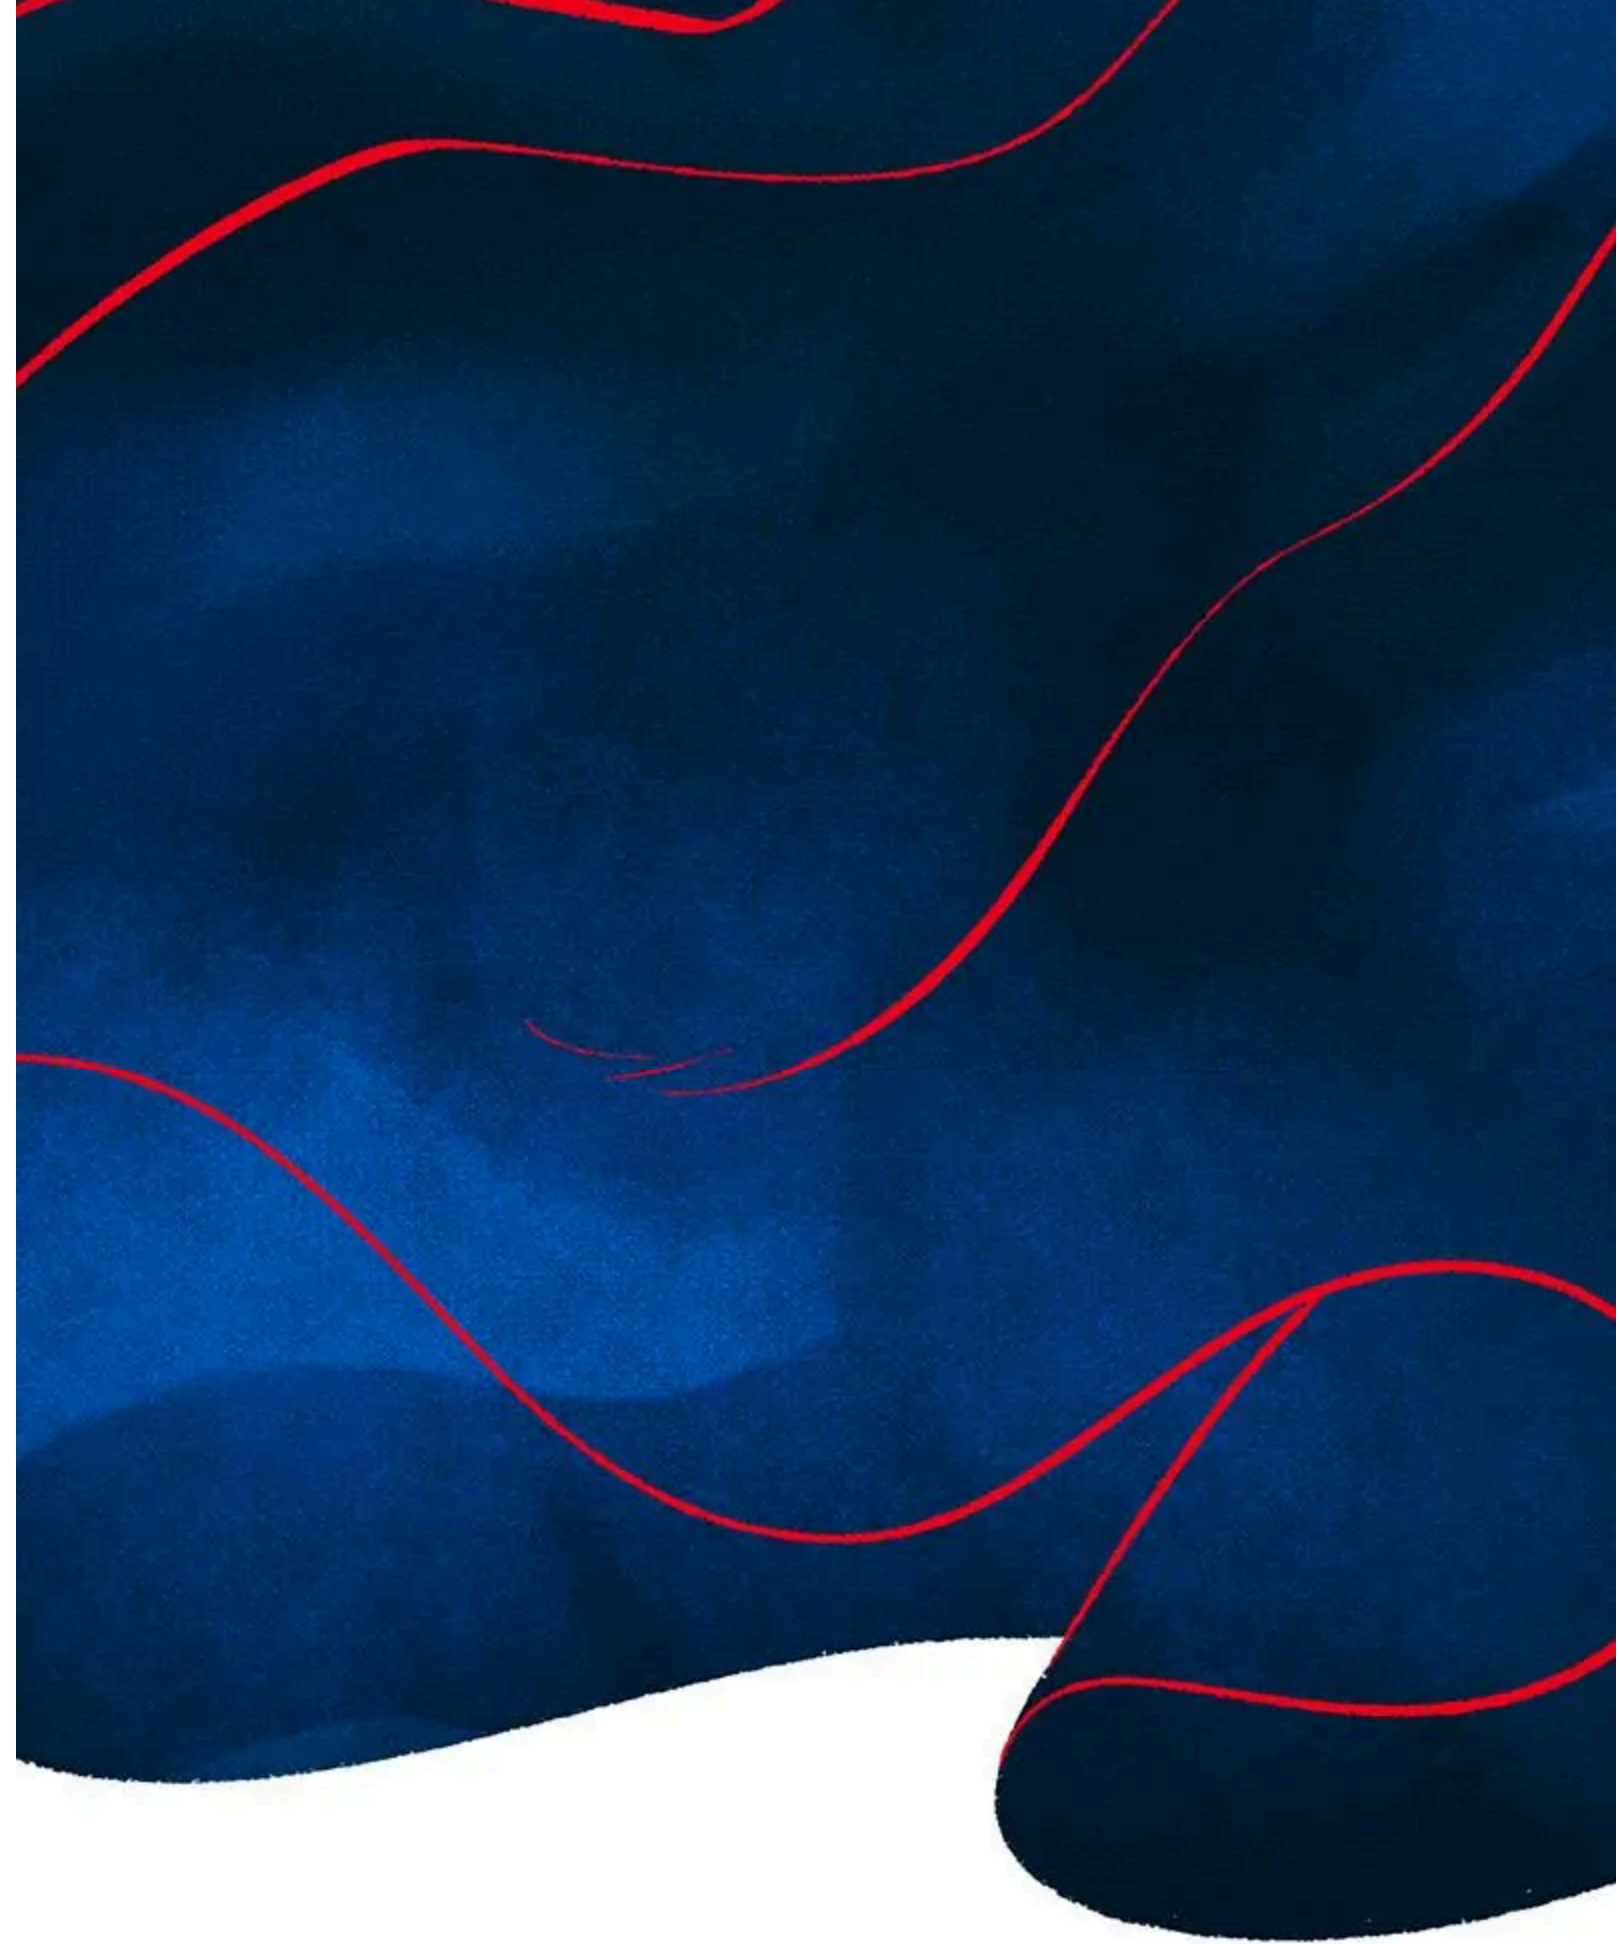

Noooooo!!!
